DIRECTIVE 2018-41

December 17, 2018

To: All County Boards of Elections
Directors, Deputy Directors, and Board Members

Re: United States Elections Assistance Commission (EAC) Survey: 2016-2018

BACKGROUND

The EAC is charged with collecting specific data regarding federal elections from each state as mandated by the *Help America Vote Act of 2002* (HAVA). As part of the HAVA requirements, the Secretary of State's Office must collect data from each county board of elections, compile the information received, and submit responses for the 2018 Election Administration and Voting Survey report to the EAC in early 2019.

INSTRUCTIONS

It is imperative that the person(s) gathering the information at each board of elections carefully review each question before entering data, paying attention to the type of data requested and the time period for which that data is requested.

To ensure more accurate data reporting accompanying this Directive is the survey in Elect Collect to which county boards of elections must enter their local data. The survey will gather information that is required for only certain sections of the EAC Survey as boards have provided the other required information as part of the official canvass process.

The survey must be completed and submitted by January 3, 2019.

If you have any questions regarding this Directive, please call or email Pat Wolfe or Matthew Tlachac at (614) 466-2585.

Sincerely,

Jon Husted
