# JON HUSTED

Ohio Secretary of State

Military service is one of the finest displays of patriotism. As Ohio's chief elections officer, I am grateful for members of the armed forces who have protected the democratic system that gives each of us a voice on Election Day. Our thanks also extend to the families and friends who have stood by our service men and women during times of war and times of peace.

**OhioMilitaryVotes.com** is a one-stop shop to support and honor Ohio service men and women on Election Day.

**Military Ready-to-Vote (MRV)** provides voting materials, information and assistance to Ohio service members ensuring they have all they need to participate in Ohio elections while they are serving on active duty.

**Vote in Honor of a Veteran** allows Ohio voters to pay tribute to the service of individual service members, past and present, by dedicating their votes to them on Election Day.

I encourage you to learn more about these programs and get involved.

Sincerely,

A handwritten signature of Jon Husted in black ink.
