Instructions for Statement of Correction

This form should be used to file a statement of correction if any statement filed with the secretary of state pursuant to Ohio Revised Code §1776 is an inaccurate record of the action referred to in the statement, or that was defectively or erroneously executed.

Name and Registration Number of the Partnership

The name and registration number of the partnership must be provided.

Name of Statement Being Corrected and Date Filed

The statement of correction must state the name of the statement that the partnership intends to correct and also provide the date the original statement was filed with the secretary of state.

Inaccuracy or Defect to be Corrected

The partnership must specify the inaccuracy or defect to be corrected.

Corrected Portion of the Statement

Pursuant to Ohio Revised Code §1776.12(A), the partnership may set forth the inaccurate or defective portion of the statement in corrected form.

Pursuant to Ohio Revised Code §1776.12(B), in lieu of filing a statement of correction, setting forth only the corrected portion of the statement, the partnership may file a corrected statement in the same manner as an original statement and pay a fee equal to the fee payable for an original statement. In order to do this, the statement of correction form must be completed to provide the secretary of state with the name of the entity, registration number, name of statement being corrected, date filed and the description of the inaccuracy or defect to be corrected. The partnership must then attach the original statement in corrected form and pay the fee required by the original statement.

Note: The statement of correction is effective as of the date the original statement was filed, except as to persons who are substantially and adversely affected by the correction, for whom the statement of correction is effective from its filing date.

Additional Provisions

If the information you wish to provide for the record does not fit on the form, please attach additional provisions on a single-sided, 8 1/2 x 11 sheet(s) of paper.

Signature(s)

After completing all information on the filing form, please make sure that the form is signed by an authorized representative.

****Note: Our office cannot file or record a document that contains a social security number or tax identification number. Please do not enter a social security number or tax identification number, in any format, on this form.**
