Message from Jon Husted:

Hundreds of thousands of businesses call Ohio home. Small and large, our state hosts a wide range of restaurateurs, farmers, manufacturers and service providers. As the place where business begins in Ohio, the Ohio Secretary of State's office has launched the "Ohio Business Profile" to highlight some of the great work being done in the Buckeye State. Each month a handful of local companies tied together by a common theme will be selected to be featured on our website.

I think Ohioans will be both surprised and proud of the sheer diversity and offerings of Ohio entrepreneurs and the wide reach of these companies across the nation and around the world.

As we work to improve Ohio's overall business climate, the demonstrated successes of existing Ohio companies can be one of the best marketing tools we have to encourage others to invest here, creating jobs and economic activity.

The seal of the Ohio Secretary of State is circular. It features a central image of a landscape with a sun rising over hills and a river. The text "THE SECRETARY OF STATE" is written around the top inner edge, and "OHIO" is at the bottom. A signature, "Jon Husted", is written across the bottom of the seal.
