Chapter 1: Ballot Language, Notification, Rotation and Certification

GENERALLY

Under Ohio law, the boards of elections are responsible for approving ballot language for local questions and issues and transmitting the ballot language to the Secretary of State’s office for review.¹ A taxing authority, political subdivision or any interested individual may propose ballot language, but the final decision rests with the board of elections.

Note: The exception to a board of elections’ authority regarding ballot language for local questions and issues is the rare case of a charter that reserves to the city, village or county the right to dictate ballot language for questions or issues submitted to the electorate in accordance with the charter.

Many boards of elections have a standing policy, enacted by majority vote of the board, delegating to appropriate staff the tasks of preparing and submitting ballot language to the Secretary of State’s office for review. This delegation allows board staff to submit proposed ballot language and address problems that may be identified well in advance of the election. Local ballot questions and issues may include bond issues, tax levies, municipal and school district income taxes, charter amendments, municipal initiatives and referendums, local liquor options, zoning plans, etc.

¹ R.C. 3501.11(V).
**Note**: Local liquor options have statutorily prescribed ballot language and layouts that are different than other ballot questions; *local liquor option questions are discussed in a separate section of this chapter beginning on page 1-16.*

Resolutions, ordinances or petitions that are filed with, or certified to, the board of elections office enable the board to determine the purpose of the question or issue, the date of the election at which the question or issue is to appear on the ballot, the amount of the millage, the length of time a levy is to be imposed, and other information that the board will require when it prepares its ballot language. Board personnel who prepare ballot language may want to highlight or underline this information in the resolution, ordinance or petition so it will be easier to prepare and proof ballot language for the question or issue.

Resolutions and ordinances certified to the board office may include suggested ballot format or language for the question or issue. Board personnel should verify that the suggested ballot format or language meets the statutory format requirement, as well as the board of elections’ ballot format, before submitting the proposed ballot language to the Secretary of State’s office.

A *Quick Reference Guide (Appendix A)* is included in the back of this handbook. The Guide provides information on many — but not all — types of questions and issues that may appear on a ballot, statutory authority, filing deadline, type of election the question or issue may appear on the ballot, and advertising requirements, as well as providing the number of the ballot form template to be used for the particular question or issue.

Also included in the back of this handbook are *Ballot Templates (Appendix B)*. These templates provide the ballot formats that should be used for presenting the question or issue on the ballot to the voters.
BALLOT LANGUAGE FORMAT

General rules

All counties should strive for uniformity in how the ballot language is presented to voters. The same format should be used for all questions and issues within a county. The exceptions to your county’s format are the following:

• State issues.
• Questions or issues transmitted from most populous county.
• Typeface prescribed by statute:
  Examples:
  ◦ Revised Code (R.C.) 5705.197: “purpose shall be in boldface type at least twice the size of type immediately surrounding it;"
  ◦ R.C. 133.18: “the purpose of bonds shall be printed in boldface type."
  Please see Ballot Templates (Appendix B) for any additional questions or issues that may have the typeface prescribed by statute.
• A city or village charter that includes the provision of prescribing ballot format/language for certain questions or issues.

Note: The exceptions to your county’s format for local liquor option questions are discussed in a separate section of this chapter beginning on page 1-16.
TYPEFACE

Unless statute or charter dictates the ballot format, all questions and issues within a county should be presented in a like manner so that no particular question or issue wording stands out on the ballot.

A sans serif font is easier to read; therefore Arial or similar font is preferred.

A. Words and numbers

In addition to determining how the typeface for the purpose is presented to voters, the presentation of numbers in the ballot language should be consistent within a county.

Boards of elections are not required to use both words and numbers to express millage amounts, the number of years in effect, or the rate of millage in dollars and cents. When only numbers are used, the language should follow this example:

“. . . at a rate not exceeding 1 mill for each one dollar of valuation, which amounts to $0.10 for each one hundred dollars of valuation, for 5 years, commencing in 2013, first due in calendar year 2014.”

If both words and numbers are used, the language should follow this example:

“. . . at a rate not exceeding one (1) mill for each one dollar of valuation, which amounts to ten cents ($0.10) for each one hundred dollars of valuation, for five (5) years, commencing in 2013, first due in calendar year 2014.”

B. Millage amounts

To avoid confusion, when millage is less than 1, a 0. should be placed in front of the millage amount, for example: “0.4 mill,” not “.4 mill.”

Millage expressed as a whole number should read as “1 mill” or “2 mills,” rather than as a value followed by a decimal point and a zero. Using this format will help to avoid the possible reading of the preceding as a 10 mill or a 20 mill levy, respectively.
C. Purpose

The wording used to describe the purpose is generally the most difficult part of preparing ballot language. The subdivision’s resolution/ordinance must state the purpose of the question or issue. It is suggested that the subdivision’s resolution/ordinance contain the proposed statutory purpose wording, if applicable. When preparing language for the purpose that will appear on the ballot be sure that the language is clear, concise, does not express an opinion and is not misleading to the voters.

It is not necessary to repeat the name of the subdivision in the purpose. Doing so is redundant and only adds to ballot printing and advertising costs and is not necessary ballot language.

Note: Ballot language for levies for current expenses or current operating expenses under R.C. 5705.19(A) cannot list a specific limitation for the money.2

Correct purpose wording:

“... for the purpose of current expenses,” or
“... for the purpose of current operating expenses;”

Incorrect purpose wording:

“... for the purpose of current expenses for street lighting.”

A board may choose to use boldface type for the purpose wording of the questions or issues, even though it may not be required by statute. However, reader usability studies recommend that all capital letters not be used for text in ballot language, except when state law specifically requires it.

Note: The wording to be used for local liquor option questions is discussed in a separate section of this chapter beginning on page 1-16.

D. Condensed text

The questions and issues ballot need not contain the full text of the proposal submitted to the board of elections.\(^3\) A condensed text may be prepared by the board of elections to appear on the ballot, but must properly describe the question or issue. If a condensed text is used on the ballot, the full text of the proposed question or issue — together with the percentage of affirmative votes necessary for passage as required by law — shall be posted in each polling place in an area that is easily accessible to the voters. It is recommended that subdivisions avoid using condensed purpose wording in their resolutions or ordinances. Subdivisions should use the statutory purpose wording to enable boards of elections to prepare accurate ballot language. For example, a resolution for a proposed levy under \textit{R.C. 5705.19(I)} should state the appropriate statutory language for the intended purpose, not merely the words "fire protection."

\textbf{Note:} The text of the purpose of a bond issue should not be condensed.

E. Headings

The heading preceding each question or issue appearing on the ballot must include a brief title that is descriptive of the question or issue, such as “Proposed Tax Levy” or “Proposed Bond Issue.” The name of the subdivision, library, district, board or agency that may benefit from the question or issue is printed beneath that title. In addition, a brief statement of the percentage of affirmative votes necessary for passage is required.\(^4\)

See \textit{Ballot Templates (Appendix B)} in the back of this handbook for more information on the formats that must be used for presenting the question or issue on the ballot to the voters.

\(^3\) \textit{R.C. 3505.06.}  
\(^4\) \textit{R.C. 3505.06.}
F. Numbering

Although not required by state law, numbering questions and issues is a recommended practice. The numbering must be consecutive within the county. When a state issue appears on the ballot, local questions and issues will begin with the next consecutive number. The number assigned by the most populous county is not required to be carried over to a less populous county.

G. Multicounty subdivisions – most populous county

If a particular question or issue appears on the ballot in more than one county, the most populous county must promptly notify the board of elections in each overlapping county. Please see Chapter 4 of the Ohio Election Official Manual for details on timelines for communication regarding multicounty ballot questions and issues.

For a multi-county district election, the board of the most populous county must notify all other boards of elections in that district of the ballot questions and issues appearing on an upcoming election for that district.

However, each board of a less populous county also has a responsibility to track and know what districts overlaps onto its ballots and to seek out the information.

Boards of elections in a multi-county district must follow the specific notification procedure detailed in Chapter 4 of the Ohio Election Official Manual, which includes written notice from the most populous county to all less populous overlapping counties and a written return receipt.

The most populous county must also provide the approved ballot language to the board of each overlapping county. The board of each overlapping county must use the approved ballot format and language provided by the board of the most populous county. The question or issue must be presented on the ballot to all eligible voters in an identical manner.

5 R.C. 3505.071.
**Note:** The board of elections of each county that is part of one or more multi-county districts must maintain a current list of all districts and jurisdictions for which the county is the most populous and of all districts and jurisdictions for which another county is the most populous.

Although listing the names of all the counties involved in an overlap question or issue is not required, it is recommended that the board of elections for the most populous county list the names of all the counties affected by the issue or question in the ballot heading or in the language, when this information is necessary for clarification of the district.

- **Ballot heading example:**
  Proposed Tax Levy (Renewal)
  ABC School District
  X County, Y County and Z County

- **Ballot language example:**
  "A renewal of a tax for the benefit of ABC School District of X County, Y County and Z County … ."

It is possible that the ballot format received from the most populous county may conflict with the ballot format used by the board of another, less populous county. An example of conflicting county ballot formats would be as follows: the most populous county's format contains only numbers for the millage amount, number of years and dollars/cents; the less populous board’s ballot format uses both words and numbers for the millage amount, number of years and dollars/cents. A less populous county’s board cannot change the ballot format sent by the most populous county, with the following exception: if the most populous county has numbered its questions and issues, the assigned number is not required to carry over to the less populous county.
H. Election procedure when electors of only a portion of a precinct can vote

When a question or issue is submitted for the approval of the voters in a precinct where not all the voters are entitled to vote upon the question or issue, the board of elections may temporarily assign those voters who are entitled to vote on the question or issue to an adjoining precinct for that election.

When the adjoining precinct is located in another county, the board of elections must first obtain the consent and approval of the board of elections in the other county before making any assignment of voters. An assignment to a precinct in another county is only permitted if 200 or fewer voters will be assigned.\(^6\)

For all temporary assignments, the board must notify voters of the temporary location of a transferred polling place as soon as possible, but no later than 10 days before the election.

SUBMISSION TO SECRETARY OF STATE

Once a board of elections has prepared ballot language for a local question or issue, the language — accompanied by the appropriate documents (see below) — must be submitted to the Secretary of State’s Elections Division for review.

**Note:** The procedures for submitting the language for *local liquor option questions are discussed in a separate section of this chapter beginning on page 1-16.*

Boards of elections are encouraged to prepare their ballot language and submit it to the Secretary of State’s office as soon as possible after receiving the question or issue. To report local questions and issues to the Secretary of State’s office, boards of elections must submit the following:

1. Ohio Secretary of State *Form 126-C*, “Report Form on Local Questions and Issues.”

\(^6\) [R.C. 3503.01(B)]
2. A copy of the resolution, ordinance or petition and, if applicable, auditor’s certificate.

3. Proposed ballot language.

Please submit the appropriate report form with accompanying documents to the attention of Serena Henderson via e-mail: shenders@ohiosecretaryofstate.gov.

**Note:** Submitting the report form and/or accompanying documents to anyone in the Secretary of State’s office other than the person listed above or a person designated by the Elections Administrator will delay the process for approval of ballot language submission.

The Secretary of State’s office will provide an administrative review of the submitted ballot language and accompanying documents.

The administrative review consists of examining the ballot language to determine if the relevant information from the documents (i.e., supporting resolution, ordinance, or petition) that accompanied the ballot language submission matches the information in the submitted ballot language. For example: the subdivision’s resolution states the millage amount for a proposed tax levy is 5 mills; the ballot language must accurately reflect the 5 mills.

**BALLOT LANGUAGE RETURNED TO BOARD OF ELECTIONS**

The Secretary of State’s Elections Division will return the ballot language to the board of elections by e-mail after completing the administrative review. The returned ballot language may simply be initialed by the reviewer to indicate that the ballot language is approved as submitted. However, the returned ballot language may contain corrections or comments concerning the ballot language or the required accompanying documents.
• If corrections have been made to the proposed ballot language, it is not necessary to resubmit the corrected ballot language unless so noted by a reviewer.

• If the comment on the returned proposed ballot language is “approved to form only,” the wording of the submitted ballot language does not match statutory wording for that purpose. Contact the subdivision submitting the question/issue for clarification, or the administrator in the Secretary of State’s office who reviewed the ballot language for clarification on the purpose wording.

• If the comment on the returned proposed ballot language is “consult prosecutor or consult legal counsel,” the supporting resolution, ordinance or petition does not allow accurate ballot language to be determined or the filing does not meet requirements of R.C. 5705.03 (B). This information should be conveyed to the board members. Each board of elections must determine whether a particular issue remains on the ballot and/or to determine what action, if any, is necessary to address the situation. It may be helpful for boards faced with this decision to consult with appropriate legal advisors at the county level when making that decision.

Please note that comments provided on proposed ballot language do not imply that the question or issue cannot be placed on the ballot. As noted above, whether or not a question or issue remains on the ballot is a decision of the board members, made in a public meeting.

**ROTATION OF QUESTIONS/ISSUES ON BALLOT**

Local questions and issues are rotated annually. The order in which questions and issues are to appear on the ballot is provided in R.C. 3505.06. State issues, if any, always appear as the first group. Thereafter, the order of questions/issues will change with each calendar year in a four-year cycle.
The cycle for the order of questions/issues is as follows:

- 2013 and 2017: state; county; municipal; township; and school and other districts.
- 2014 and 2018: state; school and other districts; county; municipal; and township.
- 2015 and 2019: state; township; school and other districts; county; and municipal.
- 2016 and 2020: state; municipal; township; school and other districts; and county.

When a state issue is certified to the ballot, the particular order of state issues is certified to each board by the Secretary of State. The Secretary of State will issue an official directive to boards of elections providing the order of the state issues as part of the form of the official ballot for a primary or general election. The particular order of local questions or issues within a particular group is determined by the board of elections.

**NOTIFICATION AND POSTING OF BALLOT PROOFS**

After a board has received the approved ballot language from the Secretary of State’s office, the board should finalize its ballots for the preparation of the ballot proofs.

After a board of elections has produced or received proofs of the ballot for an election, the board must notify a designated representative for each group supporting and/or opposing the ballot issues that appear on the ballot that the ballot proofs are available for inspection and correction. For the purposes of this requirement, if no such representative has been designated, the board may contact the treasurer whose name appears on the designation of treasurer.

---

7 R.C. 3505.14.
form, if any, filed at the board of elections on behalf of the group or committee supporting or opposing the question or issue. A copy of the proof also should be provided to the public official who filed the issue on behalf of the appropriate district or jurisdiction.

The board shall post the ballot proofs for at least 24 hours in a publicly accessible place in the board office for inspection of any errors, and include instructions for notifying the board of any needed or requested correction(s), after which board personnel must review and correct any error.

If a correction is required at any stage of the proofing process, the board must repeat the above notification and posting requirements and ensure that, in correcting the error, another part of the ballot was not inadvertently changed.

The board of a less populous county must send a proof of its ballot containing the overlapping ballot question or issue to the board of the most populous county in the district. The board of the most populous county must review the proof submitted by the board of the less populous county and verify that the ballot question or issue as presented on the less populous county's proof matches that of the most populous county. The board of the most populous county in the district must confirm, in writing, to the board of each less populous county in the district whether the submitted proofs are acceptable or need to be revised.

**ADVERTISING**

In addition to the public posting of the proof of each question and issue, most questions and issues require legal advertising. The number of times and the method of advertising vary. Please consult the Comments column of Appendix A, *Quick Reference Guide*, for information on required advertising for each particular question and issue.
WITHDRAWAL OF QUESTION OR ISSUE FROM THE BALLOT

After ballot language has been submitted to the Secretary of State’s office, a board may receive a written notice of withdrawal from the subdivision submitting the question or issue. Please consult with your county prosecutor regarding any withdrawal of a local question or issue.

**Note:** If a board receives a timely withdrawal of a question or issue, please notify the Secretary of State’s office *promptly*. Please transmit a copy of the written withdrawal to the attention of Serena Henderson via e-mail: shenders@ohiosecretaryofstate.gov.

CERTIFICATION OF RESULTS

After a board has conducted its official canvass process and certified the official results of the election, the board must certify the results to the Secretary of State’s office. In most instances, this will require a board of elections to submit its official certification of results to the Secretary of State for its county and, when the county is also the most populous of a district or jurisdiction, the official certification for the multi-county issue. Boards of elections must follow the instructions outlined in Chapter 8 of the Ohio Election Official Manual.

After the most populous county has received the official certification of results from each of the less populous counties, the populous county of any jurisdiction must generate a separate report from its voting system, create a report outside of its voting system, or use a reporting form that is provided by the Secretary of State’s office under separate cover prior to the official canvass. This report must be clearly labeled “<County’s> Official Canvass – Most Populous County.” The report must include the total number of votes recorded for the office, question, or issues from each county in a multi-county jurisdiction and the sum total for all counties. The contest(s) for which a board is the most populous county must be marked to clearly identify it as a contest containing vote totals from other counties.

Updated May 2017
Note: Reporting form the certified results for local liquor option questions is discussed in a separate section of this chapter beginning on page 1-16.

Depending on the type of question or issue, a board of elections also must send certification of results to other offices. For the boards’ convenience, the Secretary of State’s office has prescribed administrative forms for reporting of results for some types of questions and issues. The master list of forms and the prescribed forms are available to boards of elections on the Secretary of State’s website. Only the most populous county for a multi-county question or issue must provide certification to the other offices listed below.

1. The board of elections must certify the results of an election on tax levies and bond issues to the following offices and agencies:
   a. The county auditor of each county in which the election was held.
   b. The fiscal officer of the subdivision in which the election was held.
   c. The Tax Commissioner of the State of Ohio at:
      Tax Equalization Division
      30 E. Broad St., 21st floor
      P. O. Box 530
      Columbus, OH 43216-0530
   d. The Secretary of State.

2. The board of elections must certify the results of an election on a school district income tax on Ohio Secretary of State Form 125-A to the following offices and agencies:
   a. The board of education that placed the issue on the ballot.
   b. The Tax Commissioner of the State of Ohio at:
      Tax Equalization Division
      30 E. Broad St., 21st floor
      P. O. Box 530
      Columbus, OH 43216-0530
   c. The Secretary of State.
LOCAL LIQUOR OPTION QUESTIONS

GENERALLY

Most local liquor option questions appear on the ballot by the timely filing of a valid local liquor option petition. A local liquor option petition must be filed by the 90th day before the day of a primary or general election. The board of elections must certify the validity and sufficiency of local liquor option petitions no later than 78 days before a primary or general election. A local liquor option question cannot be submitted to voters unless candidate offices appear on the ballot in the affected precinct(s).

Note: The question of the sale of spirituous liquor by the glass as provided in R.C. 4303.298 may appear only on the general election ballot. It cannot be submitted to voters at a primary election.

If a board submits ballot language for a local liquor option question prior to the board’s petition certification meeting, board staff must notify this office immediately if the board subsequently determines that the petition is invalid. Please send the notice of non-certification to the attention of Serena Henderson via e-mail: shenders@OhioSecretaryofState.gov.

Note: Please see the Guide to Local Liquor Option Elections for specific details on local liquor option petitions, procedures and elections, as well as other methods by which a local liquor option may be placed on the ballot.

---

8 Ohio Secretary of State Form 5-B.
**BALLOT LANGUAGE FORMAT**

**A. Purpose**

Generally, the wording of the particular question(s) on the local liquor option petition is the wording that will be used as ballot language. However, in accordance with the controlling statute, the wording that is included on petition Ohio Secretary of State **Form 5-R** to describe the type of sales that is permitted by a particular permit is not included in the ballot language. ⁹

Additional wording must appear on the ballot for questions submitted using local liquor option petition Ohio Secretary of State **Forms 5-P** and **5-Q**. The board of elections must include on the ballot a description of the portion of the precinct affected by the election.

The description must include either:

- The complete listing of street addresses in that portion.
- A condensed text that accurately describes the boundaries of the portion of the precinct by street name or by another name generally known by the residents of the portion of the precinct.

If other than a full street listing is used, the full street listing also must be posted in each polling place in a location that is easily accessible to all voters.

**B. Heading**

The heading for the local liquor option question should include a brief title descriptive of the question, such as “Local Liquor Option – Sunday Sales.” Boards may list the name of the precinct and/or the name of the subdivision beneath the title. In addition, the statement, “A majority affirmative vote is necessary for passage,” must be included in the heading.

---

⁹ R.C. 4301.355(B).
SUBMISSION TO SECRETARY OF STATE

After preparing the ballot language, the board of elections must report local liquor option questions to the Elections Division of the Secretary of State’s office by submitting the following:

1. Report Ohio Secretary of State Form 126-A.

2. A copy of the first page of one part-petition of the local liquor option petition, or, if applicable, resolution, ordinance or court order/judgment.

3. Proposed ballot language.

Please submit the report form with the accompanying documents to the attention of Serena Henderson via e-mail: shenders@OhioSecretaryofState.gov.

Note: Submitting the report form and/or accompanying documents to anyone in the Secretary of State’s office other than the person listed above or a person designated by the Elections Administrator will delay the process for approval of ballot language submission.

The Secretary of State’s office will provide an administrative review of the submitted ballot language and accompanying petition. The administrative review consists of examining the ballot language to determine if the relevant information from the local liquor option petition or other supporting documents (i.e., resolution, ordinance, court order/judgment) that accompanied the ballot language submission matches the information in the submitted ballot language. For example: A local liquor option petition states Sunday sales to begin at 10 a.m., the ballot language must accurately reflect the 10 a.m. beginning time for Sunday sales.
BALLOT LANGUAGE RETURNED TO BOARD OF ELECTIONS

The Elections Division will return the ballot language to the board of elections by e-mail after completing the administrative review. The returned ballot language may simply be initialed by the reviewer to indicate that the ballot language is approved as submitted. However, the returned ballot language may contain corrections or comments concerning the ballot language or the required accompanying documents.

- If corrections have been made to the proposed ballot language, it is not necessary to resubmit the corrected ballot language unless so noted by a reviewer.

- If the comment on the returned proposed ballot language is “approved to form only,” the wording of the submitted ballot language does not match statutory wording for that purpose. Contact the subdivision submitting the question/issue for clarification, or the administrator in the Secretary of State’s office who reviewed the ballot language for clarification on the purpose wording.

- If the comment on the returned proposed ballot language is “consult prosecutor or consult legal counsel,” the supporting petition, resolution or ordinance does not allow accurate ballot language to be determined. This information should be conveyed to the board members. Each board of elections must determine whether a particular issue remains on the ballot and/or to determine what action, if any, is necessary to address the situation. It may be helpful for boards faced with this decision to consult with appropriate legal advisors at the county level when making that decision.

**Note**: Comments provided on proposed ballot language do not imply that the question or issue cannot be placed on the ballot. As noted above, whether or not a question or issue remains on the ballot is a decision of the board members, made in a public meeting.
**ROTATION OF QUESTIONS ON BALLOT**

A local liquor option question is placed on the ballot in the grouping (municipal or township) in which the question appears on the ballot. That is, if the precinct is located in a city or village, the question is grouped with municipal questions and issues; if the precinct is located in a township, the question is grouped with township questions and issues. The order of local questions or issues within a particular group is determined by the board of elections. Please see section entitled “Rotation of Questions/Issues on the Ballot” on page 1-11 for more detailed information on proper rotation of questions on the ballot.

**NOTIFICATION AND POSTING OF BALLOT PROOFS**

After a board has received the approved ballot language from the Secretary of State’s office, it should finalize its ballots for the preparation of ballot proofs. After a board has produced or received proofs of the ballot for an election, the board must notify a designated representative for each group supporting and/or opposing the local liquor option questions that appear on the ballot that the ballot proofs are available for inspection and correction. For the purposes of this requirement, if no such representative has been designated, the board may contact the treasurer whose name appears on the designation of treasurer form, if any, filed at the board of elections on behalf of the group or committee. In addition, the local liquor option petitioner or the petitioner’s designated agent, if any, should be notified of the posting.

The board must post the ballot proofs for at least 24 hours in a publicly accessible place in the board office for inspection of any errors, and include instructions for notifying the board of any needed or requested correction(s), after which board personnel must review and correct any error.

If a correction is required at any stage of the proofing process, the board must

---

repeat the above notification and posting requirements and ensure that, in correcting the error, another part of the ballot was not inadvertently changed.

**ADVERTISING**

In addition to the public posting of the proof of each local liquor option question, boards must also include the local liquor option question in the board’s proclamation of the election required by **R.C. 3501.03**.

**CERTIFICATION OF RESULTS**

After a board has conducted its official canvass process and certified the official results of the election, the certification of results must be submitted to the Secretary of State’s office.

The board of elections also must certify the results of an election on local liquor option questions on Ohio Secretary of State **Form 126-B** to the following offices and agencies:

1. Division of Liquor Control  
   6606 Tussing Rd.  
   Reynoldsburg, OH 43068  
   **Note**: A plat of the precinct(s) showing and designating all streets, roads and highways in the precinct(s) must also accompany the certification.

2. The Ohio Secretary of State’s Elections Division.
FILING FEES FOR QUESTIONS AND ISSUES BY PETITION

Whoever seeks to propose a ballot question or issue to be submitted to the electors must pay a fee at the time the petition proposing the question is filed in a public office.

Note: A political subdivision or taxing authority is never charged a filing fee for placing an issue on the ballot by resolution or ordinance.

The filing fee must be collected by the public office at which the petition is filed.11

Following are the required filing fees for questions and issues proposed to be submitted to the electors by petition:

<table>
<thead>
<tr>
<th>Question Submitted To Electors of:</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>The entire state</td>
<td>$25</td>
</tr>
<tr>
<td>An entire county or a district that consists of all or part of two or more counties but less than the entire state</td>
<td>$15</td>
</tr>
<tr>
<td>An entire city</td>
<td>$12.50</td>
</tr>
<tr>
<td>A village, a township, a local, city, county, or exempted village school district, a precinct, or another district (other than an entire city) consisting of less than an entire county</td>
<td>$10</td>
</tr>
</tbody>
</table>

Public offices responsible for collecting these filing fees should consult with their county treasurer as to proper procedure for recording and depositing the fees. Filing fees collected for proposed questions and issues are deposited immediately with the state treasury to the credit of the Ohio Elections Commission Fund. All moneys credited to the fund are used solely for the purpose of paying expenses related to the operation of the Ohio Elections Commission.12

11 R.C 3513.10(B)(2) & (E).
12 R.C. 3513.10(E).
Chapter 2: Tax Levies

GENERALLY

The authority for levying taxes on real property, and for limiting or exempting certain types of real property from taxation, is set forth in Section 2 of Article XII of the Ohio Constitution:

“No property, taxed according to value, shall be so taxed in excess of one per cent of its true value in money for all state and local purposes, but laws may be passed authorizing additional taxes to be levied outside of such limitation, either when approved by at least a majority of the electors of the taxing district voting on such proposition, or when provided for by the charter of a municipal corporation. Land and improvements thereon shall be taxed by uniform rule according to value, except that laws may be passed to reduce taxes by providing for a reduction in value of the homestead of permanently and totally disabled residents, residents sixty-five years of age and older, and residents sixty years of age or older who are surviving spouses of deceased residents who were sixty-five years of age or older or permanently and totally disabled and receiving a reduction in the value of their homestead at the time of death, provided the surviving spouse continues to reside in a qualifying homestead, and providing for income and other qualifications to obtain such reduction. Without
limiting the general power, subject to the provisions of Article I of this constitution, to determine the subjects and methods of taxation or exemptions therefrom, general laws may be passed to exempt burying grounds, public school houses, houses used exclusively for public worship, institutions used exclusively for charitable purposes, and public property used exclusively for any public purpose, but all such laws shall be subject to alteration or repeal; and the value of all property so exempted shall, from time to time, be ascertained and published as may be directed by law."

Provisions throughout the Revised Code authorize taxing authorities of various political subdivisions to levy taxes for specific purposes and for specified periods of time. Appendix A contains the statutory authority for many of the subdivisions' taxing powers and purposes.

A. Ten-mill limitation

The language of Article XII, Section 2 provides the general authority for levying property taxes up to and including 10 mills – that is, “one per cent” of the property’s “true value in money” – without prior approval of the electorate. This chapter focuses on the levies that would exceed the “ten-mill limitation” and therefore be submitted to, and approved by, a vote of the people before they could be collected.

R.C. 5705.02 sets forth the statutory definition of the ten-mill limitation as follows:

The aggregate amount of taxes that may be levied on any taxable property in any subdivision or other taxing unit shall not in any one year exceed ten mills on each dollar of tax valuation of such subdivision or other taxing unit, except for taxes specifically authorized to be levied in excess thereof. The limitation provided by this section shall be known as the “ten-mill limitation,” and wherever said term is used in the Revised Code, it refers to and includes both the limitation imposed by this section and the limitation imposed by Section 2 of Article XII, Ohio Constitution.
B. Uniform tax levy laws

Although there are provisions throughout the Revised Code authorizing elections on property tax questions for particular purposes, the tax levies most frequently certified to the ballot are provided for in the uniform tax levy law contained in Revised Code Chapter 5705.

1. Definitions

*R.C. 5705.01* sets forth the definitions of certain terms used in Revised Code Chapter 5705, including the following, but not limited to:

- subdivision
- municipal corporation
- taxing authority or bond issuing authority
- fiscal officer
- permanent improvement or improvement
- current operating expenses and current expense
- debt charges
- taxing unit
- district authority
- tax list and tax duplicate
- property (as applied to a tax levy)
- association library district
- library district
- qualifying library levy
- school library district

Using these terms as they are defined in law promotes both compliance with the governing legal provisions and mutual understanding among election officials, taxing authorities and their legal counsel regarding the questions and issues to be submitted to the voters. Election officials must
apply these statutory definitions when preparing ballot language for resolutions or ordinances certifying tax issues to the ballot.

2. **Statutory taxing authorities**
   The taxing authority of any political subdivision may issue tax levies authorized in excess of the 10-mill limitation by a vote of the people under the applicable law, irrespective of all limitations on tax rate. The entity designated as the taxing authority for most political subdivisions is found in [R.C. 5705.01(C)](https://ohio 法律规定). For example, the board of county commissioners is designated as the taxing authority for the county. Other political subdivisions are designated a “taxing authority” for specific sections of [R.C. Chapter 5705](https://ohio 法律规定). For example, a board of education may be designated the taxing authority for a particular public library.

C. **Special elections**

1. **Definition**
   The term “special election” is defined in Ohio’s election law to mean “any election other than those elections defined in other divisions of this section.” The “other elections” defined in [R.C. 3501.01](https://ohio 法律规定) are the “general election,” “regular municipal election,” “regular state election,” “primary election” and “presidential primary election.”

   Because all “other elections” involve the nomination or election of candidates, the term “special election” generally has come to be accepted to mean an election on questions and issues. However, some provisions of Ohio’s election laws use the term “special election” in a different context; for example, the provisions relating to special elections held to fill vacancies in congressional nominations and offices.

2. **Dates of election**
   The statutory guidelines for when to hold special elections are set forth in

---

1. [R.C. 3501.01(D)](https://ohio 法律规定).
2. [R.C. 3513.301](https://ohio 法律规定).
3. [R.C. 3521.02, 3521.03](https://ohio 法律规定).
**Chapter 2: Tax Levies**

*R.C. 3501.01(D)* and *R.C. 3501.02(E)*. Those statutes, read together, provide that special elections may be held on the following dates:

- In non-presidential primary years, on the first Tuesday after the first Monday in May, August, and November, or on the day authorized by a particular municipal or county charter for the holding of a primary election.
- In a presidential primary year, on the second Tuesday after the first Monday in March (the day of the presidential primary election), or the first Tuesday after the first Monday in August and November. No special election shall be held in May of a presidential primary year, except as authorized by a municipal or county charter.

### TYPES OF REAL PROPERTY TAX LEVIES

Ohio law provides generally for three classifications of tax levies on real property:

**A. Additional levy**

The taxing authority may seek approval of a tax that the taxing authority is authorized to levy and which is not already being collected. This tax will be collected in addition to other existing taxes.

Absent legal authority providing otherwise, an additional levy must be submitted to voters at a general election. However, an additional levy authorized by *R.C. 5705.191* may be submitted at a general, primary, or special election on the day specified in the resolution.

---

4 *R.C. 5705.25.*

5 Please refer to 3. Special procedures for certain levies in subdivisions other than school districts on page 2-12.
B. Renewal levy

A taxing authority may propose to renew all or a portion of an existing tax that the taxing authority is authorized to levy. The tax will continue to be levied based on the same rate of real property valuation.

Generally, a renewal levy may be submitted to the voters at the general election held in the last year the tax to be renewed may be extended on the real and public utility property tax list and duplicate (the last tax year) or at any election in the ensuing year (the last collection year).\(^6\) Exceptions to the general rule limiting when a renewal levy may be placed on the ballot include resolutions to:

- Renew and increase, or renew part of, an existing levy that was imposed under R.C. 5705.191 to supplement the general fund for the purpose of making appropriations for one or more of the following purposes: public assistance, human or social services, relief, welfare, hospitalization, health, and support of general hospitals.

- Renew two or more existing levies imposed under R.C. 5705.222 or division (L) of R.C. 5705.19, or under R.C. 5705.21 or R.C. 5705.217. In this case, the question shall be submitted on the date of the general or primary election held during the last year that at least one of the levies to be renewed may be extended on the real and public utility property tax list and duplicate, or at any election held during the ensuing year. For purposes of this section, a levy shall be considered to be an existing levy through the year following the last year it can be placed on that tax list and duplicate.

---

\(^6\) R.C. 5705.25.
C. Replacement levy

1. Generally
   A taxing authority may propose to replace all or a portion of an existing tax that it is authorized to levy, with the exception of a school district emergency levy under R.C. 5705.194 to 5705.197. A replacement levy is a levy for the same purpose as an existing levy but with a different collection rate than the levy it replaces. For the purpose of R.C. 5705.192 only, a township board of park commissioners is considered a “taxing authority.”

   The taxing authority may propose to replace all or a portion of an existing levy:

   • At the collection rate at which it is authorized to be levied (replacement).
   • At a lesser rate (replacement and decrease).
   • At an increased rate (replacement and increase).

   Except as otherwise provided in R.C. 5705.192(B), a replacement levy is limited to the purpose of the existing levy and shall appear separately on the ballot from (and shall not be conjoined with) the renewal of any other levy. In the case of an existing school district levy imposed under R.C. 5705.21 for the purpose specified in R.C. 5705.19(F), or in the case of an existing school district levy imposed under R.C. 5705.217 for the acquisition, construction, enlargement, renovation, and financing of permanent improvements, the replacement for that existing levy may be for the same purpose or for the purpose of general permanent improvements as defined in R.C. 5705.21.

   The replacement for an existing levy imposed under division under R.C. 5705.19 (L) or R.C. 5705.222 may be for any purpose authorized for a levy imposed under R.C. 5705.222.

---

7 R.C. 5705.192.
2. **Basic requirements:**
   a. The proposed replacement levy must be for the same purpose as the original levy. (See exceptions listed above.)

   b. The proposed levy must be called a replacement levy and designated as such on the ballot.

   c. The resolution and ballot must state whether the levy is an increase, a decrease, or at the same rate as the original levy. The length of time must also be stated.

   d. A replacement levy may combine two or more existing levies, or any portion of those levies, as long as all of the existing levies are for the same purpose and expire the same tax year or all are for a continuing period of time.

   e. Ballot language is prescribed in R.C. 5705.192.  
      
3. **Timing of levy**
   a. For replacement of a levy for a fixed term of years, the election must be either the general election in the last tax year, or any election in the last collection year.

   b. For replacement of a levy for a continuing period of time, the election can be any time after the year the levy was originally approved, but there may be only one such election per calendar year. Failure of the voters to approve a replacement of a levy imposed for a continuing period of time does not terminate the existing continuing levy.

---

8 See Appendix B for suggested ballot language.
LENGTH OF LEVY

The time that taxes may be levied will vary, depending on the governing law. Some taxes may be levied only for a fixed number of years; others may be levied for either a fixed number of years or a continuing period of time. Elections officials must consult the statutes governing each tax levy that is certified to the ballot to ensure that the taxing authority’s resolution incorporates the correct length of time for levying the tax.

Most levies under R.C. 5705.19 may be levied for a period of up to five years. Levies under R.C. 5705.194 can be levied for a period of ten years or less. Levies under R.C. 5705.21 may be levied for a period up to five years, except for current expenses or general permanent improvements, in which case the tax may be levied for a continuing period of time.

PROCEDURE - REQUIREMENTS

The procedural steps required to submit to the voters a question about levying a property tax vary according to the purpose of the levy and the type of subdivision.

A. Basic procedural requirements

R.C. 5705.03(B) sets forth the basic procedural requirements to be followed by a taxing authority that wants to levy a tax outside the 10-mill limitation for any purpose authorized by the Revised Code.

As illustrated below, the order in which a taxing authority completes the statutory procedural requirements for having a tax levy placed on the ballot is “resolution – certification – resolution – certification:"

1. RESOLUTION of Necessity adopted by the Taxing Authority and certified to County Auditor
   The taxing authority must adopt a resolution or ordinance declaring it necessary to levy a tax outside the 10-mill limitation and requesting the
county auditor to certify to the taxing authority the total current tax valuation of the subdivision, and the number of mills required to generate a specified amount of revenue, or the dollar amount of revenue that would be generated by a specified number of mills.

The resolution or ordinance of necessity must include all the following:

- The purpose of the tax;
- Whether the tax is an additional levy, a renewal of an existing tax or a replacement of an existing tax or a renewal or replacement of an existing tax with an increase or decrease;
- The section of the Revised Code authorizing submission of the question of the tax for a particular purpose; e.g., R.C. 5705.19(A) for current expenses, R.C. 5705.194 for an emergency levy, etc.;
- The term of years of the tax or if the tax is for continuing period of time;
- That the tax is levied upon the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision to which the tax is to be levied;
- The date of the election at which the question of the tax shall appear on the ballot;
- That the ballot measure shall be submitted to the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision to which the ballot measure shall be submitted; and
- The tax year in which the tax will first be levied and the calendar year in which the tax will first be collected.

The taxing authority must certify its resolution of necessity or ordinance to the county auditor.
2. **CERTIFICATION by the County Auditor**

The county auditor must issue the certification to the taxing authority within 10 days after receiving the taxing authority’s resolution or ordinance requesting it. If the subdivision is located in more than one county, the county auditor must obtain from the county auditor of each other county in which the subdivision is located the current tax valuation for the portion of the subdivision in that county.

The procedures of R.C. 5705.03 are supplemental to, and not in derogation of, any similar requirement governing the certification by the county auditor of the tax valuation of a subdivision or necessary tax rates for the purposes of the submission of the question of a tax in excess of the 10-mill limitation, including R.C. 133.18 (issuance of general obligation bonds) and R.C. 5705.195 (school levies).

3. **RESOLUTION to Proceed of the Taxing Authority**

If, after receiving the certification from the county auditor, the taxing authority decides to submit the question of the tax to the voters, the taxing authority shall adopt a resolution or ordinance stating its intention to proceed with the ballot issue. The resolution to proceed shall include the rate of the tax levy, expressed in mills for each one dollar in tax valuation as estimated by the county auditor.

4. **CERTIFICATION by the Taxing Authority to the Board of Elections and County Auditor**

The taxing authority shall certify its resolution or ordinance to proceed, copy of the auditor’s certificate, and the resolution of necessity to the proper board of elections in the manner and within the time prescribed by the section of the Revised Code governing submission of the question. Most certifications to proceed will be governed by the time and manner provisions of R.C. 3501.02(F), which requires that any question or issue to be voted upon at an election shall be certified to the board of elections not later than 4 p.m. of the 90th day before the day of the election. Notwithstanding any provision of the Revised Code to the contrary, a
A political subdivision or other entity that certifies a question or issue to a board of elections for placement on the ballot shall make the certification in paper form. A board of elections shall not accept such certification in electronic form.\(^9\)

A copy of the county auditor’s certification must accompany the certified resolution to proceed when that resolution is filed with the board of elections. A board of elections is specifically prohibited from submitting the question of the tax to electors unless a copy of the county auditor’s certification accompanies the resolution or ordinance the taxing authority certifies to the board.\(^{10}\)

**B. Taxing authorities other than school districts, county school financing districts and lake facility authorities\(^{11}\)**

1. **Purposes**

   Many of the purposes for which a taxing authority other than a school district, county school financing district or lake facility authority may levy a tax are set forth in \(\text{R.C. 5705.19}\).

2. **Resolution to proceed\(^{12}\)**

   After complying with \(\text{R.C. 5705.03}\), the taxing authority shall adopt a resolution to proceed by a two-thirds vote of all its members and certify that resolution to the board of elections not later than 4 p.m. of the 90th day before the election upon which it will be voted. The resolution must conform to the following requirements:

   a. Be confined to one of the purposes, to which all revenue from the levy will be applied.

---

\(^10\) R.C. 5705.03.

\(^11\) See C under this heading for school districts and county financing districts.

\(^12\) R.C. 5705.03, R.C. 5705.19.
b. Declare that the amount of taxes which may be raised within the 10-mill limitation will be insufficient to provide for the necessary requirements of the subdivision and it is necessary to levy a tax in excess of the limitation.

c. State the purpose of the levy, the proposed rate in mills, the number of years during which the levy will be in effect, and the commencing tax year.

d. A majority vote is required for passage.

e. Although not required, it is recommended that the resolution to proceed set forth the section of the Revised Code that authorizes the tax. This information is necessary for the board of elections to prepare correct ballot language and format as prescribed in R.C. 5705.25.

3. Special procedures for certain levies in subdivisions other than school districts

R.C. 5705.191 allows subdivisions other than school districts and county school financing districts to request submission of a tax levy under special circumstances. The levy may be for any of the purposes authorized by R.C. 5705.19 or to supplement the general fund for the purpose of making appropriations for public assistance, human or social services, relief, welfare, hospitalization, health, and support of general or tuberculosis hospitals.

a. Resolution

The resolution to proceed must be adopted by a two-thirds vote of the members of the taxing authority of the subdivision and certified to the board of elections of the proper county no later than 4 p.m. of the 90th day before the election. The resolution must declare the amount of taxes which may be raised within the 10-mill limitation by levies on the current tax duplicate is insufficient, state the purpose,
and declare that an additional tax in excess of the limitation is necessary. The resolution cannot call for a levy on the current tax list unless the election is held prior to, or at, the general election.

b.  

Election

i.  The election may be held at a general, primary, or special election on the day specified in the resolution.

ii.  Only one special election for a levy authorized by R.C. 5705.191 may be held in any calendar year, and a special election may be held on the same day as a primary election.

iii.  The election must be conducted in the manner provided by R.C. 5705.25.

iv.  Levies authorized by R.C. 5705.191 require a majority vote for passage.

4.  Timing of election\(^{13}\)

A board of elections that timely receives the certified copy of a proper resolution must make the necessary arrangements for submitting the question to the voters of the subdivision.

Questions of additional taxes submitted to the voters under the authority of R.C. 5705.19 and 5705.191 will be placed on the ballot at the next general election or at times other than a general election as permitted by R.C. 5705.191.

\(^{13}\) R.C. 3501.02, R.C. 5705.25.
C. School districts

1. Regular (non-emergency) levy
   a. A board of education may submit a tax levy at a special, primary or general election by a vote of two-thirds of its members. The levy must be for a single purpose specified in divisions (A), (D), (F), (H) or (DD) of R.C. 5705.19: for general permanent improvements; for the purpose of operating a cultural center; for the purpose of providing for school safety and security; or for the purpose of providing education technology.

   b. The resolution must specify the date of the election, which may not be earlier than 90 days after adoption and certification of the resolution.

   c. The election may be held during a general, primary, or special election, but cannot be submitted to the voters more than three times in any calendar year.\(^{15}\)

   d. The number of years the levy is to be in effect must be specified and cannot exceed five unless the purpose of the levy is for current operating expenses or general permanent improvements, in which case the levy may also be for a continuing period of time.

   e. The amount of the increase in tax must be specified.

2. Municipal school district and partnering community schools
   a. The board of education of a municipal school district may levy a tax for the purpose of paying the current expenses of the district and of partnering community schools.

   **Note:** A qualifying school district that is not a municipal school district may allocate all levy proceeds to the partnering community schools.

---

\(^{14}\) R.C. 5705.21(A).

\(^{15}\) R.C. 5705.214.

\(^{16}\) R.C. 5705.21(B).
b. The question of the additional tax levy shall be submitted to the electors of the school district at a special election on a day specified in the resolution.

c. The resolution shall state the purpose of the levy, the rate of the tax expressed in mills per dollar of taxable value, the number of such mills to be levied for the current expenses of the partnering community schools and the number of such mills to be levied for the current expenses of the school district, the number of years the tax will be levied, and the first year the tax will be levied.

d. The number of years the tax may be levied may be any number not exceeding 10 years, or for a continuing period of time.

e. The form of the ballot for this ballot issue is set forth in R.C. 5705.21(B)(2).

f. The notice of election shall state the number of the mills to be levied for the current expenses of partnering community schools and the number of the mills to be levied for the current expenses of the municipal school district.

g. In the case of a resolution adopted under R.C. 5705.21(B), a levy for a continuing period of time may be reduced pursuant to R.C. 5705.261.

3. Emergency levy

R.C. 5705.194 permits a board of education to submit a tax levy in excess of the 10-mill limitation if the total revenue produced by authorized tax levies, plus state and federal assistance, will be insufficient to provide for the emergency requirements of the school district or to avoid an operating deficit. The resolution must specify a single purpose; the purposes are set forth in R.C. 5705.194.

---

17 R.C. 5705.194.
The resolution may be adopted at any time but a resolution under this section may not be submitted more than three times in one calendar year.\(^\text{18}\) The number of years in which the levy will be collected may not exceed 10.

A school district may renew an existing emergency levy. A single levy may be placed on the ballot during the last year it may be extended on the tax list and duplicate (the last “tax year”). The question may not appear on an August special election ballot during that year, but may appear at any election in the ensuing year (the last “collection year”).

Two or more existing levies for the same purpose may be included in a renewal levy. The combined levies may appear on the ballot at a primary or general election during the last year one of the levies being renewed is in its last year of extension on the tax list and duplicate or at any election in the ensuing year. The purpose of a renewal levy combining two or more levies may be either to provide for emergency requirements or to avoid an operating deficit, regardless of the original purpose.

The resolution must specify the date of holding the election, which cannot be earlier than 80 days after the adoption and certification of the resolution to the county auditor. The resolution must state the amount of money necessary for the specified purpose, the millage to be imposed, number of years the tax will be imposed and the date of the election.

If a renewal levy, the resolution must also state if the levy is to renew all or portion of the existing levy or an increase or renewing multiple levies.

\(\text{R.C. 5705.197}\) prescribes the form of the ballot. The purpose must be printed in bold face type, at least twice the size of the other text.

\(^{18}\text{R.C. 5705.214}\).
D. Special duties of board of elections

1. **Confirm the year in which a levy expires**
   While it is the responsibility of the taxing authority to know the last year a current levy appears on the tax duplicate, it is recommended that a board of elections obtain the county auditor’s list of tax levies in the final tax year and last collection year.

2. **Publication**
   The notice requirements for tax levy questions vary depending on the code sections under which they are submitted.\(^{19}\)
   
   a. **In general**, the provisions of **R.C. 5705.25(A)** will apply. This section requires the board of elections to publish notice of the election as follows:

   i. In a newspaper of general circulation in the subdivision once a week for two consecutive weeks, or as provided in **R.C. 7.16**, prior to the election.

   ii. If the board of elections operates and maintains a website, the board must post notice of the election on its website for 30 days before the election.

   The notice must state the purpose, the proposed increase in rate (expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation), the number of years during which the increase will be in effect, first month and year in which the tax will be levied, and the time and place of the election.

---

\(^{19}\) **See Appendix A.**
b. If the specific section authorizing the tax levy election is silent concerning public notification, R.C. 3501.03 applies. This section requires the board of elections to give public notice at least 10 days before the time for holding an election. The public may be notified by a proclamation, posted in a conspicuous place in the courthouse or city hall, or in a newspaper published in the county. If no newspaper is published in the county, then the proclamation must be published in any newspaper of general circulation within the county.
DECREASE OF INCREASED RATE OF LEVY

A. Levies subject to reduction

Any levy approved by the voters for a continuing period of time — and only levies approved for a continuing period of time — may be reduced (but not repealed or eliminated) in accordance with the provisions of R.C. 5705.261.

B. Petition

The question of decrease of an increased rate of a continuing period of time levy may be initiated by filing a petition (Ohio Secretary of State Form 6-R) with the board of elections not later than 4 p.m. of the 90th day before the general election in any year.

1. The petition must be signed by at least 10 percent of the total votes cast at the last gubernatorial general election in the subdivision.
2. The petition must state the amount of the proposed decrease in the rate.
3. Only one such petition may be filed during each five-year period following the election at which the voters approved the increased rate.
4. The board of elections has the duty to determine the validity of the petition pursuant to R.C. 3501.38.

C. Election

After determining that the petition is valid, the board of elections must submit the question of reduction in rate to the voters of the subdivision at the next general election.

1. The election must be conducted, canvassed and certified in the same manner as a regular subdivision election.

---

20 R.C. 5705.261.
21 State ex rel. Choices for South-Western City Schools v. Anthony (Ohio, 10-10-2005) 108 Ohio St.3d 1, 2005-Ohio-5362. DECISION: Writ denied.
22 See Filing fees in Chapter 1.
2. Notice of the election must be published as follows:
   a. In a newspaper of general circulation in the district once a week for two consecutive weeks, or as provided in R.C. 7.16, prior to the election.
   b. If the board of elections operates and maintains a website, the board must post notice of the election on its website for 30 days before the election.

   The notice must state the purpose of the special election, the amount of the proposed decrease in rate, and the time and place of the election.

3. The form of the ballot is prescribed by the Secretary of State.\(^\text{23}\)

4. A majority affirmative vote is required for passage.

5. The board of elections must certify the results of the election to the taxing authority immediately after the official canvass.

\(^{23}\) See Appendix B for suggested ballot language.
The general form of the tax levy ballots for levies authorized in the uniform tax levy law is prescribed in R.C. 5705.25.24

A. Title

The ballot must contain a title that briefly describes the issue, such as “Proposed Tax Levy (Additional),” and contains a brief statement of the percentage of affirmative votes necessary for passage, such as “A majority vote is necessary for passage.”25

B. Type of tax

The ballot must state whether the tax is an additional tax, a renewal, a renewal and increase, a renewal and reduction, a replacement, a replacement and increase, or a replacement and reduction. The appropriate amounts must be shown in each case.

C. Ballot language

The full text of the proposed tax levy need not appear on the ballot; the board of elections may use a condensed text that will properly describe the tax levy. However, if other than a full text is used, the full text of the tax levy, together with the percentage of affirmative votes necessary for passage, shall be posted in each polling place in some spot that is easily accessible to the voters.26

---

24 See Appendix B for suggested ballot language.
25 R.C. 3505.06(D).
26 R.C. 3505.06(E).
D. Separate propositions

Questions covered by resolutions initiated in accordance with the requirements of the various sections of R.C. Chapter 5705 must be submitted as separate propositions.

1. More than one question may be submitted at the same election.

2. Questions may be printed on the same ballot with any other proposition submitted at the same election, but not on the ballot for the election of officers.

3. If the levy is to be in effect for a continuing period of time, the notice of election and the form of ballot must state this and not set forth a specified number of years for the levy.
AUTHORITY

General authority and procedures for the issuance of bonds by the taxing authority of a political subdivision are set forth in the Uniform Bond Act. Bonds also may be issued under a number of statutes outside the Uniform Bond Act. Unless otherwise provided, the procedure to be followed in the authorization and issuance of bonds is the procedure described in the Uniform Bond Act.

DEFINITIONS

Two important terms used in the Uniform Bond Act are “subdivision” and “taxing authority.”

“Subdivision” is defined as any county, municipal corporation, township, school district, regional water and sewer district, county library district, regional library district, joint ambulance district, joint fire district, joint emergency medical services district, joint recreation district, detention home district, single or joint county juvenile facilities district, combined district for detention homes and juvenile facilities, joint solid waste management district, joint township district.

1 R.C. Chapter 133.
2 R.C. 133.01.
hospital district, township police district, township fire district, township fire and ambulance district, lake facility authority, or any other political subdivision, taxing district, or other local public body or agency authorized by Revised Code Chapter 133 or other laws to issue Chapter 133 securities.

“Taxing authority,” for purposes of this chapter, means the group within each subdivision that is authorized to issue bonds. Subdivisions and their taxing authorities are listed in the following chart:

<table>
<thead>
<tr>
<th>Subdivision</th>
<th>Taxing Authority</th>
</tr>
</thead>
<tbody>
<tr>
<td>County</td>
<td>County Commissioners or other legislative body of a county that has adopted a charter</td>
</tr>
<tr>
<td>Township</td>
<td>Township Trustees</td>
</tr>
<tr>

<td>District Board of Trustees</td>
</tr>
<tr>
<td>Fire and Ambulance District</td>
<td>District Board of Trustees</td>
</tr>
<tr>
<td>County Library/Regional Library</td>
<td>County Commissioners</td>
</tr>
</tbody>
</table>
It is also necessary to understand certain key terminology related to the purposes for which bonds may be issued:

- “Permanent improvement” means any property, asset or improvement certified by the fiscal officer as having an estimated useful life of five years or more.\(^3\)
- “Debt charges” means principal and interest and includes sinking fund and retirement charges on bonds, notes, or certificates of indebtedness.\(^4\)
- “Current operating expenses” or “current expenses” mean the lawful expenditures of a subdivision except for permanent improvement and payment of debt charges.\(^5\)

**SUBDIVISION BOND ISSUE PROCESS**

**A. Situations requiring election**

Although bonds may be issued for many purposes without an election, in the two following general situations, the taxing authorities must obtain prior approval of the voters. In every case, reference should be made to the provisions of the particular statute authorizing the bond issue.

---

\(^3\) [R.C. 133.01(CC)]

\(^4\) [R.C. 133.01(J)]

\(^5\) [R.C. 133.01(I)]
1. **Debt limitations of issuing authority**

   *Revised Code Sections 133.04 through 133.09* prescribe the net debt limitations for each political subdivision. The approval of the voters of each political subdivision is required in order to exceed these debt limitations unless otherwise provided.

2. **Debt requiring taxes in excess of the 10-mill limitation**

   *Article XII, Section 2 of the Ohio Constitution* and *R.C. 5705.02* limit the aggregate amount of taxes that may be levied on taxable property in any subdivision in any one year. The amount cannot exceed 10 mills on each dollar of tax valuation. Taxes in excess of this limitation may, however, be specifically authorized by the voters. Any bond issue which would require a tax levy in excess of these limits in order to pay the principal and interest on bonds must be submitted to the voters unless otherwise provided by a municipal charter.

**B. Resolution of necessity by issuing authority**

In order to seek the approval of electors for the issuance of bonds, the taxing authority must first prepare and pass legislation declaring:

1. The necessity of the bond issue.

2. The purpose of the bond issue.

3. The total amount of the bond issue.

4. The approximate date at which the bonds will mature.

5. The estimated interest rate of the bonds.

6. The maximum number of years over which the principal of the bonds may be paid.

7. The date of the election on the bond issue.

---

6 *R.C. 133.18(A), (B).*
8. The necessity to levy a tax outside the 10-mill limitation to pay the debt charges on the bonds and any anticipated securities.

C. Resolution certified to county auditor

After passing the resolution, the taxing authority must certify it to the county auditor. The county auditor “shall promptly calculate and advise” the average annual tax levy required to pay for the bonds. The auditor must confirm that advice by certifying the estimated annual tax levy, expressed in dollars and cents for each one hundred dollars of tax valuation as well as in mills for each dollar of tax valuation. The certificate must be returned to the taxing authority no later than 90 days before the election.

D. Resolution to proceed certified to boards of elections

After receiving the county auditor’s certification, the taxing authority may pass a resolution to proceed with submitting the question of issuance of the bond to the electors. The taxing authority must file with the county board of elections copies of the resolution of necessity, the auditor’s certification, and the resolution to proceed. This must be done not later than 4 p.m. of the 90th day before the day of the election at which the question of issuing such bonds is to appear on the ballot.

E. When submitted

The question of issuing bonds may be submitted at a general, primary or special election. The resolution must state the date of the authorized election.

---

7 R.C. 133.18(C).
8 R.C. 133.18(D).
F. Ballot; Vote required

The form of the ballot is described in R.C. 133.18(F). The approval of a majority of the electors voting on the issue is required for passage.10

Note: For a bond issue for a soldiers’ memorial building, an affirmative vote of 60 percent is required.11

DUTIES OF THE BOARDS OF ELECTIONS

A. Publication of election notice - Generally12

Before the question of issuing bonds can be placed before the voters, notice of the election must be published in one or more newspapers of general circulation in the subdivision at least once no later than 10 days prior to the election. Such notice must specifically state:

1. The principal amount of the proposed bond issue.
2. The stated purpose for which the bonds are to be issued.
3. The maximum number of years over which the principal of the bonds may be paid.
4. The estimated average additional tax levy, expressed in dollars and cents for each one hundred dollars of valuation as well as in mills for each one dollar of valuation, to be levied outside the constitutional 10 mill limit.
5. The first calendar year in which the tax is expected to be due.

9 See Appendix B for suggested ballot language.
10 R.C. 133.18(H).
11 R.C. 345.02.
12 R.C. 133.18(E)(3).
B. Special notice requirements

The following bonds have special notice requirements:

1. The question of issuing bonds in payment of indebtedness and for general and disability assistance requires that publication of the notice of election be made as follows:
   a. Either on two separate days before the election in a newspaper of general circulation in the subdivision, or as provided in R.C. 7.16, and
   b. On the board of elections’ website for 30 days before the election.\(^\text{13}\)

2. The question of issuing bonds to finance the acquisition and or establishment of a soldiers’ memorial building must be published at least once, not fewer than two weeks before the election at which the question is to be submitted to the voters.\(^\text{14}\)

C. Ballot form and substance\(^\text{15}\)

Ballot language for the question of issuing bonds is prescribed in R.C. 133.18(F). Examples of the ballot form are provided in Appendix B of this handbook.

The ballot language must include the following information:

1. The name of the subdivision on whose behalf the bonds are to be issued.

2. The purpose for which the bonds are to be issued, which must be printed in boldface type.

3. The amount of the bond issue.

\(^{13}\) R.C. 131.23(G).
\(^{14}\) R.C. 345.03.
\(^{15}\) R.C. 133.18(F).
4. The amount of the tax levy outside the 10-mill limitation, as calculated by the county auditor. The amount must be expressed in terms of both the number of mills for each one dollar of valuation of taxable property and in dollars and cents for each one hundred dollars of valuation of taxable property within the subdivision.

5. The purpose of a bond issue should be presented to the voters as it is listed in the resolution. An attempt at condensing the purpose of a bond issue for the ballot or notice of election may invalidate the bond proceedings if the condensed language does not meet a court’s interpretation as a sufficient and proper description of the purpose.

6. The maximum number of years necessary to pay the principal and interest on the bonds.

7. The first year the tax commences and the first calendar year in which the tax is expected to be due.

D. Counting of ballots: Results

The board of elections must certify the results of an election on the question of issuing bonds to the following offices and agencies:

1. The county auditor of each county in which the election is held.
2. The fiscal officer of the subdivision in which the election is held.
3. The Tax Commissioner of the State of Ohio.
4. The Secretary of State.

16 R.C. 133.18(G).
17 R.C. 3505.33.
Chapter 4

Income Tax for Municipal Corporations and School Districts

Chapter 4: Income Tax for Municipal Corporations and School Districts

AUTHORITY TO LEVY

General authority to levy an income tax is found in Article XII, Section 3(B) of the Ohio Constitution, which states:

Laws may be passed providing for . . . [t]he taxation of incomes, and the rates of such taxation may be either uniform or graduated, and may be applied to such incomes and with such exemptions as may be provided by law.

Article XII, Section 5 of the Ohio Constitution requires that every law imposing a tax must “distinctly” state the purpose of the tax and provides that the proceeds of the tax may only be used for that stated purpose.

The Ohio Constitution grants the authority to the General Assembly to pass laws providing for income taxes. Consequently, the provisions of the Ohio Constitution and those sections of the Ohio Revised Code relating to municipal income taxes, sections 718.01 to 718.10, apply to charter and noncharter municipal corporations.
MUNICIPAL CORPORATIONS

A. Election procedure

An election is required in all cases where a municipal corporation seeks to tax income at a rate in excess of 1 percent.

The general procedure for submitting the question of a municipal income tax to the voters is as follows:

1. **Ordinance and resolution**
   The legislative authority of the municipal corporation wishing to impose an income tax greater than 1 percent must pass an ordinance authorizing the income tax.

   Additionally, the legislative authority must pass a resolution stating the rate of the income tax (as a percentage), the purpose of the income tax, the date of the election at which the question is to be put before the voters, and directing the board of elections to conduct the election.

2. **Filing with board of elections**
   The legislative authority of a municipal corporation established under the statutory form of government must file a copy of the ordinance and the resolution with the board of elections no later than 90 days before the day of the election. A municipal corporation operating under a charter must check the provisions of the charter for the filing deadline, which may differ from that in the Revised Code. The question may be submitted at a general, primary or special election.

3. **Uniform rate of taxation**
   Article XII, Section 3(B) of the Ohio Constitution provides that income taxes may be either uniform or graduated. R.C. 718.04(C), however, provides that municipal corporations may tax income only at a uniform rate.

---

1. R.C. 718.04.
2. R.C. 718.04(C).
4. **Ballot language**

   The ballot language for the question of a municipal income tax is statutorily prescribed\(^3\) as follows:

   Shall the Ordinance providing for a _____ per cent levy on income for (Brief description of the purpose of the proposed levy) be passed?

   FOR THE INCOME TAX
   AGAINST THE INCOME TAX

   The approval of a majority of those voting on the issue is required for passage.\(^4\)

   **Note:** If a municipal corporation wants to continue to collect an income tax that was previously approved for a specified number of years, the board of elections may insert after, “Shall the ordinance providing,” the words “for the continuation of an existing ___ per cent levy... .”

**B. Proposed municipal income tax for school districts**

In general, **R.C. 718.09** and **718.10** apply to an income tax that is proposed by one or more municipal corporations and shared with a school district in which the municipal corporation(s) and school district are at least 95 percent conterminous.\(^5\)

The following procedure must be used to enact a municipal income tax for a school district:

1. Before proposing the tax, the municipal legislative authority shall negotiate and enter into a written agreement with the board of

---

\(^3\) R.C. 718.04(C).

\(^4\) See Appendix B for suggested ballot language.

\(^5\) R.C. 718.10(A) states: “This section applies to a group of two or more municipal corporations that, taken together, share the same territory as a single city, local, or exempted village school district, to the extent that not more than five per cent of the territory of the municipal corporations as a group is located outside the school district and not more than five per cent of the territory of the school district is located outside the municipal corporations as a group.”
education of the school district, specifying the tax rate, the percentage of revenue to be paid to the school district, the purpose for which the school district will use the money, the first year the tax is to be levied, the date of the election and the method and schedule for payments to the school district by the municipal corporation.

The question may be submitted at a general, primary or special election. Additionally, the election may be held on the day of a primary election authorized under the municipal corporation’s charter, if the municipal corporation is to have a primary election on that day. In the case of two or more municipal corporations submitting the issue to the voters, the election may be held on a day on which all of the municipal corporations are to have a primary election.\(^6\)

2. After the agreement between the two subdivisions is made, the municipal legislative authority shall adopt an ordinance with provisions as stated in its agreement with the board of education. The ordinance will be filed with the board of elections no later than 90 days prior to the election.\(^7\)

3. The board of elections will arrange for the election on the question and conduct the election in the same manner as any other municipal income tax election. In addition, a notice of election must be published in a newspaper of general circulation in the municipal corporation once a week for four consecutive weeks, or as provided in \(\text{R.C. 7.16}\), prior to the election.\(^8\)

4. **Ballot Language**

The ballot form and language for the question of the levy of a municipal income tax to be shared by a single municipal corporation with a school district is prescribed in \(\text{R.C. 718.09(C)}\) as follows:

\(^6\) \(\text{R.C. 718.09(B)}\).
\(^7\) \(\text{R.C. 718.09(B)}\).
\(^8\) \(\text{R.C. 718.09(C)}\).
Shall the ordinance providing for a ___ per cent levy on income for (brief description of the municipal corporation and school district purposes of the levy, including a statement of the percentage of tax revenue that will be paid to the school district) be passed? The income tax, if approved, will not be levied on the incomes of individuals who do not reside in (the name of the municipal corporation).

FOR THE INCOME TAX
AGAINST THE INCOME TAX

The ballot form and language for the question of the levy of a municipal income tax to be shared by a multiple municipal corporations with a school district is prescribed in R.C. 718.10(C) as follows:

Shall the ordinance providing for a ___ per cent levy on income for (brief description of the municipal corporation and school district purposes of the levy, including a statement of the percentage of tax revenue that will be paid to the school district) be passed? The income tax, if approved, will not be levied on the incomes of individuals who do not reside in (the name of the municipal corporation). In order for the income tax to be levied, the voters of (the other municipal corporations in the group), which are also in the (name of the school district) school district, must approve an identical income tax and agree to pay the same percentage of the tax revenue to the school district.

FOR THE INCOME TAX
AGAINST THE INCOME TAX

The approval of a majority of those voting on the issue is required for passage.⁹

⁹ See Appendix B for suggested ballot language.
SCHOOL DISTRICTS

A. Election procedure

The general procedure for a board of education to submit the question of a school district income tax question is as follows:

1. The board of education of any school district, except a joint vocational school district, must pass a resolution declaring the necessity to raise annually a specified amount of money for school district purposes. The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in R.C. 5748.01(E)(1)(a) and (E)(2), or taxable income of individuals as defined in R.C. 5748.01(E)(1)(b).

2. The board of education must then certify a copy of the resolution to the tax commissioner not later than 100 days prior to the election.

3. The tax commissioner, upon receipt of the resolution shall:
   a. Estimate the property tax rate that would have to be imposed in the current year to produce the equivalent of the amount of money specified in the resolution.
   b. Estimate the income tax rate that would have had to have been in effect for the current year to produce an equivalent amount of money.
   c. Certify these estimates to the board of education within 10 days of receipt of the board’s resolution.

4. Upon receipt of the certified estimates from the tax commissioner, a majority of the members of the board of education may adopt a resolution proposing an income tax. The resolution shall state:

   10 R.C. 5748.02 - 5748.03.
a. The purpose for which the tax is to be imposed.

b. The specific number of years for which the tax will be imposed or that the tax will be imposed for a continuing period of time.

c. The amount of the proposed income tax at the rate estimated by the tax commissioner and rounded to the nearest one-fourth of 1 percent.

d. The effective date of the tax, which shall be the January 1st following any year in which the question is approved.

e. The date of the election at which the question shall be submitted to the electors.

f. Specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in R.C. 5748.01(E)(1)(a) and (2) or taxable income of individuals as defined in R.C. 5748.01(E)(1)(b).

5. The resolution must be filed with the board of elections no later than 90 days prior to the election. The question may be submitted at a general, primary, or special election. The question may not be submitted more than twice in any calendar year. If the question is submitted twice in one calendar year, one of the elections at which it is submitted must be the general election.

B. School district income tax with reduction of property tax

Another provision for a school district income tax permits a board of education to propose, as a single ballot issue, the simultaneous imposition of a continuing school district income tax limited to the purpose of current expenses, and a reduction in the rate of one or more continuing property tax levies.\[^{11}\] A resolution proposing this type of tax must include the elements listed above and must state for each property tax the maximum rate at which it currently may be levied and

\[^{11}\] R.C. 5748.02 - 5748.03.
the maximum rate at which it could be levied after the proposed reduction, expressed in mills per one dollar of valuation, and that the tax is levied for a continuing period of time.\textsuperscript{12}

\textbf{C. Replacement tax}\textsuperscript{13}

This provision permits a board of education to propose, as a single ballot issue, the replacement of an existing tax on the school district income of individuals and estates as defined in divisions \textit{(E)(1)(a), (E)(2) and (G) of R.C. 5748.01} with the levy of an annual tax on the school district income of individuals as defined in divisions \textit{(E)(1)(b) and (G)(1) of R.C. 5748.01}.

The general procedure for submitting the question of a replacement tax is as follows:

1. A resolution proposing the replacement tax must be certified to the tax commissioner not later than 85 days before the election.

2. The tax commissioner, upon receipt of the resolution, shall estimate the tax rate required to produce the amount of money annually as specified in the resolution.

3. Upon receipt of the certified estimates, a majority of the members of the board of education may adopt a resolution to replace the existing tax; the resolution shall state the following:
   a. The rate of tax.
   b. The specific number of years for which the tax will be imposed, or that the tax will be imposed for a continuing period of time.
   c. The date of the election.
   d. The specified purpose, which must be the same as the existing tax.

\textsuperscript{12} \textit{See Appendix B for suggested ballot language.}
\textsuperscript{13} \textit{R.C. 5748.021.}
e. The existing tax will cease to be levied if the replacement tax is approved.

f. The existing tax will remain in effect for the remainder of the previously approved term if the replacement levy is not approved.

D. Repeal of a school district income tax by initiative petition\(^\text{14}\)

The question of the repeal of an income tax that was levied for more than five years is subject to the following requirements:

1. It must be initiated by a petition (Ohio Secretary of State Form 6-S) signed by qualified electors of the school district equal in number to 10 percent of those voting for governor at the most recent gubernatorial election.\(^\text{15}\)

2. It may be submitted only at a general election.

3. It may not be initiated more than once in any five-year period;

4. It must follow the form of the ballot language found in R.C. 5748.04.

5. Notice of the election must be made as follows:
   a. Either on two separate days in a newspaper of general circulation in the subdivision, or as provided in R.C. 7.16, before the election, and
   b. On the board of elections’ website for 30 days before the election.

6. It must receive a majority affirmative vote for passage.

\(^{14}\) R.C. 5748.04.

\(^{15}\) See Filing fees in Chapter 1.
DEFINITION

Ohio law permits counties and municipalities to levy additional taxes on certain objects or activities beyond the taxes that the state may levy on those subjects. These optional taxes are generally referred to as permissive sales or excise tax levies.

PROCEDURES FOR LEVYING PERMISSIVE SALES/EXCISE TAXES

A. Resolution

To levy a tax, the taxing authority for the relevant subdivision first must adopt a resolution. Generally, the resolution must state the purpose for which the tax is to be levied and the number of years for which the tax is to be levied, or that it is for a continuing period of time. If the tax is to be levied for certain purposes, the resolution may be required to state the rate or amount of the tax to be apportioned to each purpose.

Not all tax levies are submitted to the voters for approval. Depending on the applicable law, the taxing authority may levy certain taxes without submitting the question to the voters simply by passing a resolution to impose the tax.

1 See the sections of the Revised Code that apply to each tax.
However, a tax that is not submitted to the electorate is subject to a referendum unless the resolution is passed as an emergency measure by a unanimous vote of the taxing authority. Even then, a resolution to levy a tax that is passed as an emergency is subject to repeal.

When a subdivision seeks to levy a permissive sales tax, it must also adopt an accompanying use tax. The use tax remains in effect until the sales tax is repealed.\(^2\) The resolution of the taxing authority must provide for both the sales tax and the use tax.

**B. Public hearing\(^3\)**

If the taxing authority is the board of county commissioners, public hearings are required as follows:

1. The board of county commissioners must conduct two public hearings before adopting the resolution. The second hearing must be held not less than three days, nor more than 10 days, after the first hearing.

2. The board of county commissioners must publish notice of the date, time, and place of the hearing in a newspaper of general circulation in the county once a week on the same day of the week for two consecutive weeks, or as provided in R.C. 7.16. The second notice must be published not less than 10 days, nor more than 30 days, before the first hearing.

**Note:** If the tax is in whole or in part for the purpose of criminal and administrative justice services, the commissioners must, after the first public hearing, prepare a statement that contains all the following information:\(^4\)

   a. The amount of the expenditures made by the county for criminal and administrative justice services for the preceding two fiscal years.

---

\(^2\) R.C. 5739.021(E), 5741.022(A), 5739.026(F).

\(^3\) See sections of the Revised Code that apply to the particular tax.

\(^4\) R.C. 5739.021(G).
b. The estimated amount of expenditures the county will make for criminal and administrative justice services during the current year.

c. The board of county commissioners’ preliminary plan for the expenditures to be made from the county’s general fund for criminal and administrative justice services, whether or not the proposed tax passes.

C. Election

1. In its resolution, the board of county commissioners may direct the board of elections to submit to the voters of the county the question of whether to impose or to increase the tax. If the resolution is passed as a non-emergency measure, the question of imposing or increasing the tax may be submitted at a general or primary election that occurs 90 days after a certified copy of the resolution is transmitted to the board of elections.

2. If the resolution is passed as an emergency measure pursuant to R.C. 5739.021 or R.C. 5739.026(A), the board of county commissioners may direct the board of elections to place on the ballot the question of repealing the tax or the increased tax rate. This question may only be placed on the ballot on the day of a general election that occurs at least 90 days after a certified copy of the resolution is transmitted to the board of elections.

3. A non-emergency tax must be approved by a majority vote. The repeal of an emergency tax also must be approved by a majority vote.

D. Ballot language

Generally, a ballot question on the imposition of a permissive tax must identify the subdivision seeking to levy the tax, the purpose of the tax, the rate of the tax, and the length for which the tax will be imposed. Appendix B contains sample ballot language.
REFERENDUM AND REPEAL OF PERMISSIVE TAXES

The electors can use a referendum to prevent a non-emergency tax from going into effect 30 days after the resolution was adopted. An emergency tax is not subject to the referendum, but can be repealed by petition.\(^5\)

Unless passed by unanimous vote as an emergency measure, the following permissive taxes levied by the county commissioners are subject to the referendum:

1. Real property transfer tax.\(^6\)
2. Utilities service tax.\(^7\)
3. Annual motor vehicle license tax.\(^8\)
4. Sales/use taxes\(^9\) for general county revenue or supporting criminal and administration justice services.\(^10\)
5. Sales/use tax levies for county’s general fund.\(^11\)

A. Referendum

1. Referendum petition requirements\(^12\)
   
a. Form of petition
      
The petition need not be in any particular form so long as it satisfies the requirements of \textbf{R.C. 305.31 - 305.41, 3501.38}, and \textbf{3503.06(B) & (C)}. Petitioners may use Ohio Secretary of State \textbf{Form 6-K}.  

\(^5\) \textbf{R.C. 5739.} 
\(^6\) \textbf{R.C. 322.02.} 
\(^7\) \textbf{R.C. 324.02.} 
\(^8\) \textbf{R.C. 4504.02, 4504.06.} 
\(^9\) A use tax always must be adopted jointly with a sales tax, and vice versa. 
\(^10\) \textbf{R.C. 5739.021, 5741.021.} 
\(^11\) \textbf{R.C. 5739.026(A)(3), 5741.023.} 
\(^12\) \textbf{R.C. 305.31 - 305.41, 3501.38.}
b. **Text of the petition**
The referendum petition must request that the resolution levying the tax be submitted to the electors of the county for approval or rejection.

c. **Signature Requirement**
The petition must be signed by at least 10 percent of the number of electors who voted for governor in the county at the last gubernatorial election, unless the petition concerns a resolution passed pursuant to R.C. 307.697(D)(1), 4301.421(B)(1), or 5743.024(C)(1). In those cases, the petition must be signed by at least 7 percent of the number of electors who voted for governor in the county at the last gubernatorial election.\(^{13}\)

d. **Signers**
Each signer of the petition must be an elector in the county in which the election is to be held.\(^{14}\)

e. **Signer Identification**
Each signer must place on the petition his or her signature, the date of signing and his or her voting residence address. The signer’s voting residence address on the petition must match the address on file with the county board of elections as of the date the petition is filed.\(^{15}\)

f. **Part-petitions**
The petition may be presented in separate parts, but each part must contain a full and correct copy of the title and the text of the resolution to be referred.\(^{16}\)

---

\(^{13}\) R.C. 305.31.

\(^{14}\) R.C. 3501.38(A).

\(^{15}\) R.C. 3501.38(C).

\(^{16}\) R.C. 305.32.
g.  **Penalty Notice**

Each part of the petition must have at the top the following words **printed in red:**

“NOTICE: Whoever knowingly signs this petition more than once, signs a name other than his own, or signs when not a legal voter is liable to prosecution.”\(^{17}\)

On each part-petition, the circulator must indicate how many signatures the petition contains. The circulator also must sign a statement, made under penalty of election falsification, that he or she witnessed the affixing of every signature, and that to the best of his or her knowledge and belief, all signers were qualified to sign, and every signature is the signature of the person it purports to be.\(^{18}\)

2. **Referendum petition filing and certification requirements**\(^{19}\)

a.  **Certified copy of resolution**

Prior to circulating a referendum petition, a certified copy of the resolution must be filed with the county auditor and the board of elections. A “certified copy” means a copy containing a written statement attesting that it is a true and exact reproduction of the original resolution that was adopted.\(^{20}\)

b.  **Filing committee**

The petitioners may designate in any referendum petition a committee of not fewer than three of their number to be regarded as filing the petition.\(^{21}\)

\(^{17}\) R.C. 305.34.

\(^{18}\) R.C. 3501.38(E)(1).

\(^{19}\) R.C. 305.31 - 305.41, 3501.38.

\(^{20}\) R.C. 305.33.

\(^{21}\) R.C. 305.35.
c. **Filing of the petition - Filing fee**

Generally, the petition and statutory filing fee\(^{22}\) must be filed with the county auditor within 30 days after the resolution levying the tax is passed by the county commissioners. See [R.C. 305.31](https://www.ohiosenate.gov/legislation anno/2021/PubLaws/2018/HB384) for the special 45-day period regarding a referendum under [R.C. 5739.021](https://www.ohiosenate.gov/legislation anno/2021/PubLaws/2018/HB384).\(^{23}\)

The auditor must immediately pay the filing fee to the credit of the Ohio Elections Commission.\(^{24}\)

d. **Public inspection**

After the petition has been filed with the county auditor, it must be kept open for public inspection for 10 days.\(^{25}\)

e. **Alterations**

No person may directly or indirectly alter, add to, or erase any signatures or names on any part of a petition after the petition has been filed in any public office.\(^{26}\)

f. **Transmission of petition**

After the 10-day public inspection period, the auditor must transmit the petition and certified copy of the resolution to the board of elections. The board must examine the petition and, within 10 days of receiving it, return the petition, along with a statement as to the number of electors who signed the petition, to the auditor.\(^{27}\)

g. **Certification to board of elections**

The county auditor has the original responsibility for determining the validity and sufficiency of the petition.\(^{28}\)

---

\(^{23}\) See Filing fees in Chapter 1.
Chapter 5: Permissive Sales and Excise Tax Levies

The board of elections must submit the resolution for approval or rejection by the electors at the next general election in any year, or on the day of the next succeeding primary election held in the county in even-numbered years, occurring more than 90 days after the auditor certifies the sufficiency and validity of the petitions to the board of elections.\(^{29}\)

h. **Statement of expenditures\(^{30}\)**

The circulator of a referendum petition or his agent must, within five days after the petition is filed with the county auditor, file a statement under penalty of election falsification showing in detail:

i. All moneys or things of value paid, given, or promised for circulating the petition.

ii. Full name and addresses of all persons who contributed anything of value to be used in circulating the petitions.

iii. Full name and addresses of all persons to whom the payments or promises were made.

iv. Time spent and salaries earned while circulating or soliciting signatures to petitions by persons who were regular salaried employees of some person who authorized them to solicit signatures for or circulate the petition as part of their regular duties.

A statement of expenditure is not required from persons who take no part in circulating a petition other than signing declarations to parts of the petition and soliciting signatures to them. The statement is open to public inspection for a period of one year.

\(^{29}\) *R.C. 305.31.\(^{30}\) *R.C. 305.36.*
i. **Ballot Language**
   See Appendix B for sample ballot language.

j. **Repeal of the resolution**
   If the county commissioners repeal the resolution after a verified referendum petition has been filed against it (rendering the referendum moot), or if the resolution is declared invalid, the board of elections cannot submit the resolution to the voters.

**B. Repeal**

1. Permissive taxes passed as emergency measures are not subject to the referendum. An emergency measure is one which is passed by a unanimous vote of the commissioners for the preservation of public peace, health or safety and contains a statement of necessity.

   An emergency measure may, however, be repealed by an election. An election to repeal an emergency levy may be initiated by filing a petition (for example, Ohio Secretary of State Form 6-L) with the board of elections. The petition must be filed at least 90 days before the general election in any year, and must be signed by not less than 10 percent of the number of electors who voted for governor in the most recent gubernatorial election in the county.31

2. Petition requirements are the same for an initiative to repeal a permissive tax as for a referendum on such a tax. (See “A. Referendum,” above.)

3. If the petition is valid, the board must submit the question to the voters at the next general election.

4. Notice of the election must be as follows:

   a. Either published in a newspaper of general circulation in the district at least once a week for two consecutive weeks, or as provided in R.C. 7.16, before the election, and

   31 See Filing fees in Chapter 1.
b. On the board of elections’ website for 30 days before the election.

5. See Appendix B for sample ballot language.

6. A majority vote is necessary to repeal. If a tax is repealed by the electors, the repeal is effective after the current year.

7. The permissive taxes that are subject to an election to repeal are:
   a. Real property transfer tax.\(^{32}\)
   b. Utilities service tax.\(^{33}\)
   c. Annual motor vehicle license tax.\(^{34}\)
   d. Sales/use taxes\(^{35}\) for general county revenue or supporting criminal and administration justice services.\(^{36}\)
   e. Sales/use tax levy for county’s general fund.\(^{37}\)

C. Decrease of an increased rate of tax levied for a continuing period of time

Any levy approved by the voters for a continuing period of time may be reduced in accordance with the procedure provided in \textit{R.C. 5705.261}.\(^{38}\)

---

\(^{32}\) \textit{R.C. 322.021}.  
\(^{33}\) \textit{R.C. 324.021}.  
\(^{34}\) \textit{R.C. 4504.021}.  
\(^{35}\) A use tax always must be adopted jointly with a sales tax, and vice versa.  
\(^{36}\) \textit{R.C. 5739.022}.  
\(^{37}\) \textit{R.C. 5739.022} or \textit{R.C. 5739.026(D)(2)(b)}.  
\(^{38}\) Please see Chapter 2 of this handbook for the proper petition procedure.
DETAILS OF PARTICULAR TAXES

A. Conditions for levying a municipal annual motor vehicle license tax\(^{39}\)

A municipality may levy an annual motor vehicle tax of five dollars per vehicle for certain specified statutory purposes.\(^ {40}\) Such a municipal motor vehicle tax is subject to two important limitations:

1. A municipality cannot adopt an annual tax on vehicles that would be subject to a county vehicle tax.

2. A municipal annual tax on motor vehicles cannot be enacted as an emergency measure. A municipal annual motor vehicle license tax is not placed on the ballot for approval by electors, but is subject to the referendum as provided in \(\text{R.C. 731.29 - 731.41}\), or as may be provided for in the municipal charter.

B. Sales and use tax levied by regional transit authority\(^ {41}\)

1. Distinctive nature of levy

   The Revised Code authorizes the levying of a permissive sales and use tax for the purpose of providing additional general revenues for a transit authority and paying the expense of administering the levy. This permissive tax differs from other permissive tax levies in that the taxing authority may be either the board of county commissioners or the board of trustees of a regional transit authority.

2. Procedures for levying tax

   Transit authority sales tax may be levied upon every retail sale made in the territory of the transit authority in a multiple of \(\frac{1}{10}\) percent or of \(\frac{1}{4}\) percent, up to the maximum of \(1\frac{1}{2}\) percent. A certified copy of the resolution of the taxing authority must be delivered to the board of elections not later

---

\(^{39}\) \text{R.C. 4504.06.}

\(^{40}\) \text{R.C. 4504.06.}

\(^{41}\) \text{R.C. 306.70, 5739.023, 5741.022.}
than the 90th day before the election at which it is to be voted upon. The
resolution must specify the number of years that the tax will be in effect or
state that the tax is for a continuing period of time. It must also specify the
date of the election at which the levy is to be submitted to the voters. The
question may be submitted at a general election or at a special election
on a day specified in the resolution.

3. Election on levy
   The election on the tax levy must occur at least 90 days after the
   resolution is certified to the board of elections.

4. Notice
   Notice of the election must be made as follows:
   a. In a newspaper of general circulation in the territory of the county
      or of the regional transit authority once a week for two consecutive
      weeks before the election, or as provided in R.C. 7.16, and
   b. On the board of elections’ website for 30 days before the election.

5. Form of ballot question
   More than one such question may be submitted at the same election.
   Ballot language is prescribed in R.C. 306.70.\(^{42}\)

6. Election on decrease of tax levied for a continuing period of time\(^{43}\)
   If a transit authority sales and use tax is levied for a continuing period
   of time, the question of the decrease of the rate of tax approved may
   be initiated by filing a petition such as Ohio Secretary of State Form 6-R
   with the appropriate board of elections not less than 90 days before the
   general election. The petition must state the amount of the proposed
decrease in the rate and must be signed by at least 10 percent of the
   number of qualified electors residing in the area who voted at the last

\(^{42}\) See Appendix B for suggested ballot language.
\(^{43}\) R.C. 306.71.
The election must be conducted, notice given and the results certified as discussed previously.

**C. Motor Vehicle License Tax Levied by the Governing Board of a Regional Transportation Improvement Project (RTIP) (Added June 2015)**

The governing board of a regional transportation improvement project (RTIP) may request that the board of county commissioners of the counties participating in the project levy a motor vehicle license tax in an increment of five dollars, not to exceed twenty-five dollars, per vehicle to help pay the cost of transportation improvements, debt service charges on securities issued for such purposes, to supplement other revenue already available for such purposes, and to pay the cost of enforcing and administering the tax.

Commercial trailers and semitrailers are not subject to the tax. The tax may be imposed on trucks only if approved by a transportation advisory council.

* Procedure for levying the tax

  If the board of county commissioners of each county participating in the project consents, by resolution, to the governing board’s request to levy the tax, the board of commissioners of each participating county must adopt a resolution levying the tax and proposing to submit the question of the tax to the electors of the county.

  - The resolution shall specify the rate of the tax, the date on which the tax will terminate, and, if the request of the governing board indicates that a portion of the revenue will be used for supplemental transportation improvements, the portion of the tax revenue that will be used for such supplemental improvements.

The board of county commissioners of each participating county must certify its resolution proposing the tax to the respective county board of elections.

---

44 See Filing fees in Chapter 1.
The board of elections of each county shall submit the question of the tax to the electors **at the primary or general election** to be held not less than ninety days after the board of county commissioners certifies to the county board of elections its resolution proposing the tax.

An RTIP license tax may not be levied in any county without voter approval in all participating counties.

If the question of the tax is approved by a majority of the electors voting on the question of the tax in each county, the board of county commissioners of each county shall levy the tax as provided in the resolution.

The allocation may not be changed unless the change is approved by voters of each participating county.

- **Procedure to change allocation**
  - The governing board passes a resolution proposing to change the allocation.
  - The governing board certifies the resolution to the board of county commissioners of each county participating in the project.
  - The board of county commissioners of the participating counties certify identical resolutions to the respective county boards of elections for placement on the questions and issues ballot **at the next succeeding election** occurring at least ninety days after the resolution is certified to the board of elections.
Chapter 6: Municipal and Township Initiative and Referendum

DEFINITIONS

As used in this chapter, the term “initiative” refers to the power of electors to propose by petition an ordinance or other measure, which is placed on the ballot for approval by the voters.

As used in this chapter, the term “referendum” refers to the power of electors to petition for the submission of an ordinance or other measure recently enacted by a municipal legislative authority or, in certain circumstances, a board of township trustees, to the voters for their approval or rejection.

EXERCISE OF POWERS

The Ohio Constitution specifically reserves to the electors of each municipality the initiative and referendum powers on all questions which such municipalities are authorized by law to control by legislative action.¹ The right of initiative and referendum in townships derives from statutory, rather than constitutional, provisions.

Not all actions of a municipal legislative authority are subject to initiative or referendum proceedings, however. Some legislative enactments are expressly

¹ Ohio Const., Art. II, § 1f.
exempt from the referendum; examples include ordinances and resolutions adopted as emergencies. Additionally, Ohio courts have divided actions of municipal legislative authorities into two groups: legislative actions and administrative actions. Actions by a municipal legislative authority that create new laws, ordinances, or regulations are legislative in nature and generally are subject to initiative and referendum proceedings. In contrast, actions by a municipal legislative authority that merely execute or administer existing laws, ordinances, or regulations are administrative in nature and likely will not be subject to initiative and referendum proceedings. Exceptions to the initiative and referendum powers are discussed further under “SCOPE OF THE POWERS OF MUNICIPAL AND TOWNSHIP INITIATIVE AND REFERENDUM,” below.

A. Statutory provisions

The municipal initiative and referendum procedures outlined in this chapter apply unless there are specific constitutional, statutory, or charter provisions that otherwise control.

B. Charter Municipalities

Municipal charters that provide procedures for implementing the powers of initiative and referendum will control over the statutory provisions. However, a charter municipality is not required to establish its own initiative and referendum provisions or procedures. When a municipal charter does not contain provisions for initiative and referendum, the applicable statutory provisions apply. Similarly, courts may apply provisions of the Revised Code when a municipal charter is silent or ambiguous on a particular point.

Note: Questions about municipal charter provisions should be directed to the legal authority of the municipality, such as the village solicitor or the city attorney or law director.

---

3 R.C. 731.28 - 731.40.
4 R.C. 731.41.
C. Statutory plans of limited home rule municipal government

All laws pertaining to the initiative and referendum in municipal corporations shall apply to, and become a part of, each plan of limited home rule municipal government: the commission plan, the city manager plan, or the federal plan.

SCOPE OF THE POWERS OF MUNICIPAL AND TOWNSHIP INITIATIVE AND REFERENDUM

A. Municipal corporations

As a general rule, the electors of a municipal corporation may exercise the powers of initiative and referendum on any matter on which that municipal corporation’s legislative authority would have the power to legislate.

1. Constitutional exception

There is no initiative power to require the purchase or acquisition of public utilities. Rather, the law provides that a municipality’s purchase or acquisition of a public utility may be done only by ordinance. That ordinance cannot take effect until 30 days after the date of its passage and is subject to the referendum. The exercise of the referendum on any such issue requires a valid and sufficient petition signed by 10 percent of the electors of the municipality, based upon the total number of votes cast in that municipality at the most recent general municipal election, that is filed with the municipality’s executive authority during the 30-day period after passage of the ordinance. Ohio Secretary of State Form 6-J may be used by petitioners for this purpose.

Note: An election on the question of purchasing a public utility is governed by all the provisions applicable to the submission of the

---

5 R.C. 705.46 - 705.86, inclusive.
6 R.C. 705.91.
7 Ohio Const. Art. XVIII §5.
8 See Filing fees in Chapter 1.
question of choosing a municipal charter commission pursuant to 
section 8 of Article XVIII, of the Ohio Constitution.\footnote{Ohio Const. Art. XVIII §5.}

2. Statutory exceptions to the referendum\footnote{R.C. 731.30.}
Municipal corporations that are governed by the provisions of the Revised 
Code are subject to the following statutory limitations on the use of 
referendums:

a. Where a series of ordinances are enacted to make or pay for 
a public improvement, the statutory initiative and referendum 
provisions\footnote{R.C. 731.28 - 731.41.} apply only to the first ordinance or measure of the series.

b. When an ordinance is required to go into immediate effect and is 
passed by a two-thirds vote of the legislative authority, there is no 
power of referendum. Ordinances that go into immediate effect 
include:

i. Ordinances that provide money to meet the current expenses of 
the municipal corporation.

ii. Ordinances that provide for street improvement where 
petitioned for by the owners of the majority of the street front 
of the property benefitted and paid for by assessments of the 
owners of the property benefitted.

iii. Emergency measures necessary for the preservation of the 
public peace, health, or safety.

\textbf{Note:} Although the above-mentioned ordinances are not subject to the 
provisions for municipal referendum, there are no provisions preventing 
the repeal of any of those ordinances by an initiated ordinance, 
notwithstanding the possible intervention of third parties.
3. **Municipal zoning**

Zoning measures may be treated differently than other initiatives or referendums; please refer to Chapter 7, *Zoning* for detailed information on zoning initiatives and referendums.

4. **Charter amendment initiative**\(^{12}\)

The procedure to amend a municipal charter is set forth in the Ohio Constitution. The question of whether to amend a charter may be proposed by a two-thirds vote of the municipal legislative body or by petition. A petition proposing a charter amendment requires the signatures of 10 percent of the electors of the municipality, based upon the total number of votes cast at the most recent general municipal election.\(^{13}\)

If a valid and sufficient petition proposing a charter amendment is filed, the legislative authority of the municipality must pass an ordinance directing the board of elections to submit the amendment to the electors at the next regular municipal election, if one occurs during the 60 to 120 days after the ordinance’s passage; otherwise, the ordinance must provide for the submission of the question at a special election to be held within the 60- to 120-day time frame. An amendment that is approved by a majority of the voters voting on it becomes part of the municipality’s charter.\(^{14}\) Authorized officials of the municipality must certify a copy of the amendment to the Secretary of State’s office within 30 days after its approval by the voters.\(^ {15}\)

**B. Townships**

The availability of the initiative and referendum in townships is based on statutory, rather than constitutional, provisions. Only townships that have

---

\(^{12}\) *Ohio Const. Art. XVIII §9.*

\(^{13}\) *Ohio Const. Art. XVIII §8 & §9; State ex rel. Huebner v. W. Jefferson Village Council (1996), 75 Ohio St. 3d 381, 384, 1996-Ohio-303.*

\(^{14}\) *See Municipal Charters in Chapter 10.*

\(^{15}\) *Ohio Const. Art. XVIII §9.*
adopted a limited form of self-government may exercise the general powers of initiative and referendum.\textsuperscript{16}

However, the Revised Code also provides for the exercise of the initiative or referendum powers in any township, self-governing or not, regarding certain matters. Examples of these initiatives or referendums include the following:

1. \textit{Building codes and amendments}\textsuperscript{17}
   The building code, and any amendment to the building code, adopted by the board of township trustees may be subject to referendum within 30 days after adoption.

2. \textit{Optional limited self-government}\textsuperscript{18}
   The question of whether to adopt an optional form of limited self-government may be proposed by initiative petition.

3. \textit{Adult oriented businesses}\textsuperscript{19}
   The question of adopting, amending, or rescinding resolutions that regulate or restrict adult oriented businesses that sell, offer for sale, or distribute material that is harmful to juveniles or obscene may be proposed by initiative petition.

4. \textit{Township zoning}\textsuperscript{20}
   Zoning measures are treated differently than other initiatives or referendums.

C. Joint Economic Development Districts (JEDDs)

1. \textit{Creation}
   \textbf{R.C. 715.70} and \textbf{715.71} provide for the creation of taxing authorities called “joint economic development districts” (JEDDs) by certain coalitions of political subdivisions:

\textsuperscript{16} \textbf{R.C. 504.14}.
\textsuperscript{17} \textbf{R.C. 505.75}.
\textsuperscript{18} \textbf{R.C. 504.01}.
\textsuperscript{19} \textbf{R.C. 503.53}.
\textsuperscript{20} See \textit{Zoning in Chapter 7}. 
a. Municipal corporations and townships within a county that has adopted a charter under Sections 3 and 4 of Article X, Ohio Constitution.

b. Municipal corporations and townships that have created a joint economic development district comprised entirely of real property owned by a municipal corporation at the time the district was created under R.C. 715.70.

c. Municipal corporations or townships that are part of or contiguous to a transportation improvement district created under Chapter 5540 of the Revised Code and that created a joint economic development district under R.C. 715.70 or 715.71 prior to November 15, 1995.

d. Municipal corporations that have previously entered into a contract creating a joint economic development district pursuant to R.C. 715.70(A)(2), even if the territory to be included in the district does not meet the requirements of that division.

2. Referendum of contract creating JEDD under R.C. 715.70. R.C. 715.70(D)(3) provides that any resolution of the board of township trustees that approves a contract creating a JEDD under R.C. 715.70 is subject to a referendum of township electors. When a referendum petition, signed by 10 percent of the number of electors in the township who voted for the office of governor at the most recent gubernatorial election, is presented to the board of township trustees within 30 days after the board of township trustees adopted the resolution, ordering that the resolution be submitted to the electors of the township for their approval or rejection, the board of township trustees must, after 10 days and not later than 4 p.m. of the 90th day before the election, certify the text of the resolution to the board of elections. The board of elections must submit the resolution to the electors of the township for their approval or rejection at the next general, primary, or special election occurring more than 90 days after the petition was certified to the board of elections.
3. **Election on income tax levied under R.C. 715.70**

   R.C. 715.70(F) provides that a JEDD’s board of directors may have the power to adopt a resolution to levy an income tax within the district. The income tax must be used for the purposes of the district and for the purposes of the contracting municipal corporations and townships set forth in the contract that created the JEDD. The income tax may be levied in the district based on income earned by persons working or residing within the district and based on the net profits of businesses located in the district. The income tax must follow the provisions of Revised Code Chapter 718, except that a vote is required by the electors residing in the district to approve the rate of income tax. The rate of the income tax shall be no higher than the highest rate being levied by a municipal corporation that is a party to the JEDD contract. If no electors reside within the district, R.C. 715.70(F)(4) applies.

   a. Within 180 days after the first meeting of the JEDD’s board of directors, the JEDD board may levy an income tax, provided that the rate of the income tax is first submitted to and approved by the electors of the district at the succeeding regular or primary election, or a special election called by the board, occurring more than 90 days after a certified copy of the resolution levying the income tax and calling for the election is filed with the board of elections. If the electors approve the levy of the income tax, the income tax will be in force for the full period of the contract establishing the district.

   b. Any increase in the rate of an income tax that was first levied within 180 days after the first meeting of the board of directors must be approved by a vote of the electors of the district, shall be in force for the remaining period of the contract establishing the district, and shall not be subject to referendum or repeal under R.C. 715.70(F)(2).

4. **Notice of income tax adopted under R.C. 715.70**

   R.C. 715.70(F)(6)(a) requires the JEDD board to publish or post public notice within the district of any resolution adopted levying an income tax...
in the same manner required of municipal corporations under sections 731.21 and 731.25 of the Revised Code.

5. **Referendum on income tax levied under R.C. 715.70**

Any resolution of the JEDD’s board of directors levying an income tax that is adopted more than 180 days after the first meeting of the board is subject to a referendum as provided in R.C. 715.70(F)(2). When a referendum petition, signed by 10 percent of the number of electors in the district who voted for the office of governor at the most recent gubernatorial election, is filed with the county auditor of each county within which a party to the contract is located within 30 days after the resolution is adopted by the board, the county auditor of each such county, after 10 days and not later than 4 p.m. of the 90th day before the election, must certify the text of the resolution to the board of elections of that county. The county auditor of each such county retains the petition. The board of elections must submit the resolution to such electors, for their approval or rejection, at the next general, primary, or special election, occurring more than 90 days after the petition was certified to the board of elections.

Except as may be otherwise specified by R.C. 715.70, any referendum or initiative proceeding within a district must be conducted in the same manner as is required for such proceedings within a municipal corporation pursuant to R.C. 731.28 through 731.40.

6. **Initiative to amend or repeal income tax levied under R.C. 715.70**

Any resolution of the JEDD board of directors levying an income tax that is adopted more than 180 days after the first meeting of the board is subject to an initiative proceeding to amend or repeal the resolution levying the income tax as provided in R.C. 715.70(F)(2).

When an initiative petition, signed by 10 percent of the number of electors in the district who voted for the office of governor at the most recent gubernatorial election, is filed with the county auditor of each such county ordering that a resolution to amend or repeal a prior resolution
levying an income tax be submitted to the electors within the district for their approval or rejection, the county auditor of each such county, after 10 days and not later than four p.m. of the 90th day before the election, must certify the text of the resolution to the board of elections of that county. The county auditor of each such county retains the petition. The board of elections must submit the resolution to such electors, for their approval or rejection, at the next general, primary, or special election, occurring more than 90 days after the petition was certified to the board of elections.

Except as may be otherwise specified by R.C. 715.70, any referendum or initiative proceeding within a JEDD must be conducted in the same manner as is required for such proceedings within a municipal corporation pursuant to R.C. 731.28 through 731.40.

7. Election

Whenever a JEDD is located in the territory of more than one contracting party, a majority vote of the electors, if any, in each of the several portions of the territory of the contracting parties constituting the district approving the levy of the tax is required before it may be imposed.21

If there are no electors residing in the JEDD, no election for the approval or rejection of an income tax shall be held under R.C. 715.70, provided that where no electors reside in the district, the maximum rate of the income tax that may be levied shall not exceed 1 percent.

8. Election on alternative procedure and requirements for creating district 22

R.C. 715.71(A) provides alternative procedures and requirements to those set forth in R.C. 715.70 for creating and operating a JEDD. Divisions (B), (C), (D)(1) to (3), and (E) of Revised Code section 715.70 do not apply to a JEDD established under this section. However, R.C. 715.71(A), (D)(4), (E), (G), (H), (I), (J), and (K) of section 715.70 do apply to a district established under R.C. 715.71.

21 R.C. 715.70(F)(3).
22 R.C. 715.71.
As set forth in R.C. 715.71(B), one or more municipal corporations and one or more townships may enter into a contract approved by the legislative authority of each contracting party pursuant to which they create as a JEDD one or more areas for the purpose of facilitating economic development to create or preserve jobs and employment opportunities and to improve the economic welfare of the people in this state and in the area of the contracting parties. The district created must be located within the territory of one or more of the contracting parties and may consist of all or a portion of such territory. The JEDD’s boundaries must be described in the contract or in an addendum to the contract. The area or areas of land to be included in the district cannot include any parcel of land owned in fee by or leased to a municipal corporation or township, unless the municipal corporation or township is a party to the contract or has given its consent to have its parcel of land included in the district by the adoption of a resolution.

Pursuant to R.C. 715.70(E), within 30 days after the filing under R.C. 715.71(D), the legislative authority of each county within which a party to the JEDD contract is located must adopt a resolution acknowledging the receipt of the required documents, approving the creation of the JEDD, and directing that the resolution of the board of township trustees approving the contract be submitted to the electors of the township for approval at the next succeeding general, primary, or special election. The legislative authority of the county must file with the board of elections at least 90 days before the day of the election a copy of the resolution of the board of township trustees approving the contract. The resolution of the legislative authority of the county also shall specify the date the election is to be held and shall direct the board of elections to conduct the election in the township. If the resolution of the legislative authority of the county is not adopted within the 30-day period after the filing under R.C. 715.71(D), the JEDD will be deemed approved by the county legislative authority. The board of township trustees then must file its resolution with the board of elections for submission to the electors of
the township for approval at the next succeeding general, primary, or
special election at least 90 days before the specified date the election is
to be held and shall direct the board of elections to conduct the election
in the township.

If a majority of the electors of the township voting on the issue vote
for the resolution and contract, the resolution shall become effective
immediately and the contract shall go into effect immediately or in
accordance with its terms.

9. Form of ballot for R.C. 715.71 election. 23

10. When election on income tax levied under R.C. 715.71 not required
The JEDD contract must enumerate the specific powers, duties and
functions of the JEDD’s board of directors and shall provide for the
determination of procedures that are to govern the board of directors.
The contract may grant to the JEDD board the power to adopt a
resolution to levy an income tax within the district. The income tax
must be used for the purposes of the district and for the purposes of
the contracting municipal corporations and townships pursuant to the
contract. The income tax may be levied in the district based on income
earned by persons working or residing within the district and based on
the net profits of businesses located in the district. The income tax of the
district must follow the provisions of Chapter 718 of the Revised Code,
except that no vote shall be required by the electors residing in the
district. The rate of the income tax cannot be higher than the highest rate
being levied by a municipal corporation that is a party to the contract.

23 See Appendix B for suggested ballot language.
STATUTORY PROCEDURES FOR THE USE OF INITIATIVE AND REFERENDUM POWERS

Note: The following procedures may not apply to a municipality operating under a charter that contains separate provisions for the exercise of municipal initiative and referendum powers.

A. Preliminary filings

Whoever seeks to propose an ordinance or measure in a municipal corporation or home rule township by initiative petition or files a referendum petition against any enacted ordinance or measure must, before circulating the petition, file a certified copy of the proposed ordinance (initiative) or enacted ordinance (referendum) with the appropriate public officer: city auditor, township fiscal officer, or village clerk.

A certified copy means a copy of the ordinance or resolution containing a written statement attesting that it is a true and exact reproduction of the original proposed ordinance or measure or of the original ordinance or measure.

Note: This filing must be completed even though a copy of the ordinance to be put on the ballot by referendum may already have been filed with the city auditor, township fiscal officer, or village clerk.

B. Petition

An initiative or referendum petition seeking to place an ordinance, resolution or other measure on the ballot generally must contain the signatures of at least 10 percent of the number of electors who voted for governor within the municipality or township at the last general election at which the governor was elected. In the case of petitions involving building codes, the required percentage of electors’ signatures is 8 percent.

---

24 R.C. 504.14, 731.28 - 731.40.
25 R.C. 731.32.
26 R.C. 504.14, 731.28, 731.29.
27 R.C. 505.75.
Any initiative or referendum petition may be circulated in separate parts, referred to as part-petitions or petition papers. However, all separate petition papers must be filed together, at the same time.

For the convenience of petitioners, the Secretary of State’s office has prescribed very basic petition templates for municipal or home rule township initiatives and referendums. Petitioners may adapt the Secretary of State forms to satisfy the applicable statutory or charter provisions.

1. **Signature requirements**
   a. Each signature must be in ink.
   b. Each petition signer must provide on the petition the date of signing and the signer’s voting residence address, including the street and number.
   c. Each signer of any initiative or referendum petition must be a registered elector in the municipality or township in which the ordinance or measure is to be placed on the ballot.
   d. No person shall write the name of any other elector on any petition, and no elector may authorize another person to sign any petition on behalf of the elector, unless the elector has appointed the person as the elector’s attorney in fact in accordance with R.C. 3501.382.
   e. Each petition paper must contain a statement of the circulator that, to the best of his or her knowledge and belief, each signer is a resident of the municipality or township, and each signature is that of the person whose signature it purports to be.

---

28 Ohio Secretary of State Form 6-I.
29 Ohio Secretary of State Form 6-J.
30 R.C. 731.31, R.C. 3501.38.
2. **Text**\(^{31}\)
   a. Each initiative petition paper must contain a full and complete copy of the title and text of the ordinance or other measure to be placed on the ballot.
   b. Each referendum petition paper must contain the number and a full and correct copy of the title of the ordinance or other measure to be referred.

3. **Penalty notice**\(^{32}\)
   At the top of each initiative or referendum petition or part-petition, the following warning must be printed in red:
   
   "NOTICE: Whoever knowingly signs this petition more than once, signs a name other than his own, or signs when not a legal voter is liable to prosecution."

4. **Filing committee**\(^{33}\)
   A filing committee of no less than three of the petitioners may be listed as the filers of an initiative or referendum petition.

5. **Statement of expenditures**\(^{34}\)
   The circulator of an initiative or referendum petition or his agent must, within five days after the petition is filed with the city auditor, township fiscal officer, or village clerk, file an itemized statement, made under penalty of election falsification, showing the following in detail:
   a. All moneys or things of value paid, given, or promised for circulating the petitions.
   b. Full names and addresses of all persons who contributed anything of value to be used in circulating the petitions.

---

\(^{31}\) R.C. 731.31.

\(^{32}\) R.C. 731.33.

\(^{33}\) R.C. 731.34.

\(^{34}\) R.C. 731.35.
c. Full names and addresses of all persons to whom the payments or promises were made.

d. Time spent and salaries earned while circulating or soliciting signatures to petitions by persons who were regular salaried employees of some person who authorized them to solicit signatures for or to circulate the petition as part of their regular duties.

C. Filing

Petitions for a municipal initiative or referendum must be filed with the city auditor or village clerk.\textsuperscript{35} Petitions for a township initiative or referendum must be filed with the township fiscal officer.\textsuperscript{36} The public office where the petition is filed collects the filing fee and immediately pays the fee to the credit of the Ohio Elections Commission fund.\textsuperscript{37}

1. \textit{Initiative}

There is no specific date for the filing of an initiative petition. However, the date on which an initiative petition is filed will determine at which election that issue will be submitted to the electors.

2. \textit{Referendum}

Municipal ordinances and other measures which are subject to referendum do not take effect until 30 days after they are filed with the mayor of a city, or passed by the township trustees or village council. Exceptions to this rule are discussed on pages 6-3 and 6-4 of this chapter. Referendum petitions must be filed during the 30-day period before the ordinance becomes effective. When an ordinance or other measure is passed over the veto of a mayor, the petition must be filed within 30 days from that date.\textsuperscript{38}

\textsuperscript{35} \textit{R.C. 731.28 - 731.29.}
\textsuperscript{36} \textit{R.C. 504.16.}
\textsuperscript{37} \textit{R.C. 3513.10(B)(2), (E); See Filing fees in Chapter 1.}
\textsuperscript{38} \textit{R.C. 731.29.}
D. Text of the ordinance certified to board of elections

Upon receiving initiative or referendum petitions, the city auditor, township fiscal officer, or village clerk must retain the petitions and make them available for public inspection for 10 days. At the end of the 10-day period, the city auditor, township fiscal officer, or village clerk must transmit a certified copy of the measure or ordinance and the petition to the board of elections. Regarding referendums, the city auditor, township fiscal officer, or village clerk must also ensure that the certified copy of the measure or ordinance is transferred to the board of elections not later than 4 p.m. of the 90th day before the day of election.

The board of elections must examine the signatures and return the petition to the city auditor, township fiscal officer, or village clerk within 10 days of receipt with a statement attesting to the number of voters who signed the petition. If the number of valid signatures is sufficient and the petition is otherwise valid, the city auditor, township fiscal officer, or village clerk must certify the sufficiency and validity of the petition back to the board of elections.

E. Validity

The initial duty of determining the facial validity and sufficiency of an initiative or referendum petition rests with the city auditor, township fiscal officer, or village clerk. The board of elections makes its own determination as to the sufficiency and validity of an initiative and referendum petition that is certified to the board for placement on the ballot.

Boards of elections must examine each initiative petition to determine the following:

- Whether the petition falls within a municipal political subdivision’s authority

---

39 R.C. 731.28, 731.29, 731.34.
40 R.C. 731.31.
41 R.C. 3501.11(K) Sub H.B. No. 63; See also State, ex rel. Kennedy v. Cuyahoga Cty. Bd. of Elections, 46 Ohio St.2d 37 (1976).
to enact via initiative. The board of elections must consider the limitations in Article XVIII, Sections 3 and 7 of the Ohio Constitution and whether the petition meets the statutory prerequisites in R.C. 3501.38 for placement on the ballot.

The petition is invalid if any portion of the petition does not fall within the authority to enact via initiative.

The board must transmit promptly to the Secretary of State’s office a copy of the petition and notice of its determination.

If substantially similar initiative petitions are submitted to multiple boards of elections and the determinations of those boards of elections differ, the Secretary of State must make a single determination that will apply to each separate petition.

F. Submission of question or issue to voters

The board of elections must submit the ordinance or other issue proposed by the initiative or referendum petition to the voters of the municipality or township at the next general election occurring more than 90 days after the final certification of the petition by the city auditor, village clerk, or township fiscal officer. 42

1. Ballot 43

The ballot need not contain the full text of the ordinance or measure. If a condensed text is used, it must properly describe the question up for a vote, and a full text of the ordinance or measure, together with the percentage of yes votes necessary for passage, must be posted at each polling place in a location that is easily accessible to the voters. 44

---

42 R.C. 3501.38(M).
43 See Appendix B for suggested ballot language.
44 R.C. 3505.06.
2. **Notice**

   The specific provisions pertaining to a particular initiative or referendum should be reviewed to determine if any requirement to publish notice of the election at which the initiative or referendum ordinance is to be submitted to the voters. The board of elections always must give notice of an election by proclamation or by publication in a newspaper in the county or a newspaper of general circulation in the county once at least 10 days before the election, in accordance with [R.C. 3501.03](#).

3. ** Passage**

   A ballot issue requires a majority of affirmative votes to pass. Consequently, a ballot issue that receives an equal number of affirmative and negative votes (i.e., a tie) is defeated because it did not receive a majority of affirmative votes.\(^{45}\)

---

\(^{45}\) [R.C. 731.28, 731.29](#).
AUTHORITY

Zoning resolutions regulating the use of land and the size, structure, location, and usage of buildings and other physical structures may be passed by the legislative authority of a county, township, or municipality. The authority of a political subdivision to zone is derived from its police power and ability to legislate for the public health, safety, and welfare of its people and is vested in its legislative authority. Zoning procedures are set forth in Chapters 303 (County Zoning), 519 (Township Zoning) and 713 (Municipal Zoning) of the Revised Code. Because the procedures for county and township zoning are similar in language and effect, they are covered together in the sections immediately below. For procedures for municipal zoning, please see Municipal Zoning on page 7-10 of this chapter.

COUNTY AND TOWNSHIP ZONING

Resolution and zoning commission

In order to exercise the power to zone, the appropriate legislative authority (board of county commissioners or board of township trustees) must pass a resolution expressing its intention to proceed with zoning. The legislative authority may do so either upon its own initiative or upon presentation of a petition signed
by a number of qualified electors of the area to be regulated that is equal to or greater than 8 percent of the total vote for governor in such area at the last gubernatorial election.\(^1\)

After the legislative authority of the county or township adopts a resolution to proceed with zoning, it must establish a zoning commission. The commission is comprised of five members who are residents of the unincorporated area to be zoned.\(^2\)

The zoning commission must prepare and submit to the legislative authority a comprehensive plan, including text and maps, for zoning the unincorporated area.\(^3\)

**Submission of Zoning Plans to Electors**

After the legislative authority adopts a comprehensive zoning resolution, it must submit the resolution to the voters at the next primary or general election or at a special election called for that purpose. No zoning resolution is effective until approved by a majority of those voting on the issue.\(^4\)

**A. Filing deadline**

The legislative authority must file the zoning resolution to the board of elections not later than 4 p.m. of the 90th day before the date of the election.\(^5\)

**B. Ballot**

The ballot need not contain the full text of the resolution. A condensed text that properly describes the proposal is permissible; however, the full text of the resolution and the percentage of affirmative votes necessary for passage must be posted in an easily accessible place in the polling location.\(^6\)

---

1. R.C. 303.03, 519.03.
2. R.C. 303.04, 519.04.
3. R.C. 303.05, 519.05.
4. R.C. 303.11, 519.11.
5. R.C. 303.11, 519.11.
6. R.C. 3505.06(E).
C. Notice

The board of elections must publish notice of the election at least 10 days before the election is held. Notice may be given by proclamation (posted in a conspicuous place in the court house and city hall) or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.7

D. Results

If a majority of those voting on the zoning resolution vote yes, the resolution passes. If the resolution receives an equal number of affirmative and negative votes, it fails for lack of a majority.8

REFERENDUMS9

An amendment that is approved by the county or township legislative authority becomes effective 30 days after the date of its adoption, unless a valid and sufficient referendum petition is filed with the legislative authority within that 30 days requesting the legislative authority to submit the amendment to the electors of that area for approval or rejection. The issue must be submitted to the voters at the next primary or general election occurring at least 90 days after the petition is submitted.

7 R.C. 3501.03.
8 R.C. 303.11, 519.11.
9 R.C. 303.12(H), 519.12(H).
A. Referendum petition requirements

1. County referendum petition - Form and content
   
   The form of a county zoning referendum petition shall be substantially as set forth in R.C. 303.12(H), the statute that provides for the referendum. The referendum petition also is governed by the general petition provisions contained in R.C. 3501.38 and R.C. 3503.06.

   The Secretary of State’s office prescribes a template, Form 6-N, that referendum petitioners may, but are not required to, use.

   The referendum petition may consist of one or more parts, but all the parts of the referendum petition must be filed together at the same time, as a single instrument.\(^10\)

   Each part of the referendum petition shall contain all of the following:

   - The number and the full and correct title, if any, of the zoning amendment, resolution, motion or application, furnishing the name by which the amendment is known;
   - A brief summary of the contents of the zoning amendment; and
   - A request that the county legislative authority submit the zoning amendment to the electors of the appropriate area for approval or rejection at an election held on the day of the next primary or general election occurring at least 90 days after the petition is filed.

   The referendum petition must contain the signatures of qualified electors residing in the unincorporated area of the township or the part of that unincorporated area included in the zoning plan equal in number to at least 8 percent of the total vote for the office of governor in that area at the most recent gubernatorial election.

\(^{10}\) R.C. 3501.38(K).
2. **Township referendum petition – Form and content; Map**
   a. **Form and Content**

   The form of a township zoning referendum petition shall be substantially as set forth in **R.C. 519.12(H)**, the statute that provides for the referendum. The referendum petition also is governed by the general petition provisions contained in **R.C. 3501.38** and **R.C. 3503.06**.

   The Secretary of State’s office prescribes a template, **Form 6-O**, that referendum petitioners may, but are not required to, use.

   The referendum petition may consist of one or more parts, but all the parts of the referendum petition must be filed together at the same time, as a single instrument.\(^\text{11}\)

   Each part of the referendum petition shall contain all of the following:

   - the number and the full and correct title, if any, of the zoning amendment, resolution, motion or application, furnishing the name by which the amendment is known;
   - a brief summary of the contents of the zoning amendment; and
   - a request that the legislative authority of the county or the township submit the zoning amendment to the electors of the appropriate area for approval or rejection at the next primary or general election occurring at least 90 days after the petition is filed.

   The referendum petition must contain the signatures of qualified electors residing in the unincorporated area of the township or the part of that unincorporated area included in the zoning plan equal in number to at least 8 percent of the total vote for the office of governor in that area at the most recent gubernatorial election.

\(^{11}\) **R.C. 3501.38(K).**
b. **Additional filing requirement – Map of affected area**

*R.C. 591.12(H)* specifically requires that an appropriate map of the area affected by the zoning proposal must be filed with a petition seeking to referendum a township zoning amendment.

**B. Deadline for submission to board of elections**

1. **Counties:**

   While *R.C. 303.12* does not specify a deadline for the submission of a zoning referendum by the county commissioners to the county board of elections, *R.C. 3501.02(F)* requires that all issues be certified to the board of elections not later than 4 p.m. on the 90th day before the day of the election. Therefore, the deadline for submission is 4 p.m. on the 90th day before the day of the election.

2. **Townships:**

   *R.C. 519.12(H)* specifies that the board of township trustees must certify the zoning referendum petition and the map of the area affected by the zoning proposal to the board of elections within 2 weeks after its receipt and not less than 90 days before the election at which the question is to be voted upon. The board of elections determines the validity and sufficiency of the petition.

**C. Submission of referendum to the voters**

1. **County Zoning Referendum**\(^1\)

   The board of elections must submit the zoning amendment to the electors of the appropriate area for approval or rejection at a special election held on the day of the next primary or general election occurring at least 90 days after the petition is filed.

2. **Township Zoning Referendum**\(^2\)

   If the board of elections determines that the referendum petition is

\(^1\) *R.C. 303.12(H).*

\(^2\) *R.C. 519.12(H).*
sufficient and valid, it shall submit the zoning amendment to the electors of the appropriate area for approval or rejection at a special election to be held on the day of the next primary or general election that occurs at least 90 days after the date the petition is filed with the board of township trustees, regardless of whether any election will be held to nominate or elect candidates on that day.

The zoning amendment is approved if a majority of voters vote in favor of the issue. The amendment is rejected if a majority of voters vote against the issue, or if the issue receives an equal number of votes for and against it.

REPEAL OF COUNTY OR TOWNSHIP ZONING PLAN

A. Repeal of county zoning plan

1. Procedures
   In any township in which there is in force a plan of county zoning, the plan may be repealed by the board of county commissioners, as to such township, in the following manner:

   a. The board of county commissioners may adopt a resolution upon its own initiative.

   b. The board shall adopt a resolution directing that the question of whether or not the zoning plan in effect in such township shall be repealed, if there is presented to it a petition requesting that the question be submitted to the electors residing in the unincorporated area of the township included in the zoning plan at a special election to be held on the day of the next primary or general election.

2. Petition Requirements
   The petition shall be similar in all relevant aspects to the county zoning referendum petition prescribed in R.C. 303.12(H). The petition also is

---

14 R.C. 303.25.
governed by the general petition provisions contained in R.C. 3501.38 and R.C. 3503.06.

The petition must request that the board of county commissioners submit the question to the electors residing in the unincorporated area of the township included in the zoning plan at a special election to be held on the day of the next primary or general election.

The petition must contain the signatures of qualified electors residing in the unincorporated area of the township included in the zoning plan equal in number to at least 8 percent of the total vote for the office of governor in that area at the most recent gubernatorial election.

The petition may consist of one or more parts, but all the parts of the petition must be filed together at the same time, as a single instrument.15

The Secretary of State’s office does not prescribe a template specifically for this purpose, but petitioners may adapt Secretary of State Form 6-N (county zoning referendum petition form) for use under R.C. 303.25.

3. **Election Procedure, Limitation**
   The board of county commissioners shall certify its resolution ordering the election to the board of elections not later than 90 days before the election at which the question is to be voted upon.

   Not more than one such election shall be held in any two calendar years.

**B. Repeal of township zoning plan**16

1. **Procedures**
   In any township in which there is in force a plan of township zoning, the plan may be repealed by the board of township trustees in the following manner:

---

15 [R.C. 3501.38(K)]
16 [R.C. 519.25]
a. The board of township trustees may adopt a resolution upon its own initiative.

b. The board shall adopt a resolution directing that the question of whether or not the zoning plan in effect in such township shall be repealed, if there is presented to it a petition requesting that the question be submitted to the electors residing in the unincorporated area of the township included in the zoning plan at a special election to be held on the day of the next primary or general election.

2. **Petition Requirements**

   The petition shall be similar in all relevant aspects to the township zoning referendum petition prescribed in R.C. 519.12(H). The petition also is governed by the general petition provisions contained in R.C. 3501.38 and R.C. 3503.06.

   The petition must request that the board of township trustees submit the question to the electors residing in the unincorporated area of the township included in the zoning plan at a special election to be held on the day of the next primary or general election.

   The petition must contain the signatures of qualified electors residing in the unincorporated area of the township included in the zoning plan equal in number to at least 8 percent of the total vote for the office of governor in that area at the most recent gubernatorial election.

   The petition may consist of one or more parts, but all the parts of the petition must be filed together at the same time, as a single instrument.17

   The Secretary of State’s office does not prescribe a template specifically for this purpose, but petitioners may adapt Secretary of State Form 6-O (township zoning referendum petition form) for use under R.C. 519.25.

---

17 R.C. 3501.38(K).
3. **Election Procedure, Limitation**
   The board of township trustees shall certify its resolution ordering the election to the board of elections not later than 90 days before the election at which the question is to be voted upon.

   Not more than one such election shall be held in any two calendar years.

---

**MUNICIPAL ZONING**

**Authority**

A non-chartered municipality may enact zoning regulations through a municipal planning commission, which is governed by sections 713.01 through 713.15 of the Revised Code.

A chartered municipality may adopt zoning regulations pursuant to the powers granted by its charter. If the municipality’s charter does not address zoning regulations, the municipality may pass zoning ordinances pursuant to the provisions of the Revised Code.

A zoning measure also may be proposed through initiative, and a zoning ordinance may be challenged by referendum. In addition to the information provided by Chapter 6, Municipal and Township Initiative and Referendum, the following are specific details regarding the initiative and referendum process for municipal zoning.

**A. Initiative**

The procedures for a zoning initiative are covered in R.C. 731.28, 731.30 - 731.41. These sections are covered in detail in Chapter 6, Municipal and Township Initiative and Referendum. In addition to complying with these specific code sections, any petition for a zoning initiative must conform to the general petition requirements prescribed by R.C. 3501.38 and R.C. 3503.06.
Please note that zoning initiatives are not subject to R.C. 713.12. Therefore, a public hearing regarding the initiative is not required, as it would be for a zoning ordinance passed by city council.\(^\text{18}\)

**B. Referendum**

The procedures for a referendum are governed by the provisions contained in sections 731.29 through 731.41 of the Revised Code. These sections are covered in detail in *Chapter 6, Municipal and Township Initiative and Referendum*. In addition to complying with these specific code sections, any petition for a referendum must conform to the general petition requirements prescribed by R.C. 3501.38 and R.C. 3503.06.

Chapter 8

Formation of Municipal Corporations; Surrender of Corporate Powers

CLASSIFICATIONS

Ohio law provides two classifications of municipal corporations: cities and villages.

- A municipal corporation is classified as a city if, at any federal census, it had a population of 5,000 or more, or 5,000 registered resident electors as provided in R.C. 703.011.

- A municipal corporation is classified as a village if, at any federal census, it had a population of less than 5,000.

AUTHORITY

General authority for the formation of municipal corporations is found in Article XVIII, Section 2 of the Ohio Constitution, which states:

General laws shall be passed to provide for the incorporation and government of cities and villages . . .

Procedures for the formation of municipal corporations are set forth in Chapter 707 of the Ohio Revised Code.

1 R.C. 703.01.
SPECIAL NOTE ABOUT PETITION FORMS FOR INCORPORATION OR DISSOLUTION

Anyone who seeks to petition for the incorporation of a city or village or for the dissolution of a village is responsible for crafting the petition that is filed with the board of county commissioners, in the case of incorporation, or the village legislative authority, in the case of dissolution. Neither the Secretary of State, nor the statutes that provide for incorporation or dissolution by a petition process, prescribe the form of petitions that could be used for these purposes. A petitioner may wish to consult with private legal counsel about the petition to ensure that it satisfies the requirements of the applicable law.

PROCEDURE: INCORPORATION OF VILLAGES

A. Petition

Villages may be incorporated using the petition method provided in R.C. 707.01 through 707.28. Under this method, application for incorporation of a village is made by petition addressed to the board of county commissioners. The petition must be signed by 51 percent of the electors within the territory to be incorporated, as determined by the total number of votes cast within that territory for the office of governor at the last gubernatorial election. The petition must also contain or have attached to it the following information:

1. A full description and an accurate map of the territory proposed to be incorporated.

2. A statement signed by the county auditor as to the total assessed valuation of the area proposed to be incorporated.

3. A statement that the area to be incorporated:
   a. Consists of not fewer than two square miles.
   b. Includes a population of not fewer than 800 persons per square mile.
c. Has an assessed valuation of real, personal and public utility property subject to general property taxation of at least $3,500 per capita. Property that is owned by a political subdivision and is exempt from taxation pursuant to R.C. 5709.081 is to be included in the determination of the valuation.

4. A statement by the Secretary of State that the name proposed in the petition is not being used by any other municipal corporation in the state.

5. The name of a person to act as an agent for the petitioners.

6. A statement of whether or not the proposed municipal corporation contains and includes territory within three miles of any portion of the boundary of an existing municipal corporation.

B. Filing

The petition for incorporation of a village is filed with the board of county commissioners. The petition may be presented to the board of county commissioners at any session, after which the board shall make it available for inspection by any interested person.

Upon presentation of the petition, the county commissioners may charge a fee to cover the costs of verifying the signatures on the petition.

Note: If the territory proposed to be incorporated involves area from two or more counties, the petition shall be filed with the commissioners of the county where the largest number of qualified voters of the proposed municipal corporation reside.

C. Adjoining boundaries

The board of county commissioners must hold a public hearing on the incorporation of a village proposed by petition if the board finds that the
proposed incorporation satisfies (or does not violate) certain conditions. Before scheduling the hearing, the board must determine whether any of the area proposed to be incorporated includes territory within three miles of any portion of an existing municipal corporation’s boundary. If the board so finds, it enters that finding in its journal and forwards a copy of the entry to the clerk of the legislative authority of such municipal corporation.

Generally, the board of county commissioners shall not take any action on the incorporation petition so long as any of the area proposed to be incorporated as a village includes territory within three miles of the boundary limits of any existing municipal corporation. However, the board may proceed with the petition, even though some or all of the territory proposed to be incorporated as a village would be within the three-mile area, if either of the following applies:

1. An annexation proceeding which included the territory within three miles of an existing municipal corporation has been attempted within two years preceding the date of filing of the incorporation petition under R.C. 709.02, but failed because the existing municipal corporation took unfavorable action, or because the existing municipal corporation took no action on the petition for a period of 120 days after the petition was presented to the legislative authority of the municipal corporation as required in R.C. 709.04; or

2. The board of county commissioners receives a copy of a resolution, passed by the legislative authority of each existing municipal corporation within the three-mile area, approving the petition for incorporation as a village.

D. Public hearing

The board of county commissioners must hold a public hearing regarding a proposed incorporation that is not otherwise prohibited by R.C. 707.04.
1. **Notice of hearing**
   The board of county commissioners must fix the time and place for the hearing, which must take place not fewer than 40, nor more than 90, days after the petition is filed with the board. The board shall communicate the date, time and place of the hearing to the petitioners’ agent.

2. **Publication of notice**
   After learning of the time and place of the hearing, the petitioners’ agent must publish in a newspaper published, or of general circulation, in the county, a notice containing the substance of the petition and the time and place of the hearing. Notice must be published for a period of three consecutive weeks prior to the time of the hearing.

3. **Conduct of the hearing**
   The hearing on the petition for incorporation is open to the public. Any interested person may appear, either in person or be represented by an attorney, to support or oppose the granting of incorporation. Testimony in the form of affidavits may be received by the board of county commissioners and shall be considered in their deliberations.

4. **Amendment**
   The board of county commissioners may amend the petition on its leave. If an amendment is made that includes territory not included in the original petition, the board must appoint another time and place for the hearing, and notice must be given in the same manner as for the first hearing.

---

5. [R.C. 707.05.](#)
6. [R.C. 707.05.](#)
7. [R.C. 707.06.](#)
8. [R.C. 707.06.](#)
E. Determination by the county commissioners

The board of county commissioners must allow the incorporation if it finds that the following requirements have been met:

1. The petition complies with the requirements of R.C. 707.02 (described above), and the statements in the petition are true.

2. Notice of the hearing has been published in the manner required by R.C. 707.05.

3. The number of valid signatures on the petition constitutes 51 percent of the electors in the territory to be incorporated, as determined by the total number of votes cast within that territory for office of governor in the last gubernatorial election.

4. The territory proposed to be incorporated is compact and not unreasonably large; there is adequate taxable property to support the construction and maintenance of municipal facilities (including sewers and parks) and municipal services (including police and fire protection); and the general good of the community will be served.

F. Certification by board of county commissioners and by county recorder

If the board of county commissioners grants the petition for incorporation of the territory as a village, the board shall enter on its journal all of its orders and proceedings relating to the incorporation. It also shall deliver a certified transcript of all orders of the board, signed by a majority of the members of the board, the petition, map, and all other papers on file relating to the incorporation proceedings to the county recorder at the earliest time practicable.

---

9 R.C. 707.07.
10 R.C. 707.08 - 707.09.
The county recorder shall file and preserve in the recorder’s office the transcript or other papers provided by the board of county commissioners pursuant to R.C. 707.08.

At the expiration of 60 days after receiving the papers from the board of county commissioners, the county recorder shall make a record of the petition, transcript (if any), and map in the proper book of records, unless enjoined under R.C. 707.11. The recorder also shall file a copy of the record with the Secretary of State.

**G. Effective date**

The incorporation of the territory as a village shall be effective as of the date that the record prepared by the county auditor pursuant to R.C. 707.09 is filed with the Secretary of State.

**H. Additional procedures when territory to be incorporated is located in two or more counties**

When electors residing in two or more counties desire the incorporation of territory in those counties as a village, the petition shall be filed with the board of county commissioners of the county in which the largest number of qualified voters of the proposed village reside, and a statement to that effect shall be set forth in the petition.

The transcript of the board of county commissioners’ proceedings, if required, and the other papers relating to the incorporation shall be recorded in the county in which the petition is filed in the manner provided by R.C. 707.09. Within 10 days after such recording, the county recorder shall make a certified transcript of such record for each of the other counties in which any portion of the territory is situated, and shall forward send such transcript to the recorders of such counties, who shall record them in the manner required for original papers.

---

11 R.C. 707.09.
12 R.C. 707.22.
In all other respects, the proceedings to establish a village, or review the action of the board of county commissioners, shall be as provided in R.C. 707.01 through 707.14.

**CONTESTING AN INCORPORATION — VILLAGES ONLY**

Persons who wish to contest proceedings for the incorporation of a village may do so by two methods:

1. By appearing at the public hearing held by the board of county commissioners.

2. By filing a petition for an injunction with the court of common pleas for the county in which the territory is located to enjoin the county recorder from making a record of the incorporation and filing a copy of it with the Secretary of State. The method by which to file an injunction can be found in sections 707.11 through 707.14 of the Revised Code.

**PROCEDURE: INCORPORATION OF CITIES**

**A. Criteria**

Cities may be incorporated under the procedures provided in R.C. 707.29 and 707.30. Application for incorporation of a city shall be made by petition filed with the board of county commissioners.

The territory proposed for incorporation as a city must meet all the following criteria:

1. It must consist of at least four square miles.

2. It must have a population of at least 25,000 and a population density of at least 1,000 people per square mile.

---

13 R.C. 707.29.
3. It shall have an assessed valuation of real, personal, and public utility property subject to general property taxation of at least $2,500 per capita.

4. It shall not completely surround an existing municipality.

5. It shall be contiguous.

No territory within the boundaries of a United States military installation, that is used for the housing of members of the United States armed forces and is a center for military operations, shall be incorporated without the approval of the United States Secretary of Defense, his or her designee, or other person having authority under federal law to give such approval.

B. Petition

The petition for incorporation of a city must contain or have attached to it all of the following:

1. Signatures of at least 20 percent of the electors in the territory to be incorporated, as determined by the number of votes cast in that territory for the office of governor at the last gubernatorial election.

2. A full description and accurate map of the territory to be incorporated.

3. A statement signed by the county auditor as to the total assessed valuation of the area.

4. A statement showing that the area meets all of the criteria listed in (A) above.

5. A statement by the Secretary of State that the name proposed in the petition is not being used by any other municipal corporation in the state.

6. The name of a person to act as an agent for the petitioners.

Additionally, the petition must conform to the requirements of R.C. 3501.38.

14 R.C. 707.30.
C. Filing

The petition may be presented to the county commissioners at any session of the commissioners, after which the commissioners must make it available for public inspection.

D. Notice

Upon filing the petition, the agent for the petitioners must publish notice of the filing for incorporation in a newspaper of general circulation within the county for a period of three consecutive weeks. Notice must contain the substance of the petition and the date of filing.

E. After filing

After the petition is filed with the board of county commissioners, the procedure below is followed.

1. The commissioners must inform the board of elections and transfer to it a copy of the petition and any other relevant information so that the board of elections can check the sufficiency of the petition signatures.

2. The board of elections must make a determination of the sufficiency of the signatures and report back to the commissioners within 60 days after the date that the petition was filed with the commissioners.

3. The commissioners may refer the map or plat and description to the county engineer for a report on their accuracy. If the commissioners do so, the county engineer must report back in writing within 90 days of the date on which the petition was filed. The commissioners do not have to accept the conclusions of the engineer.

---

15 R.C. 707.30(C).
16 See Filing fees in Chapter 1.
17 R.C. 707.30(B).
18 R.C. 707.30.
4. During the 90-day period after a petition is filed, any person or municipal corporation may appear before the commissioners in support of or in opposition to the information contained in the incorporation petition. This can be done at any session of the commissioners before the commissioners make a determination on the petition.

F. Determination by the board of county commissioners

Within 90 days after the petition is filed, the commissioners must determine if the territory meets the criteria listed in R.C. 707.30(A) and if the notice requirements have been met. The commissioners must inform the board of elections of the determination.

G. Election

If the board of county commissioners determines that the territory meets all the requirements, and the board of elections determines that the petition is sufficient, the board of elections schedules a special election.

1. Every elector in the territory to be incorporated shall be permitted to vote on the question.

2. Ballot language is prescribed in R.C. 707.30(D).

3. A majority vote is required for approval. If approved, the board of elections must certify the result to the commissioners and incorporation of the area will proceed as provided by sections R.C. 707.08, 707.09, 707.21-707.24, 707.27 and 707.28.

4. If a majority of the voters vote against incorporation, the board of elections must certify the result to the commissioners, incorporation proceedings must cease, and no further petitions calling for the same incorporation may be filed for at least three years after the date of the election.

---

19 R.C. 707.30(D).

20 R.C. 707.30.

21 See Appendix B for suggested ballot language.
5. The entire cost of the election shall be charged to the new municipal corporation, if incorporation is approved. If the proposal is defeated, the costs of the election are to be proportionally charged to the townships proposed to be incorporated.\textsuperscript{22}

6. If incorporation is approved and the area to be incorporated includes any property already owned by another municipal corporation, that property is not subject to zoning regulations of the new municipal corporation as long as the property is used for a public purpose.\textsuperscript{23}

H. Certification by board of county commissioners and by county recorder\textsuperscript{24}

If the result of an election for incorporation as a city pursuant to R.C. 707.30 is favorable, the board of county commissioners shall enter on its journal all of its orders and proceedings relating to the incorporation and shall deliver a certified transcript of all its orders, signed by a majority of the members of the board, the petition, map, and all other papers on file relating to the incorporation proceedings to the county recorder at the earliest time practicable.

The county recorder shall file and preserve in the recorder’s office the transcript or other papers provided by the board of county commissioners pursuant to R.C. 707.08.

At the expiration of 60 days after receiving the papers from the board of county commissioners, the county recorder shall make a record of the petition, transcript (if any), and map in the proper book of records. The recorder also shall file a copy of the record with the Secretary of State.

\textsuperscript{22} R.C. 707.30(E).
\textsuperscript{23} R.C. 707.30(F).
\textsuperscript{24} R.C. 707.08 - 707.09.
I. Effective date

The incorporation of the territory as a village shall be effective as of the date that the record prepared by the county auditor pursuant to R.C. 707.09 is filed with the Secretary of State.

J. Additional procedures when territory to be incorporated is located in two or more counties

When electors residing in two or more counties desire the incorporation of territory in those counties as a city, the petition shall be filed with the board of county commissioners of the county in which the largest number of qualified voters of the proposed city reside, and a statement to that effect shall be set forth in the petition.

The transcript of the board of county commissioners' proceedings, if required, and the other papers relating to the incorporation shall be recorded in the county in which the petition is filed in the manner provided by R.C. 707.09. Within 10 days after such recording, the county recorder shall make a certified transcript of such record for each of the other counties in which any portion of the territory is situated, and shall forward send such transcript to the recorders of such counties, who shall record them in the manner required for original papers.

In all other respects, the proceedings to establish a city, or review the action of the board of county commissioners, shall be as provided in R.C. 707.29 and 707.30.

FIRST ELECTION OF MUNICIPAL OFFICERS

The first officers of a new municipal corporation may be elected at either a primary, general or special election. If the next regular municipal election occurs

---

25 R.C. 707.08 - 707.09.
26 R.C. 707.22.
27 R.C. 707.21.
between 105 and 180 days after the creation of the municipal corporation, the officers will be elected at the election. If there is not a regular municipal election to be held during the times specified, a special election must be held for the purpose of electing the first officers of the municipality.\textsuperscript{28}

A. Time for holding special elections

Special elections may be held on either the day of the primary or general election, or on a date set by the board of elections if there is no regular municipal election within that period.

B. Nomination of candidates

If the first officers of the municipal corporation are to be elected at a special election, candidates for the election must file a nominating petition with the board of elections not fewer than 90 days before the date of the special election. The nominating petitions must be signed by not fewer than 25 electors, nor more than 50, qualified electors of the portion of the township which has been incorporated into the municipal corporation. Nominations for municipal officers to be elected at the next regular municipal election are to be made as otherwise provided by law for election of officers of a municipal corporation.

C. Term of office

Municipal officers elected at a special election hold office until January 1st after the first regular municipal election occurring not fewer than 105 days after the creation of the municipal corporation.

SURRENDER OF CORPORATE POWERS BY PETITION

A. Cities\textsuperscript{29}

A city from which territory has been detached since the last federal census may surrender its corporate rights as a city and be reduced to a village. A petition

\begin{footnotesize}\textsuperscript{28} R.C. 703.07. \textsuperscript{29} R.C. 703.08 - 703.19.\end{footnotesize}
requesting the surrender of corporate rights and the reduction to a village must be presented to the legislative authority. The petition must:

1. Be signed by at least 100 citizens of the city.
2. State that the detachment of territory reduced the population of the city to less than 5,000.
3. State that a majority of the citizens want the municipal corporation to surrender its corporate rights.
4. Request the reduction to a village.
5. Ask the legislative authority to take a census in the city to determine its population.

After receipt of a petition, the legislative authority must, by resolution at its next regular meeting, authorize the city auditor to take a census of the city according to the procedure in R.C. 703.11 through 703.13. If the result of the census shows that the population of the city is less than 5,000, the legislative authority must, by resolution, declare the corporate rights of the city surrendered and reduce it to a village.

After the resolution is passed, the city auditor must make two certified transcripts of the resolution and deliver one to the county recorder and one to the Secretary of State.

B. Villages\textsuperscript{30}

Villages may surrender their corporate powers when a petition signed by at least 30 percent of the electors of a village, as determined by the number of votes cast at the last regular municipal election, is presented to the legislative authority, or in the alternative, to the board of elections of the county in which largest portion of the population of the village resides as provided in R.C. 703.20(B)(1). When the legislative authority receives such a petition, it

\textsuperscript{30} R.C. 703.20.
must provide for a special election conducted in the same manner as regular municipal elections, or in the alternative, if the board of elections receives such a petition, it must present the question to the electors at a general or special election as provided under \textit{R.C 703.20 (B)(I)}. If a majority of electors voting on the issue votes in the affirmative, the village clerk or, in the alternative, the board of elections shall certify the result to the Secretary of State, the auditor of state, and the county recorder, who shall record it. The corporate powers of the village shall cease upon the recording of the certified results in the county recorder’s office.

\textbf{LEGAL (JUDICIAL) ACTION TO DISSOLVE A VILLAGE\textsuperscript{31}}

The Auditor of State may request that the Attorney General institute a legal action in the common pleas court to dissolve a village pursuant to \textit{R.C. 703.201}. If the Auditor finds that a village having a population not exceeding 150 persons and consisting of less than two square miles meets at least two of the six statutorily defined conditions for surrendering corporate powers, the Auditor shall send a certified copy of the report, together with a letter, to the Attorney General requesting the Attorney General to institute legal action to dissolve the village in accordance with \textit{R.C. 703.201(C)}.

The conditions for surrendering corporate power are as follows:

1. The village has been declared to be in a fiscal emergency under \textit{R.C. Chapter 118} and has been in fiscal emergency for at least three consecutive years with little or no improvement on the conditions that caused the fiscal emergency declaration.

2. The village has failed to properly follow applicable election laws for at least two consecutive election cycles for any one elected office in the village.

\textsuperscript{31} \textit{R.C. 703.201}.
3. The village has been declared to be unauditable under R.C. 117.41 in at least two consecutive audits.

4. The village does not provide at least two services typically provided by municipal government, such as police or fire protection, garbage collection, water or sewer service, emergency medical services, road maintenance, or similar services. “Services” does not include any administrative service or legislative action.

5. The village has failed for any fiscal year to adopt the tax budget required by R.C. 5705.28.

6. A village elected official has been convicted of theft in office, either under R.C. 2921.41 or an equivalent criminal statute at the federal level, at least two times in a period of 10 years. The convicted official with respect to those convictions may be the same person or different persons.

After receiving the Auditor of State’s report and letter, the Attorney General may file a legal action to request the dissolution of the village. If a legal action is filed, a court hearing shall be held within 90 days.

At the hearing, the court shall determine if the village meets the conditions for surrendering corporate powers. If the court so finds, it shall order the dissolution of the village and provide for the surrender of corporate powers in accordance with R.C. 703.21. The Attorney General shall file a certified copy of the court’s order of dissolution with the Secretary of State and the appropriate county recorder, who shall record it in their respective offices. Upon the recording in the county recorder’s office, the corporate powers of the village shall cease.
SPECIAL NOTE ABOUT PETITIONS FOR ANNEXATIONS, DETACHMENTS OR MERGERS

Anyone who seeks to petition for an annexation, detachment or mergers is responsible for crafting the appropriate petition. Neither the Secretary of State nor the authorizing statutes prescribe the form of petitions that could be used for these purposes. A petitioner may wish to consult with private legal counsel about crafting the petition to ensure that it satisfies the requirements of the applicable law.

ANNEXATION OF ADJACENT TERRITORY WHEN PROPERTY OWNERS APPLY\(^1\)

Ohio law provides several different procedures by which unincorporated territory may be annexed by a municipality. Some of those procedures may include an election, while others do not. Further, some – but not all – of those procedures will change the eligibility of electors residing in the annexed territory. A board of elections must verify whether an elector residing in newly annexed territory will, or will not, continue to be eligible to vote on township offices and township questions and issues after the annexation becomes effective.

\(^1\) R.C. 709.02 - 709.12.
A. Petition for annexation of contiguous territory

Note: The annexation that may be petitioned for under R.C. 709.02 does not result in an election; there are no requirements as to petition form and content other than those specified below.

Owners of real estate adjacent to a municipality may petition the board of county commissioners in which the territory is located to have the territory annexed to that municipality. “Owner,” as the term is used in this procedure, is defined in R.C. 709.02.

The petition must contain the following:

1. The signatures of a majority of the owners of real estate in the territory to be annexed.
   a. Each signature must have the date the signature was made next to the owner’s name.
   b. Signatures obtained prior to 180 days of filing the petition will not count toward the number of signers.
   c. Owners may withdraw their signature before the petition is filed by delivering a signed statement to the agent for the petitioners that the signer wishes to have his/her signature removed, and the agent receiving such a statement shall strike through the signature on the petition.

2. An accurate legal description of the perimeter of the territory and accurate map or plat of the territory sought to be annexed.

3. The name of a person (or persons) to act as agent(s) for the petitioners. The agent may be an official, employee, or agent of the municipality to which the annexation is proposed.

2 R.C. 709.02.
At the time of filing the petition, the agent for the petitioners also must file with the clerk of the board of county commissioners a list of all tracts, lots, or parcels in both the territory proposed for annexation and the territory adjacent or directly across the road to the proposed annexation.

The list must contain the following:

1. Name and mailing address of the owner of each tract, lot, or parcel.
2. The permanent parcel number from the county auditor’s permanent parcel numbering system.

**B. Action by county commissioners**

1. **Filing**
   
   Petitions described in [R.C. 709.02](https://www.ohiosenate.gov/) must be filed in the office of the board of county commissioners.

2. **Setting hearing and notice of hearing**
   
   Within five days of the petition’s filing, the board of county commissioners must set the date, time, and place for a hearing to be held regarding the petition. The hearing must take place not fewer than 60 days or more than 90 days after the petition is filed. The county commissioners must notify the agent of the petitioners of the date, time, and place of the hearing.

   The agent for the petitioners must, upon notification of the date of the hearing, do all of the following:

   a. Within five days give written notice of the filing, the county in which it was filed, the date and time of the filing, and the date, time, and place of the hearing to the following:
      
         i. The clerk of the municipal legislative authority.

---

3 [R.C. 709.03](https://www.ohiosenate.gov/).
4 [R.C. 709.03](https://www.ohiosenate.gov/).
5 [R.C. 709.03(A)-(D)](https://www.ohiosenate.gov/).
ii. The clerk of all townships in which any portion is included within the territory proposed for annexation.

iii. The clerk of the board of county commissioners of each county in which the proposed territory is located (other than the county where the petition was filed).

iv. The notice must be given by certified mail, return receipt requested, or by personal service on the appropriate governmental officer, with proof of service by affidavit of the person who delivered the notice. Proof of service must be filed with the board of county commissioners with which the petition was filed within 10 days after the completion of service.

b. Within 10 days through regular mail, give notice of the hearing to all property owners within the proposed annex and to those property owners whose names appear on the list presented when the petition was filed. This notice must also include the following:

i. A map of the proposed territory.

ii. A statement of where the petition may be reviewed.

iii. A statement that any owner who signed the petition may remove their signature by filing with the clerk of the board of county commissioners a written notice of withdrawal of their signature within 21 days after the date the agent mails the notice.

iv. A certification of the date of its mailing for this purpose.

v. The agent must file with the board of county commissioners with which the petition was filed, a notarized affidavit that a notice was sent by regular mail to these property owners.

c. Publish notice of the hearing at least once and at least seven days prior to the hearing in a newspaper of general circulation in each
county in which territory proposed for annexation is situated. Within 10 days after the date of the publication or at the hearing, whichever is first, the agent shall file proof of publication of the notice with the board of county commissioners.

3. **Removal of signature**\(^6\)
   Any owner who signed the annexation petition may remove that signature by filing with the clerk of the board of county commissioners a written notice of withdrawal of the owner’s signature within 21 days after the date the agent for the petitioners mailed the notice of the hearing to the owner as provided in **R.C. 709.03(B)(2)**.

   Any signature also may be withdrawn at the hearing on the petition if a majority of the commissioners find that the signature to be withdrawn was obtained by fraud, duress, misrepresentation, or undue influence.\(^7\)

4. **Adoption of statement of services**\(^8\)
   After receiving notice of the hearing, the municipal legislative authority must adopt a statement indicating what services the municipality will provide and the approximate date by which it will provide these services to the territory proposed to be annexed.

**C. Referral to the county engineer and amendment of petition**\(^9\)

The county commissioners must, within five days of the petition’s filing, refer the description and map or plat of the territory to be annexed to the county engineer for a report on their accuracy. Once received, the County Engineer must file, at least 25 days before the hearing, a written report based on the engineer’s findings.

---

\(^6\) **R.C. 709.03(C)**.  
\(^7\) **R.C. 709.032**.  
\(^8\) **R.C. 709.03(D)**.  
\(^9\) **R.C. 709.031(A), (B)**.
The petition may be amended without notice by leave of the board of county commissioners and with consent of the petitioner’s agent so long as it does not add territory and is made at least 15 days before the hearing. The county commissioners may refer the legal description of the perimeter, map, or plat to the county engineer if revisions are made. The county engineer must then file on or before the date of the hearing, a written report with the county commissioners based on the engineer's findings.

In either case, the engineer’s findings are not conclusive upon the county commissioners. If the engineer fails to make a report, the county commissioners’ jurisdiction or duty to proceed will not be affected.

D. Subpoenas by the board\(^\text{10}\)

The board of county commissioners may, or at the request of any necessary party shall, issue subpoenas for witnesses or for books, papers, correspondence, memoranda, agreements, or other documents or records relevant or material to the petition, directed to the sheriff of each county where the requested information is found. Subpoenas shall be served and returned in the same manner as those allowed by the court of common pleas in criminal cases.\(^\text{11}\)

In case of disobedience of a subpoena, any member of the board of county commissioners, or a necessary party, may compel obedience by attachment proceedings for contempt as in the case of disobedience of the requirements of subpoena issued from the court or a refusal to testify in the court. An owner of a company, firm, partnership, association, or corporation that is subpoenaed may have an agent or attorney appear before the board on that owner’s behalf.

E. Proof of authority\(^\text{12}\)

Any owners of real estate in the proposed annexation territory or any board of township trustees of any township containing any territory in the proposed

\(^{10}\text{R.C. 709.032(B).}\)

\(^{11}\text{R.C. 709.032(B).}\)

\(^{12}\text{R.C. 709.031(C).}\)
annexation may request reasonable proof be presented of the authority of a person signing the petition on behalf of any person other than a natural being, the state, or a political subdivision of the state.

The request must be in writing and filed with both the board of county commissioners and with the agent for the petitioners at least 15 days prior to the hearing. Once filed, the petitioner’s agent must present to the board at the hearing sufficient evidence by either affidavit or testimony to establish that the owner is a person other than a natural being, the state, or a political subdivision of the state and that the owner authorized the person whose signature is on the petition to sign it on his behalf.

If the board does not find sufficient evidence to establish this authority, it shall remove the signature from the petition.

**F. Hearings and testimony**

The hearing is public and any person, whether or not represented by counsel, may appear to support or contest the granting of the petition.

1. Testimony of persons appearing at the hearing shall be given under oath and is subject to cross examination by the necessary parties.

2. Affidavits may be considered by the county commissioners only if filed with the county commissioners and served at least 15 days before the hearing on the necessary parties in accordance with the Ohio Rules of Civil Procedure.

3. Necessary parties or their representatives may present evidence, examine and cross examine witnesses, and comment on all evidence, including affidavits, presented to the county commissioners.

4. An owner who signed the petition may testify under oath that his or her signature on the petition was obtained by fraud, duress, misrepresentation, or undue influence. After hearing such testimony, the

---

13 R.C. 709.032(B)-(D).
commissioners may remove signatures they find were obtained by fraud, duress, misrepresentation, or undue influence.

The board of county commissioners shall make, by electronic means or some other suitable method, a record of the hearing. If a request, along with a deposit to pay the costs, is filed with the board of county commissioners no later than seven days before the hearing, the county commissioners shall provide an official court reporter to record the hearing. The record of the hearing need not be transcribed unless a request, accompanied by an amount to cover the cost of transcribing the record, is filed with the board of county commissioners.

G. Resolution granting or denying annexation

After the hearing, the board of county commissioners shall enter a resolution upon its journal granting the annexation if it finds by a preponderance of the evidence that:

1. The petition meets the requirements of R.C. 709.02.
2. The valid signers of the petition constitute a majority of the owners of real estate in the territory proposed to be annexed.
3. The municipality has adopted a statement of what services will be provided to the territory to be annexed pursuant to R.C. 709.03(D).
4. The territory is not unreasonably large, the map or plat is accurate, and the general good of the territory will be served if the petition is granted.
5. No street or highway will be divided or segmented by the boundary line between a township and the municipality as to create a road maintenance problem. A municipality may agree, as a condition to the annexation, to assume the maintenance of a divided or segmented street or highway to avoid a maintenance problem.

---

14 R.C. 709.033.
The commissioners must grant or deny the petition within 30 days after the hearing. The clerk of the board must send a certified copy of the entered resolution to the agent for the petitioners, the clerk of the municipal legislative authority, the fiscal officer of each township in which the territory proposed for annexation is located, and the clerk of the board of county commissioners of each county in which the territory proposed for annexation is located. The clerk of the board shall take no further action until the expiration of 30 days after the date of the journal entry.

After 30 days, if no appeal has been timely filed under R.C. 709.07, the clerk of the board of county commissioners shall take one of the following actions:

1. If the board of county commissioners grants the petition, the clerk shall deliver a certified copy of the record of the proceedings, signed by a majority of the board members, along with the petition, map, and all other related papers on file to the auditor or clerk of the municipality.

2. If the board of county commissioners denies the petition, it must send a certified copy of its order to the agent for the petitioners and to the clerk of the municipality.

If an appeal has been timely filed under R.C. 709.07, the clerk of the board of county commissioners shall take further action only in accordance with that section.

H. Approval/rejection of the annexing body

At the next regular session of the legislative authority of the municipality to which the annexation is proposed, after 60 days from the date the clerk of the board of county commissioners files all applicable documents with auditor or clerk of the municipality to which the annexation is proposed, the auditor or clerk must present the transcript and map or plat and petition to the legislative authority. The legislative authority, by resolution or ordinance, must either accept or reject the application for annexation.

---

15 R.C. 709.04 - 709.06.
1. **Approval**

   If the annexation is accepted, the municipality must make three copies of the petition, map or plat, transcript of the hearing and the ordinance or resolution with a certification attached to each copy attesting that it is correct. One copy is filed with the county auditor, one with the county recorder, and one with the Secretary of State.\(^\text{16}\)

2. **Rejection**

   If the legislative authority fails to pass an ordinance or resolution accepting the application for annexation within 120 days after receiving the transcript from the auditor or clerk, the application is considered rejected.\(^\text{17}\)

   If the annexation is rejected by the municipality, no further proceedings are held, but rejection does not bar a later petition on the same subject.\(^\text{18}\)

**I. Appeals\(^\text{19}\)**

An appeal of the county commissioner’s action on an annexation petition may be pursued by the parties described in R.C. 709.07 in the manner described in R.C. 709.07.

**J. Effective date\(^\text{20}\)**

Annexation generally becomes effective 30 days after passage of the resolution or ordinance by the legislative authority. If, however, the resolution or ordinance is subject to a referendum, the annexation is effective 30 days after approval by the electors.

\(^{16}\) R.C. 709.06.
\(^{17}\) R.C. 709.04.
\(^{18}\) R.C. 709.05.
\(^{19}\) R.C. 709.07.
\(^{20}\) R.C. 709.10.
K. Annexation involving land in two or more counties

If the territory proposed for annexation under this chapter is situated in more than one county, the annexation proceedings shall be in the county in which the majority of acreage of the territory proposed for annexation is situated.

SPECIAL PROCEDURES FOR ANNEXING LAND

A petition filed under one of the special procedures in R.C. 709.021 to 709.024 must contain the same information as a petition for annexation of a contiguous territory. This includes the filing of the list of all tracts, lots or parcels. “Owner,” as the term used under special procedures, is also defined in R.C. 709.02(E).

A petition filed under R.C. 709.021 must specifically request one of the following special procedures:

1. Annexing land with consent of all parties
   The petition to collect signatures for this special procedure must contain in boldface capital letters immediately above the heading of the place for signatures of each part of the petition the following:
   “WHOEVER SIGNS THIS PETITION EXPRESSLY WAIVES THEIR RIGHT TO APPEAL ANY ACTION ON THE PETITION TAKEN BY THE BOARD OF COUNTY COMMISSIONERS. THERE IS ALSO NO APPEAL FOR THE BOARD’S DECISION IN THIS MATTER IN LAW OR IN EQUITY.”

   The petition must be accompanied by a certified copy of an annexation agreement or of a cooperative economic development agreement.

---

21 R.C. 709.11.
22 R.C. 709.021 - 709.024.
23 R.C. 709.022.
24 R.C. 709.022(B).
25 R.C. 709.192.
26 R.C. 701.07.
entered into by the municipality and each township any portion of which is included within the territory proposed for annexation.

Upon receipt of both the petition and agreement, the board of county commissioners, at the next regular session, shall enter resolution granting annexation without a hearing.

There is no appeal from the board of county commissioners' decision in law or in equity.

After the board of county commissioners grants the petition for annexation, the clerk of the board shall deliver a certified copy of the entire record of the annexation proceedings to the auditor or clerk of the municipality to which annexation is proposed.27

2. Annexing of land into municipality when land is not to be excluded from township28

Each part of a petition for this special annexation procedure must contain, in boldface capital letters immediately above the heading of the place for signatures, the following:

“WHOEVER SIGNS THIS PETITION EXPRESSLY WAIVES THEIR RIGHT TO APPEAL IN LAW OR EQUITY FROM THE BOARD OF COUNTY COMMISSIONERS’ ENTRY OF ANY RESOLUTION PERTAINING TO THIS SPECIAL ANNEXATION PROCEDURE, ALTHOUGH A WRIT OF MANDAMUS MAY BE SOUGHT TO COMPEL THE BOARD TO PERFORM ITS DUTIES REQUIRED BY LAW FOR THIS SPECIAL ANNEXATION PROCEDURE.”29

Upon the filing of the petition in the office of the clerk of the board of county commissioners, the clerk will cause the petition to be entered upon the board’s journal at its next regular session.

27 R.C. 709.022.
28 R.C. 709.023.
29 R.C. 709.023(A).
a. Notice

Within five days of this filing, the agent of the petitioner must notify the following people:

i. The clerk of the legislative authority of the municipality to which annexation is proposed.

ii. The fiscal officer of each township any portion of which is included within the territory proposed for annexation.

iii. The clerk of the board of county commissioners of each county in which the proposed territory is located (other than the county in which the petition is filed).

iv. The owners of property adjacent to the proposed territory or adjacent to a road that is adjacent to the proposed territory and located directly across the road from that territory.

The notice must contain the following:

i. Time and date when the petition was filed.

ii. The county in which the petition was filed.

iii. A copy of the petition and any other attachments or documents that must accompany the petition when filed.

Proper notice depends on the status of the individual.

i. Notice to a property owner is valid if sent by regular U.S. Mail to the mailing address listed on the county auditor’s records.

ii. Notice to a governmental officer is valid if given by certified mail with return receipt requested, or by causing the notice to be personally served on the officer with a proof of service by affidavit of the person who delivered the notice. The proof of

30 R.C. 709.023(B).
service must be filed with the board of county commissioners with which the petition was filed.

b. **Municipality’s duties**

The legislative authority of the municipality to which annexation is proposed must, within 20 days of the filing of the petition, adopt an ordinance or resolution stating the services it will provide and the approximate date by which it will provide them, to the proposed territory to be annexed to the municipality.

The municipality is entitled in its sole discretion to provide additional services to those described in the ordinance or resolution upon annexation.

If, at the time the petition is filed, the proposed territory is subject to zoning regulations of either [Revised Code Chapter 303 (county)](http://www.ohio.gov/mb/docs/ohio_bldgCode/303.pdf) or [Revised Code Chapter 519 (township)](http://www.ohio.gov/mb/docs/ohio_bldgCode/519.pdf), the municipal legislative authority must adopt an ordinance or resolution stating that if the territory is annexed and becomes subject to zoning by the municipality that:

i. Municipal zoning permits uses in the annexed territory that are determined by the municipality to be incompatible with the uses permitted under current county or town zoning regulations in the adjacent, non-annexed land within the township.

ii. The municipality will require, in the ordinance allowing incompatible uses, the owner of the annexed land to provide a buffer separating the annexed land from the adjacent land remaining within the township.

For the purposes of this section, “buffer” includes open space, landscaping, fences, walls, and other structured elements; streets and street rights-of-way; and bicycle and pedestrian paths and sidewalks.

---

31 R.C. 709.023(C).
The clerk of the municipality must file the ordinances or resolutions with the county commissioners within 21 days of filing the petition. The county commissioners must make the ordinances or resolutions available for public inspection.

c. Consent or objecting to the proposed annexation\(^{32}\)

Within 25 days after the date that the petition is filed, the legislative authority of the municipality to which annexation is proposed and of each township, any portion of which is included within the territory proposed for annexation, may adopt and file with the county commissioners a resolution or ordinance consenting or objecting to the proposed annexation.

If the municipality and each of the townships timely file an ordinance or resolution consenting to the proposed annexation, the county commissioners at their next regular session shall enter a resolution upon their journal granting the proposed annexation.

If the municipality and any of the townships fail to timely file an ordinance or resolution consenting or objecting to the proposed annexation, the county commissioners shall deem this act to constitute consent by that municipality or township to the proposed annexation.

An objection to the proposed annexation shall be based solely upon the petition’s failure to meet the conditions specified in R.C. 709.023(E), which are follows:

i. The petition meets all the requirements set forth and was filed in the manner provided in R.C. 709.021.

ii. The persons who signed the petition are owners of the real estate located in the territory proposed for annexation and constitute all of the owners of real estate in that territory.

\(^{32}\) R.C. 709.023(D), (E), (F), (G).
iii. The territory proposed for annexation does not exceed 500 acres.

iv. The territory proposed for annexation is adjacent to the municipality to which annexation is proposed for a continuous length of at least 5 percent of the perimeter of the territory proposed for annexation.

v. The annexation will not create an unincorporated area of the township that is completely surrounded by the territory proposed for annexation.

vi. The municipality to which annexation is proposed has agreed to provide to the territory proposed for annexation the services specified in the relevant ordinance or resolution adopted under R.C. 709.023(C).

vii. If a street or highway will be divided or segmented by the boundary line between a township and the municipality in a manner that creates a road maintenance problem, the municipality to which annexation is proposed has agreed, as a condition to the annexation, to assume the maintenance of the street or highway or otherwise to correct the problem.

If there is an objection based upon the above requirements, the board of county commissioners shall review the petition not less than 30 or more than 45 days after the date that the petition is filed.33

If the county commissioners find that all of the above conditions have been met, they shall enter a resolution upon their journal granting the annexation. However, if the county commissioners find that one or more of the conditions have not been met, they shall enter a resolution upon their journal stating which of those conditions they find have not been met and deny the petition.34

33 R.C. 709.023(E).
34 R.C. 709.023(F).
If a petition is granted either by municipality and township approval or county commissioner approval, the clerk of the board of county commissioners shall proceed as provided in R.C. 709.033(C)(1), except that no recording or hearing exhibits would be involved.  

**d. Township taxes and zoning**

Unless otherwise provided in an annexation agreement entered into pursuant to R.C. 709.192 or in a cooperative economic development agreement entered into pursuant to R.C. 701.07, territory annexed into a municipality under this section will not, at any time, be excluded from the township under R.C. 503.08 and, thus, remains subject to the township’s real property taxes.

Any owner of land that remains within a township, is adjacent to territory annexed under this section, and is directly affected by the failure of the annexing municipality to enforce compliance with any zoning ordinance requiring the annexed owner to provide a buffer zone, may bring a civil action in the court of common pleas against that owner to enforce compliance with the buffer requirement whenever the required buffer is not in place before any development of the annexed territory begins.

**3. Annexing land into a municipality for the purpose of undertaking a significant economic development project**

**a. Significant economic development project**

“Significant economic development project” means one or more economic development projects that can be classified as industrial, distribution, high technology, research and development, or

38 R.C. 709.023(I).
39 R.C. 709.024(A).
commercial, which projects may include ancillary residential and retail use and which projects shall satisfy all of the following:

i. Total real and personal property investment in a project is in excess of ten million dollars through land and infrastructure, new construction, reconstruction, installation of fixtures and equipment, or the addition of inventory, excluding investment solely related to the ancillary residential and retail elements, if any, of the project (Private real and personal property investment does not include payments in lieu of taxes).

ii. The project creates an additional annual payroll in excess of one million dollars, excluding payroll arising solely out of the retail elements, if any of the project.

iii. The project has been certified by the state director of development as meeting the above requirements.

b. Filing and notice. Once the petition is filed, the clerk of the board of county commissioners will enter the petition upon the journal of the county commissioners at its next regular session. Within five days of this filing, the agent of the petitioner must notify the following:

i. The clerk of the legislative authority of the municipality to which annexation is proposed.

ii. The fiscal officer of each township any portion of which is included within the territory proposed for annexation.

iii. The clerk of the board of county commissioners of each county in which the proposed territory is located (other than the county in which the petition is filed).

iv. The owners of property adjacent to the proposed territory or

40 R.C. 709.024(B).
adjacent to a road that is adjacent to the proposed territory and located directly across the road from that territory.

The notice must contain the following:

i. Time and date when the petition was filed.

ii. The county in which the petition was filed.

iii. A copy of the petition and any other attachments or documents that must accompany the petition when filed.

Proper notice depends on the status of the individual:

i. Notice to a property owner is valid if sent by regular U.S. Mail to the mailing address listed on the county auditor’s records.

ii. Notice to a governmental officer is valid if given by certified mail with return receipt requested, or by causing the notice to be personally served on the officer with a proof of service by affidavit of the person who delivered the notice. The proof of service must be filed with the board of county commissioners with which the petition was filed.

The municipal legislative authority must, within 20 days of receiving notice, adopt an ordinance or resolution stating the services it will provide and the approximate date by which it will provide them, to the proposed territory.\(^{41}\)

The municipality is entitled in its sole discretion to provide additional services to those described in the ordinance or resolution upon annexation.\(^{42}\)

\(^{41}\) R.C. 709.024(C)(2).

\(^{42}\) R.C. 709.024(I).
If a hearing is to be conducted under this section, the legislative authority must file the ordinance or resolution with the clerk of the board of county commissioners at least 20 days before the date of the hearing.

c. **Consenting or objecting to the petition**[^43]

The legislative authority of the municipality to which annexation is proposed and each township, any portion of which is included within the territory proposed for annexation, may adopt and file with the board of county commissioners a resolution or ordinance consenting or objecting to the proposed annexation.[^44]

This resolution or ordinance must be made within 30 days after the date that the petition is filed.

If the municipality and any of the townships fail to timely file an ordinance or resolution consenting or objecting to the proposed annexation, the county commissioners shall deem this act to constitute consent by that municipality or township to the proposed annexation.

If all parties to the annexation proceedings consent to the proposed annexation, a hearing shall not be held, and the county commissioners, at their next regular session, shall enter a resolution into their journal granting the annexation. There is no appeal in law or in equity from the county commissioners' entry of a resolution under this division. The clerk of the board of county commissioners shall proceed as provided in [R.C. 709.033(C)(1)].[^45]

An objection to the proposed annexation must be based solely upon the petition’s failure to meet any of the following conditions:

[^43]: R.C. 709.024(C)(1), (D), (E), (F).
[^44]: R.C. 709.024(C)(1).
[^45]: R.C. 709.024(D).
i. The petition meets all the requirements set forth and was filed in the manner provided in R.C. 709.021.

ii. The persons who signed the petition are owners of the real estate located in the territory proposed for annexation and constitute all of the owners of real estate in that territory.

iii. If a street or highway will be divided or segmented by the boundary line between a township and the municipality in a manner that creates a road maintenance problem, the municipality to which annexation is proposed has agreed, as a condition to the annexation, to assume the maintenance of the street or highway.

iv. The municipality to which the territory is proposed to be annexed has adopted an ordinance or resolution as required by R.C. 709.024(C)(2).

v. The state director of development has certified that the project meets the requirements of R.C. 709.024 (A)(1) and (2), and thus qualifies as a significant economic development project. The director’s certification is binding on the board of county commissioners.

d. Potential hearings and notification

If all parties do not consent to the proposed annexation, a hearing shall be held on the petition. The hearing shall take place at the board of county commissioners’ next regular session. The county commissioners will notify the agent for the petitioners of the hearing’s date, time, and place.47

The agent for the petitioners must give notice, within five days after receipt of the notice of the hearing, to those parties and owners

---

46 R.C. 709.024(E), (F).
47 R.C. 709.024(E).
entitled to notice under R.C. 709.024(B) of the date, time, and place of the hearing. Notice to a property owner is sufficient if sent by regular U.S. Mail to the tax mailing address listed on the county auditor’s records.

At the hearing, the parties and any owners of real estate within the territory proposed to be annexed are entitled to appear for the purposes described in R.C. 709.032(C).

Within 30 days after the hearing, the board of county commissioners shall enter upon its journal a resolution granting or denying the proposed annexation. The resolution shall include the specific findings of fact as to whether or not each of the conditions listed above which allow a party to object to the annexation has been met. If the county commissioners grant the annexation, the clerk of the board will proceed as provided in R.C. 709.033(C)(1).

The board shall enter a resolution granting the annexation if it finds, based upon a preponderance of the substantial, reliable, and probative evidence on the whole record that all of the conditions under R.C. 709.024(F)(1) to (5) are met.

e. Appeals and township taxes

An owner who signed the petition may appeal a decision of the board of county commissioners denying the proposed annexation under R.C. 709.07. No other person has standing to appeal the board of county commissioners' decision in law or in equity. If the county commissioners grant the annexation, there shall be no appeal in law or equity.50

Unless otherwise provided in an annexation agreement entered into pursuant to R.C. 709.192 or in a cooperative economic development

48 R.C. 709.024(F).
49 R.C. 709.024(G), (H).
50 R.C. 709.024(G).
agreement entered into pursuant to R.C. 701.07, territory annexed into a municipality under this section will not, at any time, be excluded from the township under R.C. 503.08 and, thus, remains subject to the township’s real property taxes. 51

ANNEXATION ON APPLICATION OF A MUNICIPALITY 52

A. Ordinance by the legislative authority 53

The municipal legislative authority proposing the annexation shall pass, by a vote of not less than a majority of the members elected to the legislative authority, an ordinance authorizing the annexation.

B. Petition to county commissioners 54

The municipality shall file a petition with the board of county commissioners requesting annexation. The petition shall:

1. Describe the territory desired to be annexed, including an accurate legal description of the perimeter.

2. Include an accurate map or plat of the territory desired to be annexed.

3. State that annexation of the desired territory was authorized under an ordinance of the legislative authority.

C. Proceedings before the board of county commissioners 55

1. Who may petition; Nature of the proceedings 56

A municipality may petition the board of county commissioners to annex

51 R.C. 709.024(H).
52 R.C. 709.13 - 709.16.
54 R.C. 709.15.
55 R.C. 709.16.
56 R.C. 709.16(A), (E), (F).
a contiguous territory owned only by the municipality, a county, or the state. The clerk of the board of county commissioners shall cause the petition to be entered upon the commissioner's journal at its next regular session. The proceedings on this petition will be conducted under this section to the exclusion of any other provisions except for R.C. 709.014, 709.14, 709.15, 709.20 and 709.21.

The board of county commissioners must act upon a petition for annexation filed under this section within 20 days after receipt of the petition.57

There is no appeal in law or equity available from the granting of an annexation under this section.58

Territory annexed under R.C. 709.16 shall not be excluded from the township under R.C. 503.07.

2. **Municipally owned adjacent territory**59
   The board of county commissioners shall grant the annexation if the only territory to be annexed is an adjacent territory owned by a municipality. The annexation will be complete upon entry of the resolution into the journal of the commissioners granting the annexation.

3. **County owned adjacent territory**60
   The board of county commissioners may grant or deny the annexation if the only territory to be annexed is an adjacent territory owned by a county. The annexation will be complete upon entry of the resolution into the journal of the county commissioners granting the annexation.

---

57 R.C. 709.16(E).
58 R.C. 709.16(F).
59 R.C. 709.16(B).
60 R.C. 709.16(C).
4. **State owned adjacent territory**\(^{61}\)

If the only territory to be annexed is an adjacent territory owned by the state, the county commissioners shall grant the annexation if the director of administrative services filed a written consent to granting annexation with the board of county commissioners. The annexation will be complete upon entry of the resolution into the journal of the board of county commissioners granting the annexation.

5. **Voided annexation**\(^{62}\)

When a municipality purchases real property below an appraised fair market value and sells, or agrees to sell, the property back to the person who sold it to the municipality, an annexation of that property completed under this section shall be void, and the annexed property shall become part of the township from which it was annexed, if it still exists. If the township no longer exists, the board of county commissioners shall attach the annexed territory to another township.

### ANNEXATION OF ONE MUNICIPALITY TO ANOTHER MUNICIPALITY\(^{63}\)

#### A. Proposal by the legislative authority

Any municipal legislative authority may propose annexation of its territory to that of any contiguous municipality by passing an ordinance declaring that it wants to be annexed and appointing three commissioners to represent it in negotiations and to arrange the conditions of the annexation.\(^{64}\)

#### B. Petition for annexation

The legislative authority of a municipality proposed to be annexed to an adjoining or contiguous municipality must pass an ordinance declaring

---

\(^{61}\) R.C. 709.16(D).
\(^{62}\) R.C. 709.16(G).
\(^{63}\) R.C. 709.22 - 709.34.
\(^{64}\) R.C. 709.23.
the desire of the municipality to be annexed and the appointment of
three commissioners to represent it in such negotiations within 30 days after
presentation of a petition signed by no less than 25 percent of the electors
of the municipality to be annexed who voted at the last regular municipal
election. The petition must contain a certificate, under oath, from the director of
the board of elections stating that it contains a sufficient number of signatures.
The legislative authority shall pass the ordinance within 30 days of receiving such
a petition.65

The ordinance passed by the municipality of its own accord or by petition
shall specify whether the annexation is for corporate municipal purposes only
or for corporate municipal purposes and school purposes. If it is for both, such
questions shall be submitted separately, although they may be printed on
the same ballot. In the latter instance, the ordinance shall be certified to the
board(s) of education in each municipality. The question shall be submitted to
all electors of the affected school district(s).66

1. Territory proposing to be annexed67
   In all cases, the municipal authority of the territory proposing to be
   annexed shall appoint three commissioners to negotiate the terms of
   annexation.

2. Annexation for school purposes68
   In cases where the annexation is desired for both corporate municipal
   and school purposes, the municipal authorities of the territory to be
   annexed and the municipality to which annexation is proposed shall each
certify a copy of the ordinance or petition to their respective boards of
   education. Each board of education shall appoint three commissioners to
   negotiate the terms of annexation with respect to school purposes.

---
65 R.C. 709.24, 709.27.
66 R.C. 709.25.
67 R.C. 709.23, 709.24, 709.25.
68 R.C. 709.25.
3. **Territory to which annexation is proposed**

   Upon passage of the ordinance, the clerk of the legislative authority of the territory proposing to be annexed shall submit a certified copy of the ordinance proposing annexation to the legislative authority of the municipality to which annexation is proposed. The legislative authority to which annexation is proposed may then, within 30 days after receipt of the certified copy, pass an ordinance appointing three commissioners to represent it in annexation negotiations.

   **C. Conditions of annexation***

   The negotiating commissioners of each municipality shall arrange the conditions of annexation and report to their respective legislative authorities regarding the conditions upon which annexation may take place within 120 days of their appointment.

   If the negotiating commissioners are unable to agree on conditions within 120 days, the probate judge of the county in which the municipalities are situated must appoint an additional commissioner who is not a resident of either municipality to aid in negotiating the conditions.

   Once four commissioners agree on the conditions of annexation, their decision will be considered the conditions of annexation. The negotiating commissioners must report their findings to the legislative authority of each municipality involved.

   **D. Election***

   Within 30 days after receiving the report of the commissioners, the legislative authorities shall, by ordinance, prescribe the manner in which the issue is to be submitted to the electors and certify the question to the board of elections. The election on the issue of annexation will be held in both municipalities.

---

70 R.C. 709.28.
71 R.C. 709.29.
The issue will be on the ballot at the next regular election or primary election occurring not fewer than 90 days after filing the conditions of annexation by the negotiating commissioners with the board of elections. The ordinance shall prescribe how the issue will appear on the ballot, which shall conform to the conditions agreed to by the negotiating commissioners. The issue shall be published at least 20 days before the election in a manner prescribed in the ordinance. A copy shall be mailed to each voter.72

1. **Annexation approved**73
   If a majority of the electors of each municipality voting on the question are in favor of annexation, the board of elections shall certify the results of the election in each municipality to the legislative authorities of both municipalities.

2. **Effective date of annexation**74
   The annexation is effective on the date that the auditor or clerk of the territory to be annexed makes and certifies two transcripts of the ordinances, abstracts of votes and related papers, and files one copy with the county recorder and the other with the Secretary of State.

3. **Waiver of election**75
   The legislative authority of a city to which annexation is sought or the board of education to which annexation of another school district is sought may waive the submission of the question of annexation to the voters. An election shall be held, however, if a petition signed by 25 percent of the electors of the city or district is filed within 30 days of the adoption of the annexation ordinance.

---

72 See Appendix B for suggested ballot language.
73 R.C. 709.31.
74 R.C. 709.32, 709.33.
75 R.C. 709.30.
DETACHMENT FROM MUNICIPAL CORPORATION

A. Petition by majority of electors

The majority of electors owning land in any portion of a municipality may petition the board of county commissioners to detach that territory from the municipality. If there are no registered electors who own land in the territory, a majority of the owners of land in such territory may sign and submit a petition as described previously. The petition shall include an accurate description and map or plat of the territory in question. With the approval, by ordinance, of the legislative authority of the municipal corporation, the board of county commissioners must detach the land after receiving the petition. The land may be attached to any contiguous township or, if the petition so requests, may be formed into a new township.

Before the territory is attached or detached, the board of county commissioners shall: apportion existing indebtedness; adjust and divide between the contiguous or new township and the municipality, money or credits belonging to each; and order the amount adjusted to be paid or delivered by the parties in possession to the proper officers of the appropriate political subdivisions.

B. Petition for election on the question of detachment - Villages

The electors of a portion of the village contiguous to an adjoining township and comprising not less than 1,500 acres of land may file a petition with the board of elections requesting that an election be held on the question of detachment from the village.

1. Petition requirements

   The petition shall contain:

76 R.C. 709.38 - 709.42.
77 R.C. 709.38.
78 R.C. 709.39, 709.40.
79 See Filing Fees in Chapter 1.
a. An accurate description of the territory to be detached.

b. An accurate map or plat.

c. The name proposed for the new township, where the creation of a new township is also sought.

d. The name of a person to act as the agent of the petitioners.

e. Signatures equal in number to 15 percent of the total number of votes cast at the last general election in the territory to be detached.

If no electors own land in the territory, a majority of the owners of land in such territory may sign and submit a petition as described previously.

2. Order for election

The board of elections shall examine the petition within 10 days after it is filed. If the petition is sufficient (as described in #1 above), the board shall order an election, which shall be held within the territory to be detached on a day named by the board of elections, which may not be less than 90 days after the petition is determined to be sufficient.

a. Notice

The board of elections shall give 10 days notice of the election by publication in a newspaper of general circulation in the territory to be detached. The board shall also post written notice of the election in three or more public places within the territory.

b. Ballot language

The ballots shall contain the words, “For Detachment” and “Against Detachment.”

c. Outcome of election

If a majority of the ballots cast are against detachment, no further proceedings may occur for a period of two years. If the majority

---

80 See Appendix B for suggested ballot language.
of the votes cast are for detachment, the results, together with the original petition, plat and transcript of all proceedings, shall be certified by the board of elections and delivered to the county recorder. When the recorder has made a record, he shall certify a transcript and forward it to the Secretary of State. The detachment of the territory from the village is then complete.

3. **Apportionment of property, funds, and debt**
   When the territory is detached from a village, an apportionment of the property, funds, and indebtedness of the village must be made between the village and the detached territory. If the village authorities and the public authorities in control of the detached territory cannot agree on the apportionment, it must be made by the probate court, upon application by the authorities of either the village or the detached territory.

**C. Petition for detachment of farm land**<sup>81</sup>

The owner of unplatted farm lands annexed to any municipality after incorporation may file a petition with the court of common pleas of the county in which the lands are situated, setting forth the reasons why the land should be detached and asking for relief. The petition may be filed no sooner than five years after annexation of the land.

---

**ELECTION ON QUESTION OF MERGER OF ONE MUNICIPALITY TO ANOTHER MUNICIPALITY, OR MERGER OF UNINCORPORATED AREA OF TOWNSHIP TO ONE OR MORE MUNICIPALITIES**<sup>82</sup>

**A. Petition for merger**<sup>83</sup>

A petition may be filed with the board of elections proposing that one or more municipalities be merged with another municipality, or that the unincorporated area of a township be merged with one or more municipalities.

---

<sup>81</sup> R.C. 709.41.

<sup>82</sup> R.C. 709.43 - 709.50.

<sup>83</sup> R.C. 709.45.
1. The petition may be presented in separate parts.

2. Each petition must contain the purpose of the petition and the names of not less than five electors from each municipality or unincorporated area of a township proposed to be merged who will serve on the merger commission.

3. Each petition must contain the signatures of not less than 10 percent of the number of electors of the municipality or unincorporated area of the township who voted in the last gubernatorial election.

4. The petition is governed by requirements of R.C. 3501.38.

5. The petition must be filed with the board of elections in the county where the largest portion of the population of the municipality with which merger is proposed resides.

6. The board of elections determines sufficiency and validity of petitions.

7. Ballot language is prescribed in R.C. 709.45.

B. Election on question required on petition of electors

The question of whether one or more municipalities or the unincorporated area of a township shall be merged shall be submitted to the electors at the general election occurring at least 90 days after the petition is filed with the board of elections of the county in which the largest portion of the municipality to be merged resides. The question is submitted to the electors of each political subdivision proposed to be merged and to the electors of the municipality to which merger is proposed. Provision shall be made on the ballot for the election of five electors from each political subdivision involved who shall constitute the commission to draw up the statement of conditions for merger of the political subdivisions.

---

84 R.C. 709.45.
If any of the political subdivisions for which merger is proposed are located wholly or partially in a county other than the one in which the petition is required to be filed, the board of elections of the county in which the petition is filed must, if the petition is found to be sufficient, certify the sufficiency of the petition and the statement of the issue to the boards of elections of the other counties. The boards of elections of the other counties must submit the question of merging and the names of candidates to be elected to the merger commission to the electors in the relevant portions of the political subdivisions in their respective counties, and certify the result of the election to the board of elections of the county in which the petition must be filed.

In addition to the filing of the petition with the board of elections, a copy of the petition shall be filed with the legislative authority of each affected municipality and, if applicable, the board of township trustees of each affected township. Each municipal legislative authority and, if applicable, board of township trustees, shall state its position on the proposed merger at a public meeting scheduled not less than 30 days before the election at which the question of merging is submitted to the electors.85

The outcome and effect of the election on the question of merger shall be as provided in R.C. 709.46 to 709.48.

1. Merger in lieu of petition86
   In lieu of filing a petition under R.C. 709.45, if the legislative authorities of each political subdivision that may be merged as provided in R.C. 709.44 agree to a merger and adopt, by a two-thirds vote of each legislative authority, an ordinance or resolution proposing a merger, no election of a commission to draw up a statement of conditions for merger of the political subdivisions shall be held. Instead, the legislative authorities of those political subdivisions shall have 120 days to enter into a merger agreement that specifies the conditions of the proposed merger.

---

85 R.C. 709.45(C).
2. **Submission of merger question to voters**\(^\text{87}\)

The legislative authority of each municipality or township proposed for merger under **R.C. 709.44** that adopts a merger agreement under **R.C. 709.451** shall submit the question of merger to the electors of the municipalities and township. The legislative authorities shall certify the ordinances or resolution that adopted the merger agreement to the board, or boards, of elections, if the territory proposed for merger is located in more than one county, directing the submission of the merger question at a special election to be held on the day of the next primary or general election that occurs not less than 90 days after the ordinances or resolution are certified to the board(s) of elections. The question shall be put on the ballot and voted upon, separately, in each municipality or township proposed for merger.

The ordinances or resolution specifying the merger conditions agreed to by the municipalities and township shall be posted on the websites of those municipalities and township, and shall be published in a newspaper of general circulation in the municipalities and township once a week for two consecutive weeks prior to the election.

If the merger is approved by a majority of those voting on it in each municipality or township, the merger and the merger agreement shall take immediate effect.

If an existing charter of a municipality proposed for merger under **R.C. 709.452** conflicts with the statutory processes and procedures, the charter processes and procedures for merger apply.

3. **Vote on merger conditions**\(^\text{88}\)

Once proposed merger conditions are prepared, the commission members shall vote on them. If no proposed merger condition can be agreed upon by a majority of the commission members from each

---

\(^{87}\) **R.C. 709.452.**

\(^{88}\) **R.C. 709.462.**
political subdivision, the commission members may vote on whether the merger should not occur. If, in that situation, a majority of the commission members from each political subdivision votes against the merger, no further proceedings shall be had on the petition filed under \textit{R.C. 709.45}, and no further petitions shall be filed under that section proposing a merger of any or all of the political subdivisions that were the subjects of that petition for at least three years after the date of the commission’s vote.

If proposed merger conditions are agreed upon by a majority of the commission members from each political subdivision, the commission shall issue a report. In addition, after the next general election occurring after the commission members’ election, but not less than 90 days before the second general election occurring after their election, the commission, unless it has ceased to exist, shall certify the fact of that agreement and a list of the agreed-to merger conditions to the board of elections of each of the counties in which the political subdivisions proposed for merger are located. The question of the approval or rejection of the merger conditions shall be submitted to the voters at that second general election occurring after the commission members’ election. The boards of elections shall submit the merger conditions for the approval or rejection of the electors in the portions of the political subdivisions within their respective counties, and, upon the holding of the election, each board of elections other than the board of the county in which the petition is required to be filed shall certify its results to the board of elections of the county in which the petition is required to be filed.

Regardless of whether a merger commission succeeds in reaching an agreement, the commission shall cease to exist on the 90th day before the next general election occurring after the commission members’ election, unless an extension is approved. If the commission ceases to exist under \textit{R.C. 709.462(D)}, no further petitions shall be filed under \textit{R.C. 709.45}. 

\textit{Chapter 9: Annexation, Detachment and Merger}
proposing a merger of any or all of the political subdivisions that were the subjects of the petition considered by the commission for at least three years after the date the commission ceases to exist.

4. *No petition for annexation after merger defeated*  
On and after the date on which a petition is filed with the board of elections for the election of a merger commission under R.C. 709.45, no petition for the annexation of any part of the unincorporated territory of the township shall be filed with a board of county commissioners under R.C. 709.03 or 709.15, until one of the following occurs:

a. The question of forming a merger commission is defeated at the election by a majority of the electors of any one of the municipalities or the unincorporated territory of the township in which the election is held.

b. The merger commission elected fails to reach agreement on merger conditions by the 90th day before the next general election occurring after the commission members’ election or, if the commission’s existence is extended, by the date that extension ceases, whichever is later.

c. The merger conditions agreed upon by the merger commission are defeated by a majority of the electors of any one of the municipalities or the unincorporated territory of the township in which the election on the conditions is held.

---

89 R.C. 709.48.
Ohio law provides for limited home rule government in municipalities, townships and counties. The Ohio Constitution authorizes the adoption of charters by counties and municipal corporations; many Ohio municipalities, and two of its counties, operate under charters approved by the voters. Additionally, the Ohio Revised Code provides for other alternative plans of government that may be adopted by municipalities, townships and counties.

**MUNICIPALITIES (CITIES AND VILLAGES)**

A. Municipal Charters

1. Authority
   The authority for adopting a municipal charter is found in Article XVIII, Section 7 of the Ohio Constitution, which states as follows:

   Any municipality may frame and adopt or amend a charter for its government and may, subject to the provisions of section 3 of this article, exercise thereunder all powers of local self-government.

2. Procedure
   The procedure for adopting a municipal charter is set forth in Article XVIII, Section 8. The procedure consists of four basic steps:

---

1 Summit County and Cuyahoga County.
a. The municipal legislative authority passes an ordinance directing that the question of whether a charter commission, comprised of 15 electors of the municipality, shall be formed for the purpose of framing a charter that will be submitted to the voters for their approval or rejection. The question must be submitted to the voters at an election held 60 to 120 days after the ordinance is passed.

b. A majority of the electors voting on the question must approve the formation of the charter commission and elect its members.

c. The members of the charter commission must frame (draft) a charter and submit it to the electors within one year after their election.

d. A majority of the municipal electors voting on the question must approve adopting the charter.

3. Election on Forming a Charter Commission

a. Ordinance
The municipal legislative authority adopts an ordinance submitting to the electors the question of whether to form a charter commission under two circumstances:

- It may adopt the ordinance on its own initiative by a vote of two-thirds of its members, or
- It must adopt the ordinance upon the filing of a petition, signed by 10 percent of the electors of the municipality based upon the total number of votes cast at the last preceding general municipal election, asking that the question be submitted to voters. Petitioners may, but are not required to, use Secretary of State Form 6-A for this purpose.

---

2 Ohio Const. Art. XVIII §14; State ex rel. Huebner v. West Jefferson Village Council (1996), 75 Ohio St. 3d 381, 384 (upon reconsideration).
The ordinance must provide for all the following:

- The submission of the question: “Shall a commission be chosen to frame a charter?"

- The date of the election, which must be held 60 to 120 days after passage of the ordinance. The question is be submitted at the next regular municipal election that occurs during the 60 to 120 day time frame. However, if no regular municipal election is scheduled during that time, the ordinance must provide for the submission of the question at a special election to be held between 60 and 120 days after its passage.

- The election of 15 electors from the municipality at large, who shall constitute the members of the commission to frame a charter, provided that a majority of the electors voting on the question voted in the affirmative.

The ordinance must provide for the method of selection (usually by nominating petition), including the signature requirement and filing deadline for any petition.\(^3\) Ohio Secretary of State Forms 3-P and 3-Q may be used for the nominating petition, unless the legislative authority provides specific criteria for the petition.

b. **Notice**\(^4\)

The board of elections must give public notice of the election by a proclamation issued at least 10 days before the election. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

\(^4\) R.C. 3501.03.
c. **Ballot**

The question appears on the Official Questions and Issues Ballot. The ballot shall bear no party designation. Each elector has the opportunity to vote separately on the two parts of the question. The question shall be presented in two parts:

i. The first part is the question, “Shall a commission be chosen to frame a charter?”, followed by the choices “Yes” and “No.”

ii. The second part is the slate of candidates seeking election to the charter commission in the event that the first part of the question (framing a charter) is approved by a majority vote.

d. **Canvass**

The question of whether a commission shall be chosen must be counted separately from the votes cast for individual members of the commission. This way, an elector who voted against the question of choosing the commission still is able to have his or her votes for members of the commission counted.

If a majority of the electors voting on the question vote against it, the question fails, and the election of the charter commission members is mooted. If a majority of voters approve the question, the board of elections certifies the names of the persons elected to serve on the commission to frame the charter.

4. **Approval or Rejection of Proposed Charter**

a. **Election**

Any charter framed in accordance with [Article XVIII, Section 8 of the Ohio Constitution](#) must be submitted to the electors at an election held at a time fixed by the charter commission and within one year from the date of the commission’s election. The municipal legislative authority shall provide for an election on the date specified by the charter commission.
b. **Notice**
   
i. **By Municipality**
   
   Not less than 30 days prior to the election to approve the charter, the clerk of the municipality must mail a copy of the proposed charter to each elector whose name appears on the poll or registration books of the last regular or general election held within the municipality.\(^5\)

   ii. **By Board of Elections**
   
   The board of elections must give public notice of the election by a proclamation issued at least 10 days before the election is held, in accordance with [R.C. 3501.03](#). The notice may be posted in a conspicuous place in the court house and city hall, or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

   c. **Ballot Language**\(^6\)
   
   The full text of the proposed municipal charter need not be placed on the ballot. A condensed version is permissible; however, the full text of the charter and the percentage of affirmative votes needed for passage must be placed in an easily accessible place in the polling location.

   d. **Approval of proposed charter**
   
   The proposed municipal charter is approved if a majority of those voting on the question vote in favor of the charter. If approved, the proposed charter takes effect on the date specified in the charter.\(^7\)

   The municipality must certify a copy of the charter to the Secretary of State within 30 days after the date of the election.\(^8\)

---

\(^5\) [Ohio Const. Art. XVIII §8.](#)

\(^6\) [R.C. 3505.06(E).](#)

\(^7\) [Ohio Const. Art. XVIII §8.](#)

\(^8\) [Ohio Const. Art. XVIII §8.](#)
5. Amending a Municipal Charter

a. Authority
The authority and procedure for approving an amendment to a municipal charter are found in Article XVIII, Section 9 of the Ohio Constitution. The charter itself may provide additional procedures for an amendment; as a general rule, the charter provisions will apply unless they conflict with the relevant constitutional provisions.9

An amendment to a charter may be submitted to the electors by one of the two following methods:

i. Two-thirds vote of the legislative authority of the municipality.

ii. A petition10 containing the full text of the proposed amendment and signed by 10 percent of the electors of the municipality. The filing of a valid and sufficient petition requires the legislative authority to pass an ordinance ordering the board of elections to submit the amendment to the electors.11

The municipal legislative authority determines the sufficiency and validity of a petition to amend a charter. The board of elections' initial role in reviewing the petition is strictly ministerial; i.e., determining the sufficiency and validity of the signatures and reporting its findings to the legislative authority.12

b. Election
The procedure for submitting an amendment to an existing charter to the electors is similar to the procedure for submitting the question

---

10 Petitioners may, but are not required to, use Ohio Secretary of State Form 6-B for this purpose.
11 Ohio Const. Art. XVIII §9. The number of electors required to sign the petition is based on the total vote cast at the last preceding general municipal election. Ohio Const. Art. XVIII §14; State ex rel. Huebner v. West Jefferson Village Council (1996), 75 Ohio St. 3d 381, 384 (upon reconsideration).
of choosing a charter commission under Article XVIII, Section 8 of the Ohio Constitution. A proposed amendment must be submitted to the electors at the time of the next regular municipal election that occurs 60 to 120 days after passage of the ordinance. If there is not a regular municipal election in that time, a special election must be held on the date specified by the legislative authority of the municipality.

**c. Notice**

i. **By Municipality**

Notice of an election on a proposed amendment shall be given in one of the following ways:

- Not less than 30 days before the election, the clerk of the municipality must mail a copy of the proposed amendment to each elector whose name appears on the poll or registration books as of the last regular or general election.

- The full text of the proposed amendment must be published once a week for not less than two consecutive weeks prior to the election in a newspaper published in the municipal corporation or as provided in R.C. 7.16, with the first publication being at least 15 days before the election.

ii. **By the Board of Elections**

The board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with R.C. 3501.03. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is

---

15 R.C. 731.211(A), (B), R.C. 7.16.
published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

d. **Ballot Language**

The full text of the proposed charter amendment need not be placed on the ballot. A condensed version is permissible; however, the full text of the charter amendment and the percentage of affirmative votes needed for passage must be placed in an easily accessible place in the polling location.

e. **Approval of Charter Amendment**

A majority vote is required for passage of the proposed amendment. An amendment is effective upon passage unless otherwise provided in the amendment or the charter.

In the event that two or more proposed amendments submitted to the voters at the same election conflict with each other, the one receiving the single highest number of total votes cast is the amendment to the charter, in the absence of a charter provision to the contrary. Any determination as to whether amendments conflict with each other is a legal question to be resolved by the courts.

If an amendment is approved by the voters, the municipality must certify a copy of the amendment to the Secretary of State within 30 days after the date of the election.

---

16 R.C. 3505.06(E).

B. Statutory Alternative Plans of Municipal Government

1. Authority\(^1\)

   *Revised Code Chapter 705* contains three plans of limited home rule government that a city or village may adopt instead of a charter. The three plans are:

   a. Commission plan;\(^2\)
   
b. City manager plan;\(^3\) and
   
c. Federal plan.\(^4\)

   The provisions of *R.C. 705.07* through *705.32* apply to, and are a part of, each plan of government provided in *R.C. Chapter 705*. The powers conferred upon municipal corporations by Title VII of the Revised Code shall govern unless otherwise provided by law. Each plan may be proposed by the legislative authority of any municipality, or by the electors of a municipality by petition in the manner prescribed by law for the submission of initiative petitions. The plan shall take effect and be in force when approved by a majority of the electors voting thereon.

   Municipal officials who have questions about adopting a plan of limited home rule government should be encouraged to consult with the municipality’s legal counsel. Residents and/or petitioners should be encouraged to consult private legal counsel.

2. Petition for Election\(^5\)

   Whenever electors of a city or village file with the board of elections a petition containing signatures equal in number to 10 percent of those who voted at the last regular municipal election, asking that the question

\(^1\) *R.C. Chapter 705*.
\(^2\) *R.C. 705.41 - 705.48*.
\(^3\) *R.C. 705.51 - 705.60*.
\(^4\) *R.C. 705.71 - 705.86*.
\(^5\) *R.C. 705.01*. 
of organizing the municipal corporation under any one of the plans of government provided in R.C. 705.41 to 705.86 be submitted to the electors, the board of elections shall at once certify that fact to the legislative authority of the municipal corporation.

Petitioners may, but are required to, use Ohio Secretary of State Form 6-D for this purpose.

a. Ordinance\textsuperscript{24}  
The legislative authority shall, within 30 days, provide for submitting such question at a special election to be held not less than 90 days after the filing of the petition.

b. Election\textsuperscript{25}  
The proposition to adopt a plan of government shall not be submitted to the electors of any municipal corporation less than 90 days before a regular municipal election.

The election shall be conducted in accordance with the general election laws except as otherwise provided in R.C. 705.01 to 705.92, and the legislative authority of any municipal corporation holding such an election shall appropriate whatever money is necessary for the proper conduct of such election.

Restrictions on Elections:\textsuperscript{26}  

i. A proposition to adopt a plan of government under R.C. Chapter 705 shall not be submitted in a municipality as long as the question of choosing a commission to frame a charter, or of adopting a charter framed by such commission, is pending in that municipality.

\textsuperscript{24} R.C. 705.01.  
\textsuperscript{25} R.C. 705.02.  
\textsuperscript{26} R.C. 705.02, 705.04.
ii. While the proposition of adopting any plan of government under R.C. Chapter 705 is pending in a municipality, no other proposition provided for in those sections shall be submitted in that municipality until the pending proposition is adopted or rejected.

iii. If the proposition to adopt a plan of government under R.C. Chapter 705 is rejected by the electors, it cannot be submitted in that municipality within one year after such rejection.

3. **Ballot Language**

The form of the ballot used to submit the question of organizing under any one of the plans of government provided in R.C. 705.41 to 705.86 is prescribed in R.C. 705.03. The board of elections shall have printed on the ballots two questions:

a. Shall the specific plan of government shall be adopted?, and

b. Shall the recall be adopted?

The ballot must allow the electors to vote separately for or against each of the two questions.

4. **Notice**

At least 30 days before the election, the board of elections shall mail to each elector of the municipality whose name appears on the pollbooks or registration books of the last general election both of the following documents: (1) a copy of the proposed plan of government, and (2) the supplementary propositions. The front cover of each copy must contain a facsimile ballot and the date and hours of the election.

---

27 R.C. 705.03.
28 R.C. 705.03.
Additionally, the board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with R.C. 3501.03. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

5. **Argument for or against proposed plan and/or recall**\(^{29}\)
   Any elector may, at least 40 days before the election, file with the board of elections a written argument not exceeding 300 words, for or against any proposed plan of government or any other proposition to be submitted at the election. Upon payment of the printing cost, the board shall have the argument printed and a copy mailed, with the copy of the proposed plan, to each elector or otherwise distributed to every voter as far as practicable.

6. **Alternative Plan of Government Approved**\(^{30}\)
   If the voters approve a plan of government, the plan, together with any of the supplementary propositions approved by a majority of the voters, shall go into effect immediately, insofar as they apply to the nomination and election of officers provided for in such sections, and January 1 following the next regular municipal election, in all other respects.

7. **Subsequent elections on supplementary propositions**\(^{31}\)
   In any municipality that has adopted a plan of government under R.C. Chapter 705, any of the supplementary propositions (e.g., the recall, as provided in R.C. 705.92) not previously adopted may be independently submitted to the electors at any municipal election in the manner provided by R.C. 705.01 to 705.04.

---

\(^{29}\) R.C. 705.03.

\(^{30}\) R.C. 705.04.

\(^{31}\) R.C. 705.05.
If the proposition to adopt a plan is rejected by the electors, it cannot be submitted in that municipality within one year after such rejection.

ALTERNATIVE FORM OF TOWNSHIP GOVERNMENT

A. Authority
Some, but not all, townships may adopt limited home rule governments, under which the township exercises limited powers of local self-government and limited police powers. A township that meets the qualifications set forth in R.C. 504.01 may adopt a limited home rule government in the manner provided therein. The township also may terminate its limited home rule government as provided in R.C. 504.03.

Township officials who have questions regarding the provisions of R.C. Chapter 504 are encouraged to consult with the township’s legal counsel. Township residents/petitioners are encouraged to direct their questions to private legal counsel.

B. Elections
On a question to adopt a limited home rule government:

The question must be submitted to the electors of the unincorporated area of the township at the next general election occurring at least 90 days after the board of township trustees certifies its resolution to the board of elections.

On a referendum on a resolution to establish a limited home rule government:

The question must be submitted to the electors of that area for approval or rejection at a special election to be held on the day of the next primary or general election occurring at least 90 days after the referendum petition is filed.

---

32 R.C. 504.
33 R.C. 504.01.
34 R.C. 504.02.
35 R.C. 504.01(A)(1), (2) & (3)(b).
36 R.C. 504.01(A)(3)(a).
C. Ballot Language\textsuperscript{37}

The ballot language on the question of adopting a limited home rule government shall be substantially as set forth in \textit{R.C. 504.02}.

D. Notice

1. \textit{By Township}\textsuperscript{38}
   At least 45 days before the election, the board of township trustees shall:
   a. have notice of the election and a description of the proposed limited home rule government published in a newspaper of general circulation in the township once a week for two consecutive weeks or as provided in \textit{R.C. 7.16}, and
   b. have the notice and description posted in five conspicuous places in the unincorporated area of the township.

2. \textit{By Board of Elections}\textsuperscript{39}
   If a board of elections operates and maintains a website, notice of the election and a description of the proposed limited home rule government must be posted on that website for at least 30 days before the election on this question.

   Additionally, the board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with \textit{R.C. 3501.03}. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

\textsuperscript{37} \textit{R.C. 504.02.}

\textsuperscript{38} \textit{R.C. 504.02, R.C. 7.16.}

\textsuperscript{39} \textit{R.C. 504.02, R.C. 3501.03.}
E. Approval by Voters\textsuperscript{40}

If a majority of the votes cast on the proposition is in the affirmative, that government is adopted and becomes the township’s government on January 1 immediately following the election.

F. Initiative and Referendum Powers\textsuperscript{41}

A township that adopts a limited home rule government is vested with the statutory rights of initiative and referendum. Resolutions may be proposed by initiative petition by the electors in the unincorporated area of the township and adopted by election by these electors, and resolutions adopted by the board of township trustees may be submitted to these electors for their approval or rejection by referendum, under the same circumstances and in the same manner as provided by R.C. 731.28 to 731.40 for municipal corporations, with two provisos:

1. Initiative and referendum petitions shall be filed with the township fiscal officer, who shall perform the duties imposed under those sections upon the city auditor or village clerk.

2. Initiative and referendum petitions shall contain the signatures of not less than 10 percent of the total number of electors in the unincorporated area of the township who voted for the office of governor at the most recent gubernatorial election for that office in that area of the township.

G. Election for terminating limited home rule government\textsuperscript{42}

1. Authority

R.C. 504.03 provides that an election may be held on the question of terminating a township’s limited home rule government. The election may be triggered by either:

\begin{itemize}
\item R.C. 504.02.
\item R.C. 504.14.
\item R.C. 504.03.
\end{itemize}
Chapter 10: Charters and Alternative Plans of Government

1. **Charters and Alternative Plans of Government**

   a. a resolution passed by the township trustees after the limited home rule government has been in effect for at least three years, or
   
   b. the filing of a valid and sufficient initiative petition, in accordance with **R.C. 504.14**.

2. **Ballot Language**
   The ballot language shall be substantially as set forth in **R.C. 504.03**.

3. **Notice of Election**

   a. **By Township**
      At least 45 days before the election, the board of township trustees shall have notice of the election:
      
      i. published in a newspaper of general circulation in the township once a week for two consecutive weeks or as provided in **R.C. 7.16**, and
      
      ii. posted in five conspicuous places in the unincorporated area of the township.

   b. **By Board of Elections**
      If a board of elections operates and maintains a website, notice of the election shall be posted on that website for at least 30 days before the election.
      
      Additionally, the board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with R.C. 3501.03. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

4. **Result of Election**
   If a majority of the votes is in the negative, that government is terminated effective January 1 immediately following the election.
A limited home rule government shall not be adopted in the unincorporated area of the township pursuant to R.C. 504.02 for at least three years after that date.

ALTERNATIVE FORMS OF COUNTY GOVERNMENT (Updated July, 2014)

Provisions are made in both the Ohio Constitution and the Revised Code of Ohio for the framing, adoption, and amendment of a county charter, both with and without a county charter commission. Additionally, an entire chapter of the Revised Code sets forth provisions for the adoption of statutory, alternative forms of county government.

A. County Charter, Generally

The provisions for proposing a county charter differ from those for proposing a municipal charter. One significant difference is that a proposed county charter may be submitted directly to the electorate in the absence of a charter commission.

Ohio law provides four avenues by which a county charter proposal may first be presented to the voters:

1. By resolution adopted by a two-thirds vote of the board of county commissioners in the absence of a petition, providing for an election on the two-part question of (1) whether a county charter commission shall be chosen to frame a charter, and (2) who shall be elected to the commission.

2. By the filing of valid and sufficient petition with the board of county commissioners, providing for an election on the two-part question of (1)

---

44 R.C. 302.
whether a county charter commission shall be chosen to frame a charter, and (2) who shall be elected to the commission.\(^46\)

3. By the filing of a valid and sufficient petition containing a proposed charter, filed with the board of county commissioners not later than 110 days before a general election, demanding an election on whether the charter shall be adopted (no commission elected to frame the charter).\(^47\)

4. By the filing of a valid and sufficient petition containing a proposed charter, filed with the board of elections not later than 130 days before a general election, demanding an election on whether the charter shall be adopted (no commission elected to frame the charter).\(^48\)

B. Resolution Providing for Election on Whether a County Charter Commission Shall be Chosen

1. Authority

   Article X, Section 3 of the Ohio Constitution provides for framing, adopting and amending a county charter. Section 3 further provides, however, that the right of the initiative and referendum is reserved to the people of each county on all matters which the county may now or hereafter be authorized to control by legislative action.

   A charter or amendment providing for either:

   a. the exclusive exercise of municipal powers by the county, or

   b. the succession by the county to any property or obligation of any municipality or township without the consent of the legislative authority of such municipality or township,

   shall become effective only when it shall have been approved by a majority of those voting thereon (1) in the county, (2) in the largest

municipality, (3) in the county outside of such municipality, and (4) in counties having a population, based upon the latest preceding federal decennial census, of 500,000 or less, in each of a majority of the combined total of municipalities and townships in the county (not including within any township any part of its area lying within a municipality).

2. **Election on Question to Choose a County Charter Commission**

Section 4 of Article X of the Ohio Constitution sets forth the procedures for elections to frame, adopt or amend a county charter. The legislative authority of any county:

a. may, by a two-thirds vote of its members, or

b. shall, upon petition of 8 percent of the electors of the county as certified by the board of elections,

pass a resolution to submit to the county voters the question, “Shall a county charter commission be chosen?” The required number of petition signatures is based on the total number of votes cast in the county for the office of governor at the most recent gubernatorial election.

3. **Timing**

The question shall be voted upon at the next general election that occurs 95 or more days after the resolution is certified to the board of election.

4. **Ballot**

The question appears on the Official Questions and Issues Ballot. The ballot shall bear no party designation. Each elector shall have the opportunity to vote separately on the two parts of the question. The question shall be presented as follows:

a. The first part of the ballot question is, “Shall a county commission be chosen?” The question is followed by the choices “Yes” and “No.”

b. The second part of the ballot question consists of the slate of candidates seeking election to the 15-member charter commission,
in the event that the first part of the question (electing a charter commission) is approved by a majority vote.

5. **Candidates for County Charter Commission**
Candidates for the county charter commission shall be nominated by petition of 1 percent of the electors of the county, based on the total number of votes cast in the county for the office of governor at the most recent gubernatorial election. The petition shall be filed with the election authorities not less than 75 days before the election. Candidates shall be declared elected in the order of the number of votes received, beginning with the candidate receiving the largest number; but not more than seven candidates residing in the same city or village may be elected.

The holding of a public office does not preclude any person from seeking or holding membership on a county charter commission, nor does membership on a county charter commission preclude any such member from seeking or holding other public office, but not more than four officeholders may be elected to a county charter commission at the same time.

6. **Submitting the County Charter/Amendments to the Voters**
   a. The commission shall frame a charter for the county or amendments to the existing charter, and shall, by vote of a majority of the authorized number of members of the commission, submit the same to the electors of the county, to be voted upon at the first general election following the election of the commission. The commission shall certify the proposed charter or amendments to the election authorities not later than 75 days before such election.

   b. Amendments to a county charter, or the question of the repeal of the charter, may also be submitted to the electors of the county in the manner provided in Section 4 of Article X for the submission of the question whether a charter commission shall be chosen, to be voted upon at the first general election occurring not sooner than 60 days after their submission.
7. Notice of Election
   a. County
      The legislative authority or charter commission submitting any charter or amendment shall, not later than 30 days before the election on such charter or amendment, mail or otherwise distribute a copy thereof to each of the electors of the county as far as may be reasonably possible, or, if the board so determines, by publishing the full text of the proposed amendments once a week for at least two consecutive weeks in a newspaper of general circulation within the county, or as provided in R.C. 7.16.49
   b. Board of Elections
      The board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with R.C. 3501.03. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

8. Multiple Proposed County Charters/Amendments
   When more than one amendment, which shall relate to only one subject but may affect or include more than one section or part of a charter, is submitted at the same time, they shall be so submitted as to enable the electors to vote on each separately.

   In case more than one charter is submitted at the same time or in case of conflict between the provisions of two or more amendments submitted at the same time, that charter or provision shall prevail which received the highest affirmative vote, not less than a majority.

9. Resubmission of County Charter or Amendment after Rejected by Voters
   If a charter or amendment submitted by a charter commission is not

49 R.C. 307.70.
approved by the electors of the county, the charter commission may resubmit the same one time, in its original form or as revised by the charter commission, to the electors of the county at the next succeeding general election or at any other election held throughout the county prior to that general election, in the manner provided for the original submission thereof.

**C. County Charter Proposed by Initiative Petition - Submitted Directly to the Electorate (No Charter Commission)**

1. **County Charter Petition Requirements, Generally**
   Ohio law provides that electors of a county, equal in number to 10 percent of the gubernatorial vote in that county at the most recent gubernatorial election, may petition to submit a proposed county charter directly to the voters, without the formation of a charter commission. A county charter petition may consist of any number of separate petition papers. Each part shall have attached a copy of the charter to be submitted to the electors, and each part shall meet all the requirements of law for a county charter petition and of R.C. 3501.38.

   The petitioners must designate in the petition a committee of three to five persons who will represent them in all matters relating to the petition. Notice of all matters or proceedings pertaining to the petitions may be served on the committee or any of the committee members.

   Petitioners have the option of filing the county charter petition with the board of county commissioners at least 110 days before a general election or, alternatively, with the board of elections at least 130 days before a general election.

2. **Filing with the Board of County Commissioners**
   Not later than 115 days before a general election, petitioners may file with the board of county commissioners a petition asking that the question of

---

50 Ohio Const. Art. X, §4; R.C. 307.94.
51 Ohio Const. Art. X, §4; R.C. 307.94.
the adoption of a county charter in the form attached to the petition be submitted to the electors of the county. The petition must be available for public inspection at the county commissioners’ office during regular business hours until 4 p.m. of the 111th [sic] day before the election, at which time the county commissioners shall adopt a resolution certifying the petition to the board of elections for submission to the electors at the next general election, unless the signatures are insufficient or the petitions otherwise invalid.

The board of elections shall immediately proceed to determine whether the petition and the signatures on the petition meet the requirements of law. The board must examine each petition filed under R.C. 307.94 or R.C. 307.95 to:

a. determine whether the petition falls within the scope of a county’s authority to enact via initiative. The board of elections must consider whether the petition meets the requirements in Article X, Section 3 of the Ohio Constitution. The petition is invalid if any portion of the petition does not fall within the authority to enact via initiative. The board’s finding is subject to protest under R.C. 307.95.

b. complete its examination of the petition and signatures within 10 days of receiving the petition from the county commissioners, and

c. submit a report to the county commissioners not less than 100 days before the election, certifying whether the petition is valid or invalid and, if invalid, the reasons for the invalidity, whether there are sufficient valid signatures, and the number of valid and invalid signatures.

The petition and a copy of the report to the board of county commissioners shall be available for public inspection at the board of elections.

The board must transmit promptly to the Secretary of State’s office a copy of the petition and notice of the board’s determination.
If substantially similar initiative petitions are submitted to multiple boards of elections and the determinations of those boards of elections differ, the Secretary of State must make a single determination that will apply to each separate petition.

3. **Filing Directly with the Board of Elections**
   Rather than file the county charter petition with the board of county commissioners, the petitioners may file it with the board of elections not later than 130 days before a general election.

   The board shall immediately proceed to determine whether the petition and the signatures on the petition meet the requirements of law and to count the number of valid signatures and to note opposite each invalid signature the reason for the invalidity.

   Not later than the 120th day before the general election, the board of elections must examine each petition filed under **R.C. 307.94** or **R.C. 307.95** to:
   
   a. determine whether the petition falls within the scope of a county’s authority to enact via initiative. The board of elections must consider whether the petition meets the requirements in **Article X, Section 3** of the Ohio Constitution. The petition is invalid if any portion of the petition does not fall within the authority to enact via initiative. The board’s finding is subject to protest under **R.C. 307.95**.
   
   b. complete its examination of the petition and signatures, and
   
   c. submit a report to the board of county commissioners.

   The report must certify whether the petition is valid or invalid and, if invalid, the reasons for invalidity, whether there are sufficient valid signatures, and the number of valid and invalid signatures. The petition and a copy of the report to the board of county commissioners shall be available for public inspection at the board of elections.

---

**52 R.C. 307.94.**
The board must transmit promptly to the Secretary of State’s office a copy of the petition and notice of the board’s determination.

If substantially similar initiative petitions are submitted to multiple boards of elections and the determinations of those boards of elections differ, the Secretary of State must make a single determination that will apply to each separate petition.

The petition and a copy of the board of elections’ report shall be available for public inspection at the board of elections.

4. **Petition determined to be valid and sufficient**

   If the board of elections certifies the petition to be valid and to have sufficient valid signatures, the board of county commissioners shall forthwith, and not later than 4 p.m. on the 111th day before the general election, adopt a resolution certifying the petition to the board of elections for submission to the county electors at the next general election.\(^{53}\)

   The question shall be submitted to the voters in the manner provided for the submission of the question whether a charter commission shall be chosen.\(^{54}\)

5. **Petition determined to be invalid and/or insufficient - Remedies**\(^{55}\)

   If the board of elections certifies the petition to be invalid or to have insufficient valid signatures, or both, the petitioners’ committee may protest such findings or solicit additional signatures as provided in R.C. 307.95, or both, or request that the board of elections proceed to establish the validity or invalidity of the petition and the sufficiency or insufficiency of the signatures in an action before the court of common pleas in the county. Such court action must be brought within three days.

---

\(^{53}\) R.C. 307.94.

\(^{54}\) Ohio Const. Art. X, §4, R.C. 307.94.

\(^{55}\) R.C. 307.94 - 307.95.
after the request has been made, and the case shall be heard forthwith by a judge of such court, whose decision shall be certified to the board of elections and to the board of county commissioners in sufficient time to permit the board of county commissioners to perform its duty to certify the petition, if it is determined by the court to be valid and contain sufficient valid signatures, to the board of elections not later than 4 p.m. on the 111th day before the general election for submission to the electors at such general election.

If the petition is determined by the board of elections to be valid, but the number of valid signatures is insufficient, the board of county commissioners shall immediately notify the committee for the petitioners, who may:

a. solicit and file additional signatures to the petition pursuant to R.C. 307.95(E), or

b. protest the board of election's findings pursuant to R.C. 307.95(B), or

c. both of the above.

6. Protests
Protests of the board of elections' findings concerning the validity or invalidity of a county charter petition or any signature on such petition are filed with the board of elections, but decided by the Secretary of State.

A protest may be filed by any eligible elector with the board of elections not later than 4 p.m. of the 97th day before the election. Each protest shall identify the part of, or omission from, the petition or the signature or signatures to which the protest is directed, and shall set forth specifically the reason for the protest. A protest must be in writing, signed by the elector making the protest, and shall include the protestor's address. Each protest shall be filed in duplicate.

56 R.C. 307.95.
The board of elections shall deliver or mail by certified mail one copy of each protest filed with it to the Secretary of State.

The Secretary of State, within 10 days after receipt of the protests, shall determine the sufficiency or insufficiency of the signatures and the validity or invalidity of the petition, including whether the petition conforms to the requirements set forth in Section 3 of Article X and Section 3 of Article XVIII of the Ohio Constitution, including the exercise of only those powers that have vested in, and the performance of all duties imposed upon counties and county offices by law, and whether the petition satisfies the statutory prerequisites to place the issue on the ballot. The petition shall be invalid if any portion of the petition is not within the initiative power. The Secretary of State may determine whether to permit matters not raised by protest to be considered in determining such validity or invalidity or sufficiency or insufficiency, and may conduct hearings, either in Columbus or in the county where the county charter petition is filed. The determination by the Secretary of State is final.

The Secretary of State shall notify the board of elections of the determination of the validity or invalidity of the petition and sufficiency or insufficiency of the signatures not later than 4 p.m. of the 81st day before the election.

a. If the petition is determined to be valid and to contain sufficient valid signatures, the charter shall be placed on the ballot at the next general election.

b. If the petition is determined to be invalid, the Secretary of State shall so notify the board of county commissioners, and the board of county commissioners shall notify the committee.
c. If the petition is determined to be valid, but the number of valid signatures is insufficient, the board of elections shall immediately notify the committee for the petitioners, and the committee shall be allowed 10 additional days after such notification to solicit and file additional signatures to the petition subject to R.C. 307.95(E).

All additional signatures solicited pursuant to R.C. 307.95(A) or (D) shall be filed with the board of elections not less than 70 days before the election. The board of elections shall examine and determine the validity or invalidity of the additional separate petition papers and of the signatures thereon, and its determination is final. No valid signature on an additional separate petition paper that is the same as a valid signature on an original separate petition paper shall be counted. The number of valid signatures on the original separate petition papers and the additional separate petition papers shall be added together to determine whether there are sufficient valid signatures. If the number of valid signatures is sufficient and the additional separate petition papers otherwise valid, the charter shall be placed on the ballot at the next general election. If not, the board of elections shall notify the county commissioners, and the commissioners shall notify the committee.

D. Statutory Forms of Alternative County Government

1. Authority

The electors of any county may adopt an alternative form of county government authorized by the provisions of R.C. 302.01 to 302.24. The alternative form of government adopted shall take the place of the form of government then existing in such county and the provisions of R.C. 302.01 to 302.24 applicable to the adopted alternative form of government shall be controlling in the county as to all matters to which they relate, and other provisions of the general laws of the state shall be operative therein only insofar as they are not inconsistent with the aforesaid provisions.\(^57\)

\(^57\) R.C. 302.01.
2. **Resolution**

The board of county commissioners of a county may, by a two-thirds vote of the board, or shall, upon petition by 3 percent of the electors of the county as determined by the number of votes cast in the county for the office of governor at the most recent gubernatorial election, adopt a resolution directing the board of elections to submit to the electors the question of adopting one of the alternative forms of county government authorized by R.C. 302.01 to 302.24.

Any proposition for an alternative form of county government must specify the number of members of the board of county commissioners, how many shall be elected at large, or how many shall be elected by districts.

If the proposed plan calls for the election of county commissioners by district, but fails to divide the county into districts, the board of elections shall, within 45 days before the election, divide the county into districts in the manner provided in R.C. 302.082.

3. **Election**

The question of adopting an alternative form of county government shall be voted upon at the next general election occurring not less than 90 days after the certification of the resolution to the board of elections. The board of elections, when appropriate, shall display a map indicating the boundaries of each county commissioner district in a conspicuous place at each polling place.

If the board of county commissioners adopt a resolution requiring that the question of choosing a commission to frame a county charter be submitted to the electors before it adopts the resolution provided for R.C. 302.03, the proposition to adopt an alternative form of county government shall not be submitted in that county as long as the question of choosing such commission or of adopting a charter framed by such commission is pending therein.
4. **Ballot Language**
   The ballot language to be used depends on how commissioners are to be elected under the proposed plan:

   a. If elected at large, the ballot language must be substantially as set forth in **R.C. 302.04**.

   b. If elected by district, the ballot language must be substantially as set forth in **R.C. 302.05**.

5. **Notice**
   a. **County**
      At least 45 days before the election, the board of county commissioners shall cause a copy of the alternative form to be distributed to each elector of the county so far as may be reasonably possible.

   b. **Board of Elections**
      The board of elections must give public notice of the election by a proclamation issued at least 10 days before the election, in accordance with **R.C. 3501.03**. The notice may be posted in a conspicuous place in the court house and city hall or by insertion in a newspaper published in the county. If no newspaper is published in the county, notice may be given by insertion in a newspaper of general circulation within the county.

6. **Proposition to discontinue an alternative form of county government**
   **R.C. 302.06** provides that a proposition to:

   a. discontinue an alternative form of county government adopted under **R.C. 302.02** to **302.24**, or

   b. adopt another alternative form of county government pursuant to **R.C. 302.01** to **302.24**, may be submitted to the voters at any general election in the manner provided for in **R.C. 302.03**.
Chapter 11: Advisory Elections, Recall and Removal

ADVISORY ELECTIONS

An advisory election is a non-binding election on a question that municipal officials submit to the electorate to gauge voter attitudes on a particular topic. An advisory election is not intended as a substitute for the election on a municipal ordinance, resolution, charter amendment or other measure. Rather, the advisory election only initially tests the appeal of the proposed legislation, with a second election on the legislation itself to follow, if municipal officials so choose.¹

A. Authority

The Supreme Court of Ohio recognized the right of a municipality to hold an advisory election in *State ex rel. Bedford v. Cuyahoga Co. Board of Elections* (1991), 62 Ohio St.3d 17. The Court held that *Article XVIII, Section 3 of the Ohio Constitution* (commonly referred to as the “home rule” provision) grants a municipality the authority to hold an advisory election, absent a specific prohibition against holding such an election in the municipality’s charter, the Ohio Revised Code, or the Ohio Constitution.

Please note that only a municipality may conduct an advisory election; an advisory election may not be held by any other political subdivision (e.g., state, county, township, school district, etc.).

**B. Procedure**

When municipal officials certify an advisory question to the board of elections, the board should review the municipality's charter, if it has one, to determine whether the charter prohibits an advisory election. If the charter does not specifically prohibit an advisory election, the board should proceed with the election. If the charter appears to prohibit the advisory election, the board should consult with its legal counsel at the county prosecutor's office.

The heading "Advisory Election" must be placed on the ballot for an advisory election.

**RECALL**

**A. Authority**

Recall is the statutory procedure that allows voters to decide in an election whether to remove (recall) a municipal official holding elective office. The use of the recall is significantly limited. First, it is available only in a municipality whose voters have adopted both (1) a form of limited home rule – that is, a charter or one of the plans of government outlined in Chapter 705 of the Revised Code – and (2) the recall process as part of that home rule government.\(^2\)

*Note:* Recall is not available in a statutory municipality or in a limited home rule municipality that has not adopted the recall process.\(^3\) Additionally, recall is not available for state, township or district offices, or for county offices except in a county that has adopted a limited home rule charter that specifically provides for the recall.\(^4\)

---

\(^2\) *Lockhart v. Boberek* (1976), 45 Ohio St.2d 292, 345 N.E.2d 71, 74 O.O.2d 461; *R.C. 705.91 - 705.92*.

\(^3\) *Lockhart v. Boberek* (1976), 45 Ohio St.2d 292, 345 N.E.2d 71, 74 O.O.2d 461.

\(^4\) *R.C. 705.92*.
Second, even if the voters of a limited home rule municipality have adopted the recall, a question of removing an officer shall not be placed on the ballot until such officer has served for at least one year of the term during which he or she is sought to be recalled.

Unless the municipality’s charter provides otherwise, the recall procedure is as set forth in R.C. 705.92. The statutory recall process is initiated by the filing of a valid and sufficient petition. The Secretary of State does not prescribe a petition form pertaining to recall. Rather, the petitioner is responsible for crafting a petition that complies with the provisions of R.C. 705.92(A). For example, the petition must:

1. be signed by qualified electors equal in number to at least 15 percent of the total votes cast at the most recent regular municipal election,
2. contain the required number of valid signatures upon submission to the board of elections,
3. demand the election of a successor to the person sought to be removed from office,
4. contain a general statement in not more than 200 words explaining why the removal of the person is sought, and

The petition is not valid after 90 days from the date of the first signature. It also must satisfy all other requirements of law and must be filed with the board of elections, which shall verify the sufficiency and validity of the petition.\(^5\)

If the petition is determined to be sufficient, the person whose removal is sought has five days after the sufficiency of the petition has been determined to resign.\(^6\)

Unless the municipality’s charter provides otherwise, the board of elections that determines the validity and sufficiency of the petition should, as a courtesy, notify the person whose removal is sought of the determination of sufficiency and of the five-day deadline.

\(^5\) R.C. 705.92(A) (“The form, sufficiency, and regularity of any such petition shall be determined as provided in the general election laws.”).

\(^6\) R.C. 705.92(B).
If the person does not resign within the five days, an election on the question of
the recall and for the selection of a successor must be held at the next primary
or general election occurring more than 90 days from the date the board of
elections determines that the petition is sufficient. The board of elections must
make all arrangements for holding the election, which is conducted in the same
manner as a regular municipal election.⁷

B. Successors

A petition is required to nominate a candidate to succeed each officer sought
to be removed.

A nominating petition must be filed with the board of elections at least 20 days
before the election and must be signed by voters equal to 10 percent of the
total votes cast for the head of the ticket at the most recent regular municipal
election. No primary election shall be held.⁸

C. Ballot

The form of the ballot is prescribed in R.C. 705.92(D). The recall question appears
on the Official Questions and Issues Ballot and consists of two parts. The first part
asks if the municipal officer named in the petition shall be removed from office.
The second part sets forth the names of the candidates to fill the vacancy that
may be created by the recall. The name of the officer whose removal is sought
shall not appear on the ballot as a candidate to succeed the officer’s self.

D. Results

If a majority of votes cast are in favor of removal, the person is removed from
office upon the announcement of the official canvass. The candidate who
receives a plurality of the votes cast for the successor for that office shall be
declared elected. The successor shall serve out the remainder of the unexpired
term of the person who was removed.⁹

---

⁷ R.C. 705.92(B).
⁸ R.C. 705.92(C).
⁹ R.C. 705.92(D).
If the person whose removal was sought is not recalled, he or she shall be repaid “actual and legitimate expenses” for the election from the treasury of the municipal corporation. This amount shall not exceed 50 percent of the sum which is by law permitted to be expended by a candidate at any regular municipal election.\textsuperscript{10}

**REMOVAL**

**A. General Provisions**

The General Provisions of the Revised Code provide that any person holding public office in this state, or in any municipal corporation, county, or subdivision thereof, coming within the official classification in Section 38 of Article II of the Ohio Constitution may be removed by judicial action for good cause shown.\textsuperscript{11} In order to be removed from office, a public officer must be found guilty by a court of competent jurisdiction of misconduct in office for one or more of the following reasons:

- Willfully and flagrantly exercising authority or power not authorized by law.
- Refusing or willfully neglecting to enforce the law or to perform any official duty imposed upon the public officer by law.
- Gross neglect of duty.
- Gross immorality.
- Drunkenness.
- Misfeasance.
- Malfeasance.
- Nonfeasance.\textsuperscript{12}

\textsuperscript{10} R.C. 705.92(D).
\textsuperscript{11} R.C. 3.07 - 3.10.
\textsuperscript{12} R.C. 3.07.
Proceedings for removal on any of these grounds are initiated by the filing of a written complaint that specifically sets forth the charge against the public officer. The complaint must be signed by not less than 15 percent of the total vote cast for the office of governor in the state or subdivision whose officer it is sought to remove. If the public officer sought to be removed is a county sheriff, a county prosecutor, or the mayor of a municipal corporation, the governor may file the written complaint without the signatures of the electors.\textsuperscript{13}

\textbf{Note:} The Secretary of State does not prescribe any form pertaining to the removal process, which is a judicial proceeding, not an elections matter. A board of elections’ responsibility in a removal action is limited to providing the number of signatures required for the complaint.

The complaint is filed with the court of common pleas in the county where the public officer resides. If a complaint is filed against a common pleas court judge, the complaint is filed in the court of appeals of the district where the judge resides. All complaints against state officers are filed in the court of appeals of the district where the officer resides.\textsuperscript{14}

If a holder of a public elective office is removed by the court, and the law provides no means for filling the vacancy, the board of elections in the county where the removed officer resides shall order a special election to fill the vacancy in office.\textsuperscript{15}

**B. Additional Provision - Municipal Officer**\textsuperscript{16}

Additionally, a judicial complaint can be filed against a municipal officer pursuant to \textbf{R.C. 733.72}. This method for removal is available only when the municipal officer is receiving illegal compensation for services, has a private interest in a city contract, or is guilty of misfeasance or malfeasance in office.

\begin{itemize}
  \item \textsuperscript{13} \textbf{R.C. 3.08}.
  \item \textsuperscript{14} \textbf{R.C. 3.08}.
  \item \textsuperscript{15} \textbf{R.C. 3.09}.
  \item \textsuperscript{16} \textbf{R.C. 733.72}.
\end{itemize}
The complaint is filed with the probate judge of the county in which the municipality or the larger portion the municipality is located.

If the charges in the complaint are sustained at trial, the judge will make an order removing the officer from office, and forthwith transmit a certified copy of the order to the presiding officer of the legislative authority of the municipality, whereupon the vacancy shall be filled as provided by law.\(^\text{17}\)

If the vacancy is filled by appointment, the municipal appointing authority shall immediately, but no later than seven days after making the appointment, certify it to the board of elections and to the Secretary of State. The board of elections shall issue a certificate of appointment to the appointee.\(^\text{18}\)

A majority affirmative vote is necessary for passage

1. Shall bonds be issued by the __________________________ joint vocational school district to pay the local share of school construction under the State of Ohio Joint Vocational School Facilities Assistance Program in the total principal amount of ____________________, to be issued in ____________________, (total principal amount of the bond issue) (number of series) series, each series to be repaid annually over not more than ____________________ years, and an annual levy of property taxes be made outside the ten-mill limitation to pay the annual debt charges on the bonds and on any notes issued in anticipation of the bonds, at a rate estimated by the county auditor to average over the repayment period of each series as follows: _______________

(insert the following for each series: “the _____ series, in a principal amount of _____ dollars, requiring _____ mills per dollar of tax valuation, which amounts to [rate in dollars and cents] for each one hundred dollars in tax valuation, commencing in ____ first payable in ____”)

2. Shall an additional levy of taxes outside the ten-mill limitation be made for the benefit of the __________________ school district for the purpose of acquiring a site for classroom facilities in the sum of ____________________, (annual amount the levy is to produce) estimated by the county auditor to average ________________ mills for each one hundred dollars of valuation, for a period of ________________ years?

| For the bond issue and tax levy          |
| Against the bond issue and tax levy     |

*Note on question 2: The statutorily prescribed ballot language under R.C. 3318.06(C)(2) states: mills for each one hundred dollars of valuation.” This is different from the usual prescribed ballot form which reads: “mills for each one dollar of valuation.”
