**The Secretary of State's office advises local boards of election to consult with the United States Postal Service Mailpiece Design Analyst to determine the proper size/scale of envelope and placement of graphics to ensure meeting requirements for bulk business mailing. To learn more about the MERLIN program that explains the mailpiece design analyst position and benefits of the program click here: [www.usps.com/merlin/welcome.htm](http://www.usps.com/merlin/welcome.htm) Please note this service from the USPS is free of charge.**
