Your Options for Voting

Voting on Election Day

- Polls are open on Election Day from 6:30 a.m. to 7:30 p.m.
- You must cast your ballot at your designated polling place.
- If you do not know the location of your precinct or polling place, please contact your county board of elections or use the voter lookup tool available on the Secretary of State's website, www.MyOhioVote.com.
- Remember to bring an acceptable form of identification to the polls on Election Day.

Acceptable Form of Identification Examples

- A current and valid driver's license or state identification card
- An original or copy of a current (within the last 12 months) utility bill, bank statement, government check, paycheck or other government document (other than a notice of voter registration mailed by a board of elections) that shows your name and current address.
- Military identification

If you have questions about the particular identification that you plan to use on Election Day, contact your local board of elections.

Absentee Voting by Mail

If you are a qualified Ohio voter and your registration is up to date, you are eligible to cast an absentee ballot.

- Absentee voting begins the day after the close of voter registration.
- You must request that an absentee ballot be mailed to you no later than noon on the Saturday before an election, though you should request an absentee ballot as early as possible to have time to receive, vote and return your ballot.
- You may also download a request form at www.MyOhioVote.com.
- Absentee ballot application forms are available from the Secretary of State's office or your county board of elections.

Once you receive your absentee ballot, vote your ballot and seal it in the identification envelope provided. Be sure to provide all of the information required on the ID envelope.

You may then return the ballot either by mail (must be received by your board of elections prior to 7:30 p.m. on Election Day or postmarked no later than the day before the

election) or in person to your county board office (must be received by the close of polls on Election Day).

Early In-Person Absentee Voting

Starting the day after the close of voter registration, you may cast your absentee ballot in person at your county board of elections or voting center as designated by the county. Check with your county board of elections for more specific information.

Common Reasons for Voting a Provisional Ballot

Any of the following scenarios would require you to cast a provisional ballot on Election Day. For a complete list, visit www.MyOhioVote.com.

- You are not registered to vote or did not update your address at least 30 days prior to the election.
- You are unable or decline to provide an acceptable form of identification (see list on previous panel).
- You already requested an absentee ballot for that election.

The content of a provisional ballot is the same as a regular ballot, but it is cast "provisionally" until election officials can verify your eligibility to vote.

If you cast a provisional ballot and did not provide an acceptable form of identification, you must appear in person at the board of elections within seven days immediately following Election Day with your ID for your ballot to be counted. For more information on provisional ballots visit www.MyOhioVote.com.

As an Ohio voter, when I exercise my **RIGHT** to vote on Election Day, I have a **RESPONSIBILITY** to do my part.

My Right • My Responsibility

I will...

- Register to vote 30 days prior to Election Day & keep my address up to date with the board of elections.
- Remember to bring valid identification with me to the polls.
- Know my proper polling place & precinct.

Guide to Voting in Ohio

Dear Ohio Voter:

Our American democracy is strongest when citizens at every level participate. In our system, citizens are elected to serve others. These leaders are empowered by their fellow

citizens, who use their right to vote. This concept resonates through each level of government—federal, state and your local community.

This Guide to Voting in Ohio will help you prepare for the upcoming election. The guide contains information on voter registration and details absentee balloting requirements as well as what to expect at your polling location on Election Day.

When you complete your ballot—whether at the polling place or in the comfort of your own home—realize that your participation is the driving force behind our system.

Sincerely,

Jon Husted
Ohio Secretary of State
