

Special Notice to Absentee Voters

JON HUSTED

Ohio Secretary of State

The U.S. Postal Service estimates that it may take 2 to 5 days for your voted absentee ballot to be delivered to your board of elections by mail. To make sure your absentee ballot is counted, you have the responsibility for returning your ballot by one of the following methods by the required deadline.

In Person

If you are returning your absentee ballot in person to your board of elections, you must do so by 7:30 p.m. on Election Day.

Remember, your spouse, child, or close relative may deliver your ballot to the board of elections for you.

Once you have sent in a request, you can track the request as well as your ballot online here:

By Mail

If you are returning your absentee ballot by mail, it must be received by your board of elections by 7:30 p.m. on Election Day OR be postmarked by the day before Election Day. If you are mailing your ballot during the week before Election Day, you should take your ballot to USPS no later than the day before Election Day and ensure a postmark as follows:

- If you use a postage label purchased at a USPS customer service window or vending machine, the date on the label is the postmark. This is the USPS recommended way to postmark your ballot.
- If you use postage stamps, ask that it be postmarked.

- ▶ You should not use a postage meter or an online service (such as stamps.com) to affix postage.
- ▶ It is your responsibility to make sure the ballot has enough postage.
- ▶ If you do not vote your absentee ballot and instead decide to go to your assigned polling place on Election Day, you must vote by provisional ballot.
