ELECTIONS IN OHIO

JON HUSTED
Ohio Secretary of State

MAINTAINING OHIO'S VOTER RECORDS MEANS MORE VOTES ARE COUNTED

7,891,143 registered voters

More than **462,000** voters have updated their registration online

Online Voter Registration launched January 1, 2017. To date, 414 people have registered online.

Removed more than **541,641** deceased Ohioans from voter rolls

Since Secretary Husted took office, more provisional and absentee ballots have been counted and less provisional ballots have been cast.

Complete info (SS/DOB/DL) on **90%** of voters, up from 20% in 2011

Contacted about **1.5 million** voters to update info by mail

Contacted more than **1.65 million** Ohioans who are unregistered but eligible to vote

Resolved more than **1.6 million** duplicate registrations since 2011

EVERY VOTE MATTERS

112 elections have been decided by **one vote or tied** in the last three years

EASY TO VOTE AND HARD TO CHEAT

In the 2016 Presidential Election, Ohio voters had a month to cast a ballot, including:

24/7 by-mail voting • **200+** hours for in-person voting including **13** hours on Election Day • **2** Saturdays and **2** Sundays

*All eligible voters to receive personalized absentee ballot application

To date, Ohio has received over **6,930** Federal Post Card Applications from military and overseas voters in **48** states, **101** countries and **9** Navy ships

Secretary Husted has compiled two statewide voter fraud and suppression reports uncovering:

677 voting irregularities identified
0 voter suppression cases
436 non-citizens registered
44 non-citizens whom cast ballots

PREPARING FOR A SMOOTH ELECTION

Recruited more than **16,300** poll workers since April 2012 and distributed nearly **$2.3 million** in training funds from 2011-2016.

Nearly **$340,000** has been awarded for **98** projects around Ohio to improve access at the polls.

DOING MORE WITH LESS

JON HUSTED
Ohio Secretary of State

SAVING TAXPAYER DOLLARS WHILE PROVIDING BETTER CUSTOMER SERVICE

TOTAL SAVINGS

$14.5 million saved during first term, a **16% reduction** compared to the previous administration

SECOND TERM 2ND

Only statewide office holder to seek a cut, not an increase, in the last budget. Now requesting a **100% cut** in taxpayer funding for the office.

PAYROLL

Staffing levels are down and in fiscal year 2016 payroll costs totaled $11.7 million – **the lowest level in 9 years.**

ANSWERING THE CALL

Dramatically improved business services call center operations by partnering with the Cleveland Sight Center - reducing wait time by 86% and answering 20% more calls.

PRINTING

Many publications have moved online for wider distribution, saving **$100,000** each year

SERVING BUSINESSES IN OHIO

OCTOBER 2013

Ohio Business Central launched, now 90% of filings can be done online, 1 in 2 companies are started online & 206,254 businesses have been started online

SEPTEMBER 2015

Cost of starting a new business cut by 21% to $99, making Ohio the cheapest state in the region to start and maintain a business. To date, entrepreneurs have saved an estimated $3.1 million due to the cost reduction in filing fees.

2016

105,009 entities filed, up from 97,746 in 2015, a new 6-year record.

JANUARY 2016

Cleveland Sight Center takes over operation of business services call center.

JANUARY 2017

10,033 businesses filed, up from 8,624 in January 2016. Over 1,400 more entities filed in 2017 compared to 2016.
