Instructions for Foreign Corporation Application for License

This form should be used if you wish to apply for a license to do business as a foreign for-profit corporation. You must select between obtaining a permanent license or a temporary license. If you wish to apply for a permanent license, please select box (1). If you wish to apply for a temporary license, please select box (2). A temporary license allows a corporation to transact business in Ohio for a period of six months. Pursuant to Ohio Revised Code §1703.13, no foreign corporation shall be granted more than two temporary licenses within any period of three years. A permanent license will allow a corporation to transact business in Ohio until the license is cancelled or surrendered. Please complete the entire form (as applicable) whether you have selected box 1 or box 2.

Certificate of Good Standing

Pursuant to Ohio Revised Code §1703.04(A), to obtain a license to transact business in Ohio, a foreign for-profit corporation must file a certificate of good standing or subsistence, dated not earlier than ninety days prior to the filing of the application under the seal of the secretary of state, or other proper official, of the state under the laws of which the corporation was incorporated (jurisdiction of formation). The certificate must state the exact corporate name and the fact that the corporation is in good standing or is a subsisting corporation.

Name of the Corporation

The name of the corporation as registered in its jurisdiction of formation must be provided. Pursuant to Ohio Revised Code §1703.04, a foreign corporation's name must be distinguishable on the records. If the corporate name is not available, an assumed name must be provided. If an assumed name is provided, please attach a Resolution of Foreign Corporation to Qualify Under An Assumed Name form 591, as required by ORC 1703.04(c)(2). The corporation must conduct business in Ohio under the assumed name in this situation.

General Corporation Information

Please provide the name of the jurisdiction of formation and the date of incorporation in the jurisdiction of formation. Also, provide the complete address of the principal office of the corporation. If the corporation's principal office is outside Ohio, provide the address of an Ohio location, if one exists. Note: A foreign for-profit corporation is not required to maintain a principal office in Ohio.

Purpose Clause

Pursuant to Ohio Revised Code §1703.04(B)(7), a brief summary of the corporate purpose to be exercised within Ohio must be provided.

Original Appointment of Statutory Agent

Pursuant to Ohio Revised Code § 1703.041, a foreign for-profit corporation that is licensed to transact business in Ohio must appoint and maintain an agent to accept service of process on behalf of the corporation. The statutory agent must be one of the following: (1) A natural person who is a resident of this state; or (2) A domestic or foreign corporation, nonprofit corporation, limited liability company, partnership, limited partnership, limited liability partnership, limited partnership association, professional association, business trust, or unincorporated nonprofit association that has a business address in this state. If the agent is a business entity then the agent must meet the requirements of Title XVII of the Revised Code to transact business or exercise privileges in Ohio.

Corporation to Prosecute or Defend Legal Action

Pursuant to Ohio Revised Code §1703.29(A), the failure of a foreign corporation to obtain a license in Ohio does not affect the validity of any contract formed by the corporation, but a foreign corporation which should have obtained a license must file for a license and pay an additional \$250 fee in order to prosecute or defend any legal action.

The corporation consents to service of process on the agent so long as the authority of the agent continues. Also, the corporation agrees to service of process upon the secretary of state if (1) the agent cannot be found; (2) the corporation fails to designate another agent when required to do so; (3) or the corporation's license to do business in Ohio expires or is cancelled.

Corporation that has been Transacting Business in Ohio without a License

If the corporation began transacting business in Ohio prior to 2009 without obtaining a license, the corporation must attach a certificate from the tax commissioner which states that the corporation has paid all franchise taxes which it should have paid had it qualified to do business in Ohio at the time it began to do so. The tax department refers to this as a "D4 Certificate", and it may be obtained by contacting the Ohio Department of Taxation at 1-888-405-4089.
