RE: MERS corporate status changes and assignments and delegations of authority after corporate status changes

Dear Mr. Dettelbach:

Enclosed is an additional deposition to supplement earlier depositions I provided to you about suspected notary public fraud occurring in Ohio relating to home mortgage foreclosures. I supplement the prior information with the enclosed deposition of witness William Hultman. A review of the deposition indicates that, after corporate status changes for MERS, new designations of authority were not executed, leaving one or more individuals of the former corporation continuing to delegate authority on behalf of the new corporation without designations having been executed by the new corporation. I offer you this transcript for however it may aid in your review of the allegations and information already submitted.

Thank you for your consideration.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Brunner".

Jennifer Brunner
